ALVO.

Mrs. Hardy is visiting her daughter, Mrs. Wm. Boyles.

W. O. Boyles, half mile south of town, was aroused about 4 o'clock Sunday by the crackling of the burning barn. They ran to the barn and loosened the horses just in time to save them from burning. All the hay and the building was lost. No clue to how the barn caught fire unless by some tramp, who had slept in it at night and lighting his pipe when ready to leave in the morning was the cause. This is the general impression.

SCROFULOUS BABY

Our Family Physician Recommends Cuticura Remedies, and Says They Cured Our Child.

Father Went 25 Miles to Get Cuticura, and Feels Thankful and Wants Others to Do as He Did.

My child broke out with scrofula when two months old, and we tried everything that the doctor could do. It took out his hair and broke out on his limbs and nose. It was then CUTICURA REMEDIES were recommended by our doctor who attended him, and I know sitting here. The doctor said CUTICURA REMEDIES cured my child, and recommends them for all diseases of the skin and blood. It did not take but one set of CUTICURA REMEDIES. I went twenty-five miles to get them. My child is well and has a fine head of hair as can be, for which I feel thankful to you, for my wife is in bad health. I have recommended CUTICURA REMEDIES to others. Print this if you think it will cause any person to do as I did.
D. F. PENSON, Langley, Pike Co., Ark.

I am the doctor that recommended CUTICURA REMEDIES to D. F. Penson. I have known them to cure several bad cases of skin and blood diseases, and I say they are good.
