Senator Thurston will speak in Lincoln on Monday night. He has been requested to come to Plattsmouth on Tuesday evening, but no response has yet been had.

Plattsmouth is quite a popular rendezvous for Harlequin towns on Saturdays and Sundays, quite a number coming down each Friday evening in order to spend their spare time in a live town.

C. E. Wescott was able to attend to business at the store today, after an absence of several days, during which time he was confined to his home with the popular malady, la grippe.

The editor of THE NEWS is at Weeping Water today attending the county convention. The large crowd which went over this morning via the B. & M. will return on the M. P. this afternoon at 6 o'clock.

The "Rozzel-Dazzel" club enjoyed one of its Friday evening sessions at the home of F. M. Ritchey last night. A very interesting evening was spent at the game from which the club's name is derived, during which time "light" refreshments were served.

As a result of last night's wind storm several out buildings in the city were blown over, and branches of trees twisted off. Peter E. Bouffner was seen at an early hour this morning coming down town to see if any great damage had resulted to his political fences, but upon making the rounds found everything in good shape—not a board having been molested.

MONDAY.

Miss Amelia Valley is home from Chadron on a visit with her parents.

Dal Jones and wife were down from Omaha yesterday for a brief visit with relatives.

Capt. Barnes is down from Denver for a visit with Charley Sullivan and other friends in this city.

W. Clark, the Greenwood attorney, and Walter Palling are in town today attending court.

W. Schlieske was married by Judge Archer Saturday evening to Mrs. Anna Emily Loise Wilde.

Joe Fetzer got in nearly a car load of hogs and hoes this morning. Look out for his ad in THE NEWS this week.

Miss Mabel McLaren returned to her home at Louisville Saturday after a pleasant visit in this city with Miss Minnie Sharp.

John Kalsch, one of the popular cigar-makers, is happy as a lark over the arrival of a new girl baby at his house last Saturday.

Miss Blanche Eviand, of Murdock, returned home Saturday after a pleasant visit of a few days with her friend, Miss Gertrude Bosson.

Supt. Bignall, superintendent of bridges Olson and Colonel Woodring of the Burlington were in the city on company business today.

Elder Wood and wife departed this afternoon for Oregon with the hope of benefiting the elder's health, which has been very poor for some time.

Kate Spencer filed a divorce suit by her attorneys, Byron Clark and C. A. Rawls, vs. Frank Spencer, charging him with wilful desertion.

Mrs. W. W. Street and son were in town yesterday on their way home to Oak Oak from Lincoln. They were the guests here of Grandma M. A. Street.

Nick Holmes has let the contract for rebuilding his barn to John Robbins, which insures a good job. The building will be 40x80, making it one of the largest in the county.

Mrs. W. E. Shroyock, Miss Kittie Cummins, Mrs. Joseph Potzer, Mrs. William Schmidtman, Miss Kaubie and several other Plattsmouth ladies visited the metropolis today.

Ben Elson, the clothier, has rented the room now occupied by Coleman, the jeweler, next to Doyoy's, and will move in as soon as Coleman packs up and ships his goods to Denver, which will be the last of next week.

Alderman J. F. Hinshaw, of the Second ward, had his chances for reelection augmented by the arrival of a new girl at his home last Saturday. John was such a good little smile now that everybody wants to vote for him, and he will win easy.

C. S. Sherman and wife came in yesterday for a visit with relatives in this city. C. S. resumed his duties on the State Journal and Mrs. Sherman, having secured a week's holiday from her school duties at Crete, will remain over until next week.

It is not true as currently reported that "Jimmie" Newell has joined the Pomeroy family of travelling musicians. The lithograph which has been taken for Jimmie is not him.

The German theatre and ball at the Turner hall on Washington avenue last evening was largely attended and a most enjoyable time was had by those present. The hall was crowded from early in the evening until after 12 o'clock. The Turner boys are good entertainers and always see to it that their guests are nicely treated.

Judge Ramsey received a telegram this afternoon from his sister, Mrs. Dr. Waterman, who resides near Rushville, Neb., stating that the doctor could not recover and was very low. The judge will adjourn court at once and leave for Rushville on the first train in the morning accompanied by his brother, John Ramsey of Eight Mile Grove.

Promises Worth Accepting. In 1896—the 70th year of its publication—The Youth's Companion promises more varied attractions for its readers than ever before, and the promises of this old favorite with the public are worth accepting, for they are always more than fulfilled.

Articles will be given from three Cabinet Ministers, a feature which has never been equalled by any other publication; the Princess Louise, daughter of Queen Victoria; the Lord Chief Justice of England; Four Admirals; Speaker Reed and Justin McCarthy, the famous home-ruler, are among the prominent names on the list.

Among other announcements are four Serial Stories, each of which will make a good-sized book when completed; a series of personal articles describing "How I Served My Apprenticeship," by Maj.-Gen. Nelson A. Miles, Andrew Carnegie, Frank Stockton and others; fascinating stories of travel, and the usual carefully prepared "departments" which every Companion reader enjoys.

Send \$1.75, the price of The Companion for one year, and enjoy each week the fulfillment of the promise of the paper for 1896.

To all of its new subscribers, and to all those renewing their subscription, The Companion sends a very handsome Calendar lithographed in nine colors, each of four pages, containing a picture representing one of the seasons of the year. Address The Youth's Companion, 195 Columbus Avenue, Boston, Mass.

On account of hard times, and in order to encourage orchard planting, I will furnish to responsible parties on three years time, good first-class apple trees. Plant now; do not wait; two years after trees are paid for they will very probably pay for themselves. Enquire of, or address,

WILL T. RICHARDSON,  
Mynard, Neb.

A Good Thing. J. W. Campbell of Glenwood has an arrangement for sharpening the discs on disc cultivators and harrows that is very simple yet quite ingenious. Every farmer ought to have one. Apply to agents or at J. W. Hondes hardware store in Plattsmouth. Mr. Pollard down near Nehawka used one of these sharpened disc cultivators last spring on some raw prairie which was thoroughly pulverized without use of plow and was put in corn, raising a splendid crop. Get it sharper and it will quickly pay for itself.

English Spavin Liniment removes all Hard, Soft or Caloused Lumps and Blemishes from horses, Blood Spavins, Curbs, Splints, Sweeney, Ring-Bone, Stiffles, Sprains, all Swollen Throats, Coughs, etc. Save \$50 by use of one bottle. Warranted the most wonderful Blemish Cure ever known. Sold by F. G. Fricke & Co., druggists, Plattsmouth.

On long time and on short notice at low rate of interest, on good Cass farm land. Enquire at First National bank, Plattsmouth, Neb.

growing time.

That boy!—  
A little lad, all fun,  
A little chap, all coat,  
A round cipher, not knowing  
whether the stroke will  
go up and make him six,  
or down, and make him nine.  
It's growing time with him.  
He is burning up fat. This fat must be in as constant supply as the air he breathes.

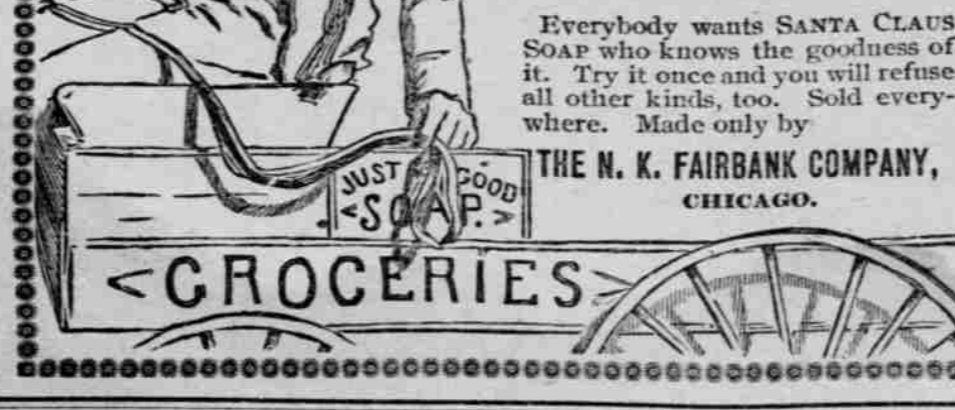

It has got to come from somewhere. If it does not come from his food, it must come from fat stored up in his body. He steals it and you say "He's getting thin—he's growing so fast."

Scott's Emulsion will take that boy, set his digestion at work, re-build that body. His food may not make him fat—Scott's Emulsion will.

Be sure you get Scott's Emulsion when you want it and not a cheap substitute.
