

THE CHARM IS BROKEN.

The Ball Team Has at Last Struck a Winning Gait.

HASTINGS VERY NEARLY SHUT OUT.

The Home Team Won Its First Victory Yesterday--Grand Island Beat Fremont and Beatrice Given the Game at Lincoln.

Plattsmouth 9, Hastings 2. The pennant winners went out to the ball park with blood in their eyes yesterday and came back with the scalps of Kohrer's aggregation of pumpkin huskers hanging at their belts.

As predicted in yesterday's HERALD, the team has struck a winning gait and are going to win the next four games.

The base ball club had their mascot on the grounds yesterday. Hank McMaken furnished the mascot by dressing up one of his grandchildren in a base ball suit, and setting him on the players bench.

Myers was very effective, Hastings getting only six base hits and they were scattering.

Hastings failed to cross the rubber until the seventh inning, when they made two runs, while the home team scored in nearly every inning. This was the way it was done.

As usual the home team went to bat first. Green was the first man to face Mr. Johnson, Hastings' left handed pitcher, and he succeeded in cutting three big holes in the air, then retired in favor of Long, who held his bat out in front of the first ball that came along and galloped down to first, stole second and was advanced to third on J. Patterson's out at first. Sam Patterson made a base hit and Long scored. Kennedy and Maupin were each given base on balls. Reeves flew out to Wallick.

Hastings came to bat and Timme hit a grounder to John Patterson, who let it go by. McFarland then came up, and, after attempting to see how hard he could hit space, took his seat. Childs hit a slow grounder and died before he could reach first, while Johnson flew out to Green.

In the first half of the second the home team were out in one, two and three order. Hasting in their half failed to reach first base.

The third was productive of three big runs for the home team. Long went to bat but was caught on a fly to first baseman. John Patterson followed with a corking base hit and went to second on an error. Sam Patterson picked out a good ball and made a two base hit, scoring J. Patterson. Kennedy followed with a drive down to center on which Sam scored. Maupin failed to find the ball, but Reeves hit a high one that was muffed by Shanot and Kennedy scored. Johnson ended the agony for Hasting by fanning out.

In Hasting's half Wallick and Timme fanned out, Childs hit a high one, but Myers muffed it, and McFarland then hit a liner to John Patterson, which he gathered in.

In the first half of the fourth the home team failed to reach first. Hasting got one man to second in their half, but he went no further.

In the fifth Mr. Johnson presented John Patterson with first base; then he was mean enough to steal second while Sam Patterson was fanning out, as also did Kennedy. Maupin found the ball for a base hit, scoring John Patterson. Reeves flew out to Shanot, which ended the scoring. Hastings again failed to see first base.

In the sixth, after Johnson and Myers had struck out, Green was presented with a base on balls, stole second, went to third on an error and scored on a wild throw. Long retired the side by striking out.

In Hastings' half of the sixth McFarland hit safe, Timme flew out to Green, Childs was caught out by Sam Patterson, Johnson hit a sky scraper, which Kennedy failed to hold but before any other damage could be done Clark retired the side by striking out.

In the seventh, after John Patterson and Sam Patterson had fanned out, Kennedy hit safe, stole second, but got no further, as Maupin was out by a fly to Wallick.

Here was where Hastings saved herself. The score now stood 6 to 0 in favor of Plattsmouth. But Mr. McKibben--the boy who had his father prepare an affidavit to the effect that he was underage, in order to declare his contract void with his city--hit the ball for one base, Chanot hit a score but was caught second, Wallick followed with a safe hit, scoring McKibben and Wallick crossing the rubber shortly afterwards. This ended the run get-

ting for Hastings, while the home team made three more runs in the ninth. Following is the score.

AT LINCOLN.

Lincoln won yesterday's game from Beatrice, but the umpire gave it to the latter club. It was this way: In the first half of the seventh inning the score stood 2 to 1, in favor of Lincoln. The ball was knocked over the fence, and, under the rules, the captain of the Beatrice team demanded a new ball, which the manager of the Lincoln team declined to furnish, claiming that the ball he did offer had been accepted, and had been in play earlier in the game. The umpire thereupon gave the game to Beatrice, much to the disgust of the crowd in the grand stand, who failed to appreciate such nice discrimination when their own team was in the lead.

In other respects the game was a fine exhibition of ball playing and equal to any ever played on the grounds. The score:

THE ENTERTAINMENT.

THE BOARD OF EDUCATION MEET.

Plattsmouth to Have a New School Building in the Near Future

--Other News About the City.

The home talent minstrel given at the opera house last night was a flattering success. A large and appreciative audience was present and thoroughly enjoyed the entertainment. The proceeds go towards purchasing new uniforms for the ball team.

The entertainment opened with the regular way for minstrels, with Reinhackle, Williams and John Patterson and Green, Maupin and Holmes as end men, with Jack Reeves in the center, and as end men they are hard to beat. After a song by the entire crowd the end men amused the audience with a few witty sayings.

Harvey Holloway then rendered a solo in a very acceptable manner followed by Chas. Sherman and Chas. Murphy. Each received a merited applause.

Jack Briton in his "fun alone" was good, while the horizontal bar performance by the Wurl brothers and Sam Patterson was exceptionally good.

Frank Maupin sang a song entitled "Lullaby" composed by J. D. Lattimer and was roundly applauded and in return sang the "Dago Song" Maupin seemed to be as much at home on the stage as behind the bat.

Johnson favored the audience with several selections and was the recipient of a beautiful bouquet besides being uproariously applauded.

The quartette composed of C. S. Sherman, Harvey Holloway, Harry Green and Fred Overlander delighted the audience with a well executed song. They were called back and rendered the "calliope" to perfection.

Louis Reinhackle and Harry Green kept the crowd in good humor with several parodies: Here the Hasting base ball team presented "Rack" with a floral tribute.

Harry Green as a song and dance artist is hard to beat. Another of the features of the entertainment was the club swinging exhibition given by Otto Wurl.

The entertainment concluded with a farce entitled a "Cake Walk" in which "Rack" took the part of the tough and Maupin done the fainting act to perfection.

The entertainment will be repeated this evening at the opera house. Those who did not attend last night should go to-night. Prices 25 and 35 cents.

Board of Education.

The board of education held their first meeting last night since the election and organized for the new term.

The meeting was called to order by President S. A. Davis, after which the minutes of the last meeting were read and approved.

The board then proceeded to the election of officers, resulting in L. D. Bennett being elected president and J. L. Unruh re-elected secretary.

The secretary was instructed to correspond with several good architects, asking for plans and specifications for a new school house. The board have decided to build a new school house just as soon as arrangements can be made, and said building not to cost less than \$5,000.

Grand Island came in this morning from Fremont for two games. Yapp and Maupin were in the points for the home team to-day and Hoff and Keefe for the visitors.
