ERE is what the manufacturer says in regard to Solid Silver Met T al goods and Solid Nickel Silverware: "There has been a growing demand for years for a grade of Spoons and Forks to take the place of Solid silver and plate ware. We have experimented a great leader, he was considered an able, sincere exponent of the rights of his constituency. While dence in assuring our customers that this ware is inferior to service onhe was thoroughly republican re-garding great national questions, he was preno to follow the dictates of his own constience, even though more hard usage than any other metal; is very tough and hard; will hold its color and will outwear any plateware ever manufactured." All our customers know Rogers' ware by reputation. This firm have manufacriends. Governor Humphrey will appoint republican to fill the vacancy bring the present congress. A
