A BUSY SESSION OF THE COUNCIL.

The Council Refused to Confirm Jas. Grace for Chief of Police and B. S. Ramsey for City Attorney—An Interesting Session.

The city council met in regular session last evening at the council chamber. Present, His Honor Mayor Butler, Clerk Fox and Councilmen Longenhagen, D. M. Jones, Herman Spies, M. B. Murphy, F. H. Steimker, J. C. Petersen, J. F. Lake, J. L. Minor and A. J. Graves. Absent, W. D. Jones.

The minutes of the last regular meeting and also of the special meeting were read and approved.

A petition, asking that a sidewalk be laid on the east side of Sixth street from Dey street to Whitman avenue, was read. On motion of Murphy the prayer of the petitioners was granted.

A petition asking that grading on the north side of Marble street, between Twelfth and Thirteenth streets, be done so sidewalk could be put down, referred to the committee on streets, alleys and bridges.

A petition from Joseph Newatny and wife asking that they be exempt from taxes on certain property in the Second ward, on account of the land only being good for agricultural purposes also that they received no benefit from the gas lamps: that there was no outlet from the property and that no one lived on the land except the family. The petition was referred to the judiciary committee.

A petition was read from the G. A. R. post asking the council to make an appropriation of \$50 or what they thought would be right for the purpose of fixing up the graves preparatory to Decoration day. The petition was referred to the finance committee.

Two petitions were then read asking for the appointment of J. R. Denison and Robt. Karnes as policemen. The petitions were numerously signed. They were referred to the police committee.

The police judge reported fines collected for the month of April amounted to \$10.

In a communication from the chairman of the board of health, it was recommended that the council provide a place to be known as the dumping ground. The matter was referred to the police committee with instructions to report at the next meeting of the council.

Mr. Murphy moved that the mayor appoint a committee of three to confer with a like committee from the board of trade for the purpose of devising ways and means for the advancement of the city's interests. The mayor appointed M. B. Murphy, D. M. Jones and J. L. Minor on the committee.

Mr. Petersen moved that the judgment of A. N. Sullivan against the city be paid, but received no second. Murphy moved that it be referred to the judiciary committee.

On motion of Murphy the mayor and clerk were authorized to advertise for sealed bids for lumber for the coming year.

Mr. Steimker was opposed to the police judge holding court in the new room they were about to move into, and moved that the police judge be provided with a suitable room to hold court in. The motion was carried.

Mr. Lake called the attention of the council to the fact that Garfield park should be repaired. Mr. Murphy thought so too and said that he would favor expending about \$700 or \$800 for that purpose.

He also said that there was a landscape gardener in the city and he was in favor of the streets, alleys and bridges committee conferring with him as to the manner of laying out the park in order to make it a comfortable place. Seats and walks are to be put in. The committee on streets, alleys and bridges were instructed to look after the matter.

The street commissioner was instructed to repair culvert on Washington avenue to day.

Attention was called to the fact that every time it rained the residence property of Mr. Coffee on Vine street was overflowed. On motion J. A. Connor was instructed to fill his lot just west of Mr. Coffee's up to grade.

Mr. Lake moved that the judiciary committee look up the street car charter and if the company have forfeited it that the track be ordered taken up.

Mr. Murphy said that the street car matter had been in court for some time, that the sheriff had now offered the property for sale and it would be sold some time this month, and that he knew of a number of men that would buy the property and start the cars in a short time. The matter was finally dropped until after the sale.

Mr. Minor moved that the council adjourn. Jones of the Second told him to wait a few minutes as the mayor had a little business to attend to. The mayor appointed Jas. Grace chief of police and the roll was called. Those voting aye were D. M. Jones, Spies, Murphy, Minor and Longenhagen—5. Nay—Steimker, Petersen, Lake and Graves—4. John Fitzpatrick was appointed and confirmed as a policeman. Those voting aye were D. M. Jones, Murphy, Steimker, Petersen, Lake, Minor and Graves—8. Nay—Longenhagen.

June Black was appointed on the night force. All voted aye to confirm except Steimker and Longenhagen.

George Poissall was appointed street commissioner, all voting to confirm except Lake.

Mayor Butler appointed B. S. Ramsey as city attorney. Those voting to confirm were D. M. Jones, Spies, Murphy, Petersen and Minor—5. Against—Longenhagen, Steimker, Lake and Graves—4. After the vote had been announced mayor Butler told the clerk to record him as voting for Ramsey. Murphy informed the mayor that his vote would only make six votes and furthermore he was not entitled to vote on his own appointments. Grace and Ramsey each needed one more vote to confirm. The mayor appointed F. E. White to the vacancy on the board of health and he was unanimously confirmed.

On motion the council adjourned.

All those who are in debt to the old firm of Weidman & Brekenfeld are requested to call and settle by the 15th of May or the accounts will be placed for collection.

Buy the best and nothing but the best and you will have a Dangler Surprise stove. Hendee sells them.

Lincoln Goes to Kearney. Lincoln has given up her place in the state base ball league, and after this week the team will go to Kearney. The cause of failure to maintain a club there has been the lack of interest as well as the incessant rains and bad weather, which have prevented good attendance at the games. All games scheduled for Lincoln for the remainder of this week will be played, weather permitting. The club will be transferred to Kearney Saturday.

KEARNEY, Neb., May 9.—The question whether Kearney is to have a base ball team this season was practically settled to day by a telegram received from S. C. Coman, secretary of the state league, saying that Kearney may have the Lincoln franchise. Money enough has been raised and Kearney will soon be heard from.

Notice. We wish our patrons to take notice that we will move about the first of next month to the room formerly occupied by J. Finley Johnson. B. BENNETT & TUTT.
