The Burglar.

It is a positive fact that more ladies and children have been entertained and delighted with "The Burglar" than with any other play of recent years. This is but natural, for not alone is "The Burglar" of a decidedly healthy tone but combines all the sentimental qualities which never fail to win an audience. The character of little Edditha is so beautifully and charmingly conceived that even men feel as if they would like to stand upon the stage for a moment just to hug her.

You can not afford to miss seeing this play next Saturday night.

Thirty-Fifth Anniversary.
 On the 25th day of December 1856, Joshua Gopen came to Nebraska and located on his farm five miles south of this city. On January 8th 1857 he was married to the lady who is now Mrs. Gopen and as yesterday was their thirty-fifth anniversary their friends and neighbors planned a surprise.

Yesterday at noon there assembled about twenty-five couple at the commodious residence, bringing with them baskets well filled with things good to eat. The invaders took possession of the house and set the tables for dinner.

Mr. and Mrs. Gopen were the recipients of a fine set of silverware, consisting of knives, forks, cake-basket, castor, spoons, etc. At a late hour in the afternoon the assemblage disbanded and returned to their respective homes, wishing Mr. and Mrs. Gopen that they might live to enjoy thirty-five more anniversaries. Following are a list of those present:

Messrs. and Mesdames A. B. Taylor, Stephen Wiles, Isaac Wiles, Anderson Root, Jas. Walker, Henry Eikenbary, Nelson Jean, Chas. Jean, Wm. Snyder, Henry Snyder, Wm. Gilmour, R. Dean, Mr. Amick, J. C. Eikenbary, F. Young, Jr., F. Young, Sr., D. Young, Emmet Countryman, Sam Gopen, of Geneva, Nebraska; W. J. Hesser, Wilber Cole, Henry Boeck, John Holmes and Geo. Snyder. In the evening a large party of young people assembled at their home and spent a very enjoyable evening.

For some time past F. H. Ellenbaum has been missing cattle out of his feed yards and has been on the lookout for the cause of it. Last evening he caused a search warrant to be sworn out to search the meat market of R. Bilstein for the hides, but failed to find them. This morning he caused another warrant to be sworn out to search Mr. Billstein's house and cellar. Last evening he replined the beef that Billstein had in his shop and the sheriff took it at 9 o'clock. The trial will come up next Friday. Mr. Ellenbaum claims that one of his men found the head of one of his cattle at Billstein's slaughter house the other day and he now has it in his possession.

SILVERWARE GIVEN AWAY

A Stimulator for Cash Trade to Wide-Awake Persons.

While we appreciate the large amount of trade we are favored with, we still desire to increase our

CASH TRADE

and have completed arrangement in which we have secured large quantities, at first hands, of the celebrated

ROGERS' SOLID NICKEL SILVER PLATEWARE

at such prices that we propose to give them to our many customers believing that we shall increase our trade, as our customers appreciate the fact that we are spending the money we set aside for advertising purposes by returning it to them, believing they will appreciate the gifts and tell their friends, and thereby increase our trade.

EVERY Cash purchase to the amount of \$5 entitles the purchaser to either a Rogers' Solid Silver Metal Butter Knife or Sugar Shell sold by Jewellers at \$1.00.

EVERY Cash purchase to the amount of \$15 entitles the purchaser to a set (6) of Rogers' Solid Nickel Tea Spoons, sold by Jewellers at \$2.00.

EVERY Cash purchase to the amount of \$25 entitles the purchaser to a set (6) of Rogers' solid Nickel Dessert Spoons, sold by Jewellers at \$3.00.

EVERY Cash purchase to the amount of \$30 entitles the purchaser to a set (6) of Rogers' Solid Nickel Table spoons or a set of Solid Nickel Forks, or a set of Tripple plated Knives, sold by Jewellers at \$4.00.

ERE is what the manufacturer says in regard to Solid Silver Metal goods and Solid Nickel Silverware: "There has been a growing demand for years for a grade of Spoons and Forks to take the place of Solid silver and plate ware. We have experimented for some time to attain this end, and are now able to offer the public our Rogers' Metal and Rogers' Solid Nickel Silver. We guarantee this metal superior to any Nickel Silver manufactured and have the greatest confidence in assuring our customers that this ware is inferior to service only to solid silver. It is a beautiful white color, is highly polished and can hardly be distinguished from pure silver. We recommend this ware especially for hotels, restaurants and boarding houses, as it will stand more hard usage than any other metal; is very tough and hard; will hold its color and will outwear any plateware ever manufactured." All our customers know Rogers' ware by reputation. This firm have manufactured plated ware since 1865, and their name is never put on goods that are not of a high grade, so our customer can rest assured that they are getting some very desirable goods when they get goods under their grand. Come in early and secure a share of these goods before it is too late.

We Guarantee our Prices to be the Lowest and Invite Competition.
