CITY BREVITIES.

WEDNESDAY
Tuesday, April 7, was very chilly for an April day.
Posey Messersmith says he will sit up with Elder McKay for a few nights until he fully recovers his equilibrium.
Willie Baird returned to Bellevue this morning to take up his studies, after spending the Easter holidays in this city.
Chas. Seymour came up from Nebraska City this morning to get a bill of exceptions allowed and signed up by ex-Judge Chapman.
J. V. Egenberger, sr., started this morning for a trip up the Loupe river to look at some of the rich farming land in the famous Loupe valley.
The paper collition given by Ivy lodge at Waterman's hall Saturday evening was well attended, considering the amount of political interest that existed on the street. The music and dancing was nice, and the supper of excellence.
The Willow Springs distillery has got out of the clutches of the trust, and it is reported will be started up the first of the month under the ownership of P. E. Her. This will furnish a great market for Nebraska corn, and will be of benefit to Omaha and the state.
A team belonging to one of the Horn boys, while securing a load of lumber for Nick Holmes' barn, which was being taken from a car on the B. & M. track here, got frightened and ran away. The front bolster of the wagon was smashed and the harness broken to pieces. No serious injury was done to the team.
THURSDAY.
A. L. Timlin the Weeping Water attorney is in the city today.
T. Frank Wiles is home from an extended trip down to Missouri.
Dr. J. A. Hasemoer and M. D. Ruby of Louisville are in town today.
H. N. Doney went over to Sidney, Fremont county, Iowa, today on business for the First National bank.
O. B. Polk, of Lincoln, was in the city yesterday on his way to Dakota county, where he tries an important law suit today.
Mr. Oakley of Lincoln returned to his home after a visit here with Geo. Guild who accompanied him back to the Worthington Military academy.
Sept. Rathburn, of the M. P., and party spent two or three hours in Mynard yesterday with a view of putting in an operator and increasing the stock yards.
Mrs. Rosaline Condon of Pawnee City, president of the W. R. C. for Nebraska, is the guest of Mrs. H. C. McManis today. Mrs. Condon is one of the workers at the capitol tonight.
The river, which has been on a rampage for several days, fell one foot and seven-tenths since yesterday morning, and will doubtless get down to its summer stage before the June freshets begin.
J. H. Thrasher will be in the police judge's office Thursday evening and Friday so that those against whom his holds claims can call and settle if all who have been notified do not show up, the claims will be put in judgment at once.
The Easter dance to be given by the young people tomorrow evening, which will wind up with a banquet, promises to be quite a social event. The banquet will be given at the Perkins house and not at the Rialto, as incorrectly stated Monday.
Twenty-eight members of the Modern Woodman lodge in this city went to Cedar Creek Tuesday night, where they were royally entertained by the lodge there, and banquet was given the Plattsmouth contingent, which is reported to have been especially nice in all its appointments. The crowd did not return home until nearly 3 o'clock the next morning.
A Good Thing.
J. W. Campbell of Glenwood has an arrangement for sharpening the discs on disc cultivators and harrows that is very simple yet quite ingenious. Every farmer ought to have one. Apply to agents or at J. W. Henders hardware store in Plattsmouth. Mr. Pollard down near Nehawka used one of these sharpened disc cultivators last spring on some raw prairie which was thoroughly pulverized without use of plow and was put in corn, raising a splendid crop. Get a sharpener and it will quickly pay for itself.
