Skates away down at Hendees. 3
Sam Shumaker was an Omaha passenger this morning.

Remember Friday, the 22nd. The spelling bee at the basement of the Presbyterian church. 4t
W. A. Derrick, of Omaha came down last night to practice, as he takes a leading part in the sacred cantata.
G. H. McCreath, extra passenger conductor, running out of this city was appointed night yardmaster at Lincoln yesterday.
Mrs. J. P. Taylor and daughter, Nellie, who have been visiting for the past week with friends in this city, departed on No. 5 for Central City this morning.
Wickersham, the jeweler, commenced the work to-day of putting the new court house clock in place and expects to have it in running order in a short time.
M. C. Giles, who has been working in the shops as a machinist, departed on No. 3 last evening for San Antonio, to work for the San Antonio and Aransas railroad.
JAQUETTE FISHER. Mr. Benjamin F. Jaquette, of this city, and Miss Olive Varco Fisher, of Weeping Water were united in marriage at the residence of Elder A. Galloway, the officiating clergyman, January 16.
The winter corn exhibit, held annually under the auspices of the state agricultural society will be thrown open to the public to-morrow. The exhibit is undoubtedly the finest exhibit of corn ever made in Nebraska.
The performance at the opera house last evening was greeted with a good sized audience, notwithstanding the extremely cold weather. The singing was good and Marie Heath carried out her part to perfection.
J. J. Cassidy, yardmaster of the Plattsmouth yards, was called to Lincoln this morning on business. Posey Messersmith is officiating as yardmaster to-day and entertaining the boys around the depot by relating his experience while running the construction train between Falls City and Rulo.
Plattsmouth is likely to have a coal famine. Walter White and H. A. Waterman are both out of coal, but have been expecting coal every day for the past week. Timothy Clark has coal and has a large force delivering it to-day, but his supply will not last long at the rate it was going to-day.
Last night was undoubtedly the coldest for years in this city. At four o'clock this morning the thermometer at the high school building registered 35 degrees below, at five o'clock the thermometer at Phil Harrison's registered 32 and 40 degrees below. Mr. Harrison had one thermometer hanging on the side of the house which registered 32 below and the other he had hanging to a branch of a tree in the yard and that one registered 40 below. At eight o'clock the thermometer at the residence of H. J. Streight registered 30 below and at the residence of F. G. Fricke it was 38 below.

Notice.
The ladies of the Presbyterian church will give a spelling social on next Friday evening the 22nd, in the basement of the church. Admission 10 cents. A lunch will be served after spelling. A cordial invitation is extended to all. 4t
James Wiles Dead.
The announcement this morning of the death of James Wiles, which occurred last night at 11 o'clock, was a terrible shock to his many friends. Very few knew of his sickness, as he had only been sick about nine days. Mr. Wiles was in town two weeks ago, as hale and hearty as anybody, but as before stated, he has been confined to his bed but nine days and died last night of inflammation of the bowels.
Mr. Wiles was about thirty-eight years old; he leaves a wife and three children to mourn the loss of a kind husband and father. Mr. Wiles was a son-in-law of Joshua Gape.

The funeral will occur Wednesday, January 20, at 1 o'clock, from the family residence, five miles south of this city.

Nebraska Lodges Will Give From Their Large Surplus for Eastern Aid.

Members of the Ancient Order of United Workmen throughout the United States will be taxed 65 cents each for the benefit of the Ohio, Kentucky, Colorado, Tennessee and Nevada grand lodges. That is the news brought from Chicago by Rev. J. G. Tate, grand master workman of Nebraska, who attended the meeting of the supreme relief board.

The Ohio jurisdiction called for help to the amount of \$87,895, Kentucky for \$40,985, Colorado for \$29,203, Tennessee for \$32,608 and Nevada \$5,452, making grand total of \$185,325. The relief fund had \$11,000 on hand, which made it necessary to levy an assessment for \$164,325. The notices will be issued February 1 and the assessments must be paid by March 1.

The Nebraska grand lodge has well on to 10,000 members, and its aggregate levy will amount to about \$6,000. Grand Master Workmen Tate says it is quite probable that the whole amount will be paid out of moneys now in the treasury instead of levying a special tax. The general fund of the Nebraska lodge has about \$4,000 on hand and beneficiary fund a similar sum. He will advise the finance committee to take \$3,000 out of each of these funds and defer making the 65 cents assessment until it is needed. He thinks it may not be necessary to assess Nebraska members at all.

The financial committee will meet at Grand Island to-day, and this matter will be considered. The committee consists of Grand Master Workman Tate, Grand Recorder L. A. Payne, of Grand Island, R. W. Laffin of Wymore, J. A. Erford of Beaver Crossing and J. F. Hollowell of Grand Island.

The supreme recorder assured Mr. Tate while in Chicago that Nebraska was the banner jurisdiction in increase of membership, smallness of death rate and condition of finances. At the same time it is one of the youngest.
