The first correct answer re-
ceived, the post mark date on each

HALF YEARLY COMPETITION,
The Most Interesting Contest Ever
Offered by The Canadian Agricul-
turalist.

One thousand dollars in cash, a
pair of handsome Shetland ponies,
carriage and harness, and over two
thousand other valuable prizes for
the Agriculturist's brightest readers.

Who will have them? According
to the general custom for some
years past the publishers of the
Agriculturist now offer their sixth
half yearly literary competition.

This grand competition will, no
doubt, be the most gigantic and
successful one ever presented to
the people of the United States and
Canada.

One thousand dollars in cash will
be paid to the person sending in
the largest list of English words
constructed from letters in the words
"The Canadian Agriculturist".

The new style of writing "im-
punctuated letters" certainly can-
not be called the fad of the period.

According to the census of 1890
Chicago takes rank, by virtue of her
population of 1,095,556 people, as the
eighth largest city on the globe.

Most of us desire, at one time or
another, to visit a city in which so
many persons find homes, and,
when we do, we can find no better

than the "Burlington Rite".

Three fast and comfortable trains
daily. For further information ad-
dress the agent of the company at
this place, or write to J. Francis,
General Passenger and Ticket
Agent, Omaha, Nebraska.

Good millet hay for sale by J. C.
Eikenberry. Leave orders at the
Herald office.

Five hundred dollars will be given
to the second largest list.

A handsome pair of Shetland
ponies, carriage and harness, will
be given to the third largest list.

Over one thousand additional
prizes awarded in order of merit:
One grand piano, \$300 organ, \$400
piano, dinner sets, ladies' gold
watches, silk dress patterns, por-
tire curtains, silver tea services,
Tennyson's poems bound in cloth,
Dickens' twelve volumes bound in
cloth, etc.

As there are more than 1,000 priz-
es, anyone who takes the trouble to
prepare an ordinarily good list will
not fail to receive a valuable prize.

This is the biggest thing in the
competition line that we have ever
placed before the public, and all
who do not take part will miss an
opportunity of a life time.

RULE—I. A letter cannot be used
otherwise than it appears in the words
"The Canadian Agriculturist". For
instance the word egg cannot be used
as there is but one 'g' the three
words. 2. Words having more than
one meaning, but spelled the same
can be used but once. 3. Names of
places and persons baraded. 4. Errors
will not invalidate a list—the wrong
words will simply not be counted.

Each list must contain \$1 to pay
for six months' subscription to the
Agriculturist. If two or more tie,
the list which bears the earliest
postmark will take the first
prize and so on in order of merit.

United States money and stamps
taken at par.

The object in offering these mag-
nificent prizes is to introduce our
popular magazine into new homes
in every part of the American conti-
nent.

Every competitor enclosing 30cts
in stamps extra will receive free by
mail, postpaid one of the Agricultural
magazines, take no substitutes, of value
and 6 cents postage in letter, and we will send, sealed
by return mail. Full sealed particulars in
clothes to ladies and gentlemen.

Pond Lily Company,
No. 2 Fisher Block, Detroit, Mich.

will be found palatable, refreshing
and beneficial. This extract keeps

test climate. Be sure and get
