PRESIDENT HARRISON'S forthcoming message will be an unusually interesting document.

It has been estimated it will require more than \$700,000 to make the awards at the world's Columbian exposition.

PLATTSMOUTH is ahead of Nebraska City in selecting delegates to attend the Missouri river improvement convention.

If Crisp be elected Speaker Hill will black Cleveland's eye; if Mills secures the plum Cleveland will grind the life out of Hill.

THE more silence Mr. Blaine exhibits regarding the presidential nomination the more unanimous the clamor becomes for his nomination.

BEN BUTLER is again reported seriously ill. The old general rendered valiant services for the Union during the Civil war period; he has been fighting his enemies ever since and is in perfect trim for the final encounter with his last enemy—death.

A MAJORITY of the Ohio democrats have declared in favor of Crisp for speaker. Let it be remembered that Crisp made but two or three speeches in Ohio in the late campaign, while Mills scattered free trade argument broadcast throughout the state.

EDWARD FIELD, son of Cyrus W. Field, through premeditated treachery has been instrumental in completely ruining his father both financially and physically.

IT is indeed encouraging to note the interest taken by the cities and towns of Nebraska in the building up of manufacturing industries within her borders.

A DEMOCRAT who professes to be strictly honest attributes the disastrous defeat sustained by the democrats at the recent Ohio election to the Australian ballot law.

The fight for the speakership goes merrily on. Journal. Yes in all probability Mills' fleshy sides are shaking with laughter, and Crisp and Springer in all probability never had so much fun before.

The democratic organ of this city continues to worry over the proposed recount of the ballots cast at the recent election and professes to see no necessity for such a contest, as it will not materially change the result.

CAN THEY AFFORD IT? The following appeared in the Atlanta (Ga.) Constitution of last Wednesday:

Mr. Mills is a free trader. He made this announcement while he was speaking in the west last year, and he repeated it in a speech made in Cincinnati a few weeks ago in behalf of the democratic party.

Recent experiments in Queensland have shown that mother-of-pearl shells can be made to produce pearls artificially.

Miles Nerve and Liver Pills. Act on a new principle—regulating the liver, stomach and bowels through the nerves.

For many years Mr. B. F. Thompson, of Des Moines, Iowa, was severely afflicted with chronic diarrhoea. He says: "At times it was very severe; so much so, that I feared it would end my life."

Electric Bitters. This remedy is becoming so well and so popular as to need no special mention.

Bucklen's Arnica Salve. THE BEST SALVE in the world for Cuts, Bruises, Sores, Ulcers, Salt Rheum, Fever Sores, Tetter, Chapped Hands, Chilblains, Corns, and all Skin Eruptions.

A Tremendous Barley Farm. "We have now secured 250,000 acres of land in North Dakota for barley farms, and next spring we will send thousands of German emigrants to that state from Ohio, West Virginia and Indiana."

Starting Facts. The American people are rapidly becoming a race of nervous wrecks and the following suggests the best remedy: alphonso Humplung, of Butler, Penn., swears that when his son was speechless from St. Vitus Dance Dr. Miles' great Restorative Nerving cured him.
