Remember that district court convenes next Thursday at 2 p. m.

Students of the night school report an interesting session last evening.

How would it sound to say that Plattsmouth had a beet sugar industry employing 500 men?

Mr. Hoyt, formerly an employee of the M. P. road at Hastings, has been transferred to Plattsmouth to assist Mr. Appar at the M. P. station.

Leonard Anderson is highly elated that his mother and sister, whom he has not seen for fifteen years, arrived from London this morning.

The ladies are not permitted to exercise the right of franchise, but there is no law forbidding them feeding the voters on election day, and they propose to take advantage of it.

The Chicago Packing and Provision Co., with a branch house at Nebraska City, has announced that they are prepared to pack 1,000 hogs per day and that the capacity will soon be increased to 4,000 per day. The industry will doubtless give an impetus to trade in our neighboring town.

There are many young people in Plattsmouth who are not afforded the opportunity of attending school during the day, that should attend the night session. At this school instruction is given in the common school branches, and for those that prefer a commercial education, a thorough drill in book-keeping and type-writing is furnished. Classes of all stages of advancement are maintained and all will be accommodated who come.

The authorities at Nebraska City are determined to wipe out the cases of diphtheria that are prevailing there, if possible. The board of health yesterday visited several portions of the city and found them in a very unhealthy condition. It is thought that if the alleys, slaughter houses and other places where filth is permitted to accumulate, were completely renovated that there would be little danger of further spread of the disease.

Mrs. Riley Funk, wife of an M. P. section foreman, at Nebraska City made a desperate attempt to commit suicide yesterday by jumping into the river. She was rescued, however, and taken home, but she appeared dissatisfied that her plans had been frustrated and proceeded to smash the windows and tear things up generally. She has been placed in charge of the officials pending an investigation by the commission on insanity.

Notice to Ladies
I have on hand a fine lot of ribbons and tips which I will sell at the lowest prices for cash. I have my goods at J. Finley Johnson's hardware store where I may be found every day from 1:00 to 5:00 p. m.
Mrs. J. F. JOHNSON.

Ladies who use cosmetics or powders to cover up or hide a bad complexion, do not know that O. H. Snyder can furnish them with Blush of Roses, which is clean water, purifies the skin, and positively removes black heads and all skin diseases takes the shiny look from the face and whitens it soon as applied.

*Many old soldiers, who contracted chronic diarrhoea while in the service, have since been permanently cured of it by Chamberlain's Colic, Cholera and Diarrhoea Remedy. For sale by F. G. Fricke & Co.

Will you suffer with Dyspepsia and Liver Complaint? Shiloh's Vitalizer is guaranteed to cure you. 2

THE FAIR.

Has just opened up a full line of ladies, Gents and Childrens all wool underwear and before you buy your Fall or Winter goods. Don't fail to call and see our prices. We beat 'em all.

Have you seen those nobby Misses Caps, all pretty shades, 55, 65 and 75 cents each?

PERSONAL

Mrs. Wm. Boeck is an Omaha visitor to-day.

Miss Cora Davis, of Murray, is in the city to-day.

Mrs. Fred Murphy came in from Cedar Creek this morning.

J. W. Berge, of the South Bend New Era, is in the city to-day.

Wm. Mertins departed for Omaha this morning for a visit to friends.

Harry Dray, of THE HERALD force, departed this morning on a visit to Missouri and points in Iowa.

Yal Burkel, who was recently called to Ohio to attend the funeral of his sister, returned home this morning.

B. N. Loverin, K. C. conductor, will lay off for a short time. The run will be made by J. N. Dority until Mr. Loverin resumes his work.

Doubtless great surprises are in store for all parties. Look out for them to-morrow.

A voter who was recently shown a sample ballot at once exclaimed: "Great Scott, am I expected to vote wallpaper!"

THE HERALD predicts that Wheeler will carry Iowa by 5,000, McKinley Ohio by 10,000 and Fasset New York by a handsome majority.

Election is passing off very quietly, apparently, though a spirited interest is manifested regarding the election of the local candidates.

The success that has attended the commercial course of study, recently established in our city schools, fully demonstrates the wisdom of the policy.

Take supper with the ladies this evening. The ladies of the M. E. church are located at the old post-office building and the W. R. C. at the G. A. R. hall. Remind candidates of this fact.

The cold wave reported for Sunday failed to materialize to the degree apprehended by many. It is doubtless accounted for by the fact that election is so near and the campaign is so hot.

The result of to-day's voting will decide who will occupy the new court house for next year. The canvass, on the part of all parties has been honestly, yet vigorously conducted. Let a fair and intelligent expression be given and the interests of the people cared for.

A great many easterners will not be permitted to see the Nebraska advertising train, and after hearing of the wonderful exhibit, they will doubtless feel sadly disappointed; but they may find consolation, in a measure, in the fact that the world's fair opens next year.

Kearney has secured the establishment of cotton and oat meal mills and she is now laying plans for paper and wool mills. Why not Plattsmouth have a beet sugar industry and keep in sight of the procession at least?

Patti Rosa, while filling an engagement last week at Memphis, Tenn., broke a tendon near her ankle, from the effect of which she will be laid up for some time. Doubtless her admirers all over the country lend their sympathies and hope for her speedy recovery.

Hon. John Fitzgerald is so far improved that yesterday afternoon he drove himself around the city and out to his farm. For nearly three months he has been confined to his home by illness, many times his life being despaired of, and his recovery will be good news to his thousands of friends.—Lincoln News.

The B. & M. will sell round trip tickets at one and one-third fare to Creston, Iowa, on account of the Southern Iowa Epworth League convention to be held from Nov. 2d to 7th. Tickets will be sold at one and one-third fare for the round trip to all those desiring to attend the annual meeting of the national farmers' congress at Sedalia, Nov. 15th.

More than 100,000 people have passed through the Nebraska advertising train and beheld the wondrous possibilities of our soil. The people immediately go home and tell their neighbors of the great agricultural exhibit and impress the latter with the fact that they missed an opportunity of a life time. The fact is, the train may well be denominated a talking machine for Nebraska.

It is evident that the boys succeeded admirably last Saturday evening in protecting the people's property. We have evidence of this by the fact that thus far there have been no charges preferred in police court.

Manager Young handed us a list of the coming attractions at the opera house for November and December, which we publish in this issue. It will be noticed that some of the best plays on the American boards are included in the list.

The admirers of Gov. Boies of Iowa predict that the large meetings he has held is evidence that he will receive a handsome majority. From the manner in which the people flocked to hear Post Saturday evening we may conclude, adopting the same method of reasoning, that Cass county will give a good plurality for Post.

The parishioners of the M. E. church are to be congratulated upon securing the services of so able a minister as Rev. Britt is proving to be. It is evident, too, that his sermons are appreciated by his hearers, as large and attentive congregations assemble every Sunday. The M. E. people cordially invite all that desire to be present at all the services.

Busy Voters.
As we go to press votes have been cast in the respective wards as follows: First ward, 100; Second ward, 200; Third ward, 232; Fourth ward, 180; Fifth ward, 75.

Young Pugnists.
Frank O'Neil and Harry Quick engaged in an altercation to-day on Main street, that might have resulted disastrously had not the police interfered. As it was, it only resulted in the former striking the latter a blow in the face bringing blood and causing quite a severe bruise. Words were used that were decidedly more forcible than elegant and on the whole it was anything but a praiseworthy affair.

Coming Attractions.
The opera house attractions secured by J. P. Young for November and December are as follows:
Nov. 5, "Firemen's Ward" Co.
Nov. 14, Kate Claxton Co.
Nov. 19, Roy L. Joice in "Tom's Vacation," a musical comedy.
Nov. 26, Thanksgiving, matinee and evening performance, Walker Whiteside, tragedian, in Shakespearean plays.
Dec. 2, "The Southerner."
Dec. 9, "Private Secretary" Co.
Dec. 14, "Last Days of Pompeii."
Dec. 19, "Hand of Fate."

For lame back there is nothing better than to saturate a flannel cloth with Chamberlain's Pain Balm and bind it on the affected parts. Try it and you will be surprised at the prompt relief it affords. The same treatment will cure rheumatism. For sale by F. G. Fricke & Co.

"The Firemen's Ward."
This company was here last year and was the opening attraction. It gave fair satisfaction, considering that it was the second stand the company made, and it therefore was not very proficient in all its parts. This year the company comes stronger and better in every way and will give a good presentation of the "Firemen's Ward" at the Waterman next Thursday night, with many new features and specialties, and the great fire scene with special scenery. Secure your tickets now. Price, 75 cents. Everybody will be satisfied with the performance and go home happy.

Miles Nerve and Liver Pills.
Act on a new principle—regulating the liver, stomach and bowels through the nerves. A new discovery. Dr. Miles' Pills speedily cure biliousness, bad taste, torpid liver, piles, constipation. Unequaled for men, women, children, smallest, mildest, surest! 50 doses, 25c. Samples free at F. G. Fricke & Co's.

An honest Swede tells his story in plain but unmistakable language for the benefit of the public. One of my children took a severe cold and got the croup. I gave her a teaspoonful of Chamberlain Cough Remedy, and in five minutes later I gave her one more. By this time she had to cough up the gathering in the throat. Then she went to sleep and slept good for fifteen minutes. Then she got up and vomited; then she went back to bed and slept good for the remainder of the night. She got the croup the second night and I gave her the same remedy with the same good results. I write this because I thought there might be some one in the same need and not know the true merits of this wonderful medicine. CHARLES A. THOMPSON, Des Moines, Iowa, 50 cent bottle for sale by F. G. Fricke & Co.
