CITY AND COUNTY.

SATURDAY.

D. C. McEntee went to Omaha today to help Mr. Cones out at the Hotel Delone during state fair week.

A. L. Becker one of the staunch republicans from Liberty precinct was in town today and made THE NEWS a pleasant call.

Mrs. Chas Ends and little daughters went to Lincoln on the morning train and will spend the day with the former's mother.

Fred Etheredge of Greenwood, a cousin of Bert McElwain, who was in attendance at the Endeavor convention, is an over Sunday guest of the latter.

Lute Boedecker of Louisville was in the city yesterday and had Dr. Cook perform a surgical operation for piles, which resulted in great relief for him, he having been a severe sufferer.

Billy Stitzer, who was employed in Henry Boeck's furniture store for several years, came down from University Place wheel yesterday. He is running a repair shop at that place.

Rev. F. H. Freund arrived home last evening from a delightful trip with Mr. Quearean up through the Black Hills and across Yellowstone Park. He left Mr. Q. at Sheridan, Wyoming.

Most of the Grand Army boys who were in attendance at the reunion at Lincoln returned home last evening and are highly pleased with the meeting. It was well attended and everybody had an enjoyable time.

Quite a number of people went to the fair on the morning train and several more went on the afternoon train. The gentle shower of last night served to lay the dust and make it very pleasant for those who attend the fair.

The two sisters of Mrs. Briggs, Miss Belle and Elsie Ozbun who have visited here, will be married next Wednesday evening at the home of their parents in Salem, Ia. Mrs. Briggs and sister Mrs. Tomlinson, expect to be in attendance.

County Treasurer A. R. Eikenbary returned home last evening from a brief, though pleasant, visit up at Hot Springs, S. D. He found Mrs. Wm. and Mrs. Henry Eikenbary there recuperating nicely with the effect of climate and medicinal waters.

Miss Kate Wharton, who is well known to a great many of Plattsmouth young people, having taught short hand here about four years ago, was married in Lincoln Thursday to Mr. Wallace Crandall. They were both employed in the district clerk's office.

The young friends of Thomas Keppel planned and successfully carried out a surprise party on him at the home of his parents on South Fifth street last evening. A large crowd was in attendance and the evening was thoroughly enjoyed by the young people.

Frank Green returned yesterday from Northern Iowa, where he has been acting as agent for the World-Herald. He expects to go up into the Black Hills country the first of the week to act in the same capacity. Of course Mr. Green is confident (?) that Bryan will carry the day in Iowa.

Dan McCallen, Alex Clifton and K. E. Fogarty are among the Havelock contingent who are in the city laid up for repairs. McCallen had the misfortune to get a piece of steel in one of his eyes and Fogarty gets up and down the street by the aid of a cane as a result of a sprained ankle. Alex Clifton has been in the "lack shop" for about ten days, the hot weather having about worn him out.

Everybody so inclined up in the second ward can smoke ten cent cigars for a week, at Joe McMaken's expense, on account of the arrival of a six pound girl and a seven pound boy at his residence this morning. Dr. Cook was there and can testify that none got away. Uncle Henry McMaken only regrets that the boy can't vote for McKinley this fall, but he shouts lustily for him anyway.

Wes Barr, who makes a practice of getting a larger load of "the oil of everlasting happiness" on board than he can handle when he comes to town, was in the city yesterday serving out a sentence. Coon Valley, his employer, came to town yesterday and paid his

fine and secured his release, stating that he needed him to run his threshing machine engine. Barr is a good man and is all right as long as he stays away from town.

MONDAY.

John O'Rourke of Kansas City, a former Plattsmouth boy, is visiting with the family of Asher Clark in this city.

Miss Mary Reuther and her two sisters from Deadwood are in the city visiting Mrs. Joe Droeger and other Plattsmouth friends.

Plattsmouth people to the number of twenty-five or thirty drove over to Glenwood yesterday to inspect the \$150,000 fire at the feeble minded institute.

The Hardy Herald says there are miles and miles square of good corn and oceans of feed everywhere about there, and about one Russian thistle to where there were ten million last year.

The first fall invoice of emigrants came in from the east this morning, consisting of ten covered wagons with good horses and plenty of household goods. Nebraska is all right, and the eastern people seem to be finding it out.

In district court this afternoon Judge Sullivan offered for filing a bill of exceptions for the Morrissey case. Attorney Clark objected on the ground that the legal time in which the bill of exceptions could be filed had already elapsed. The objection was sustained.

J. W. Wainscott brought a sample of his peaches in today that, for seedlings are the nicest we ever saw. One of the largest was 8 1/2 inches in circumference. This seems to be a great year for peaches, and no doubt prices will place this choice fruit within the reach of every body.

A license was issued Saturday to Andy Graham, aged 44, and Ketta Price, aged 38. The happy couple were married yesterday afternoon at one o'clock at the residence of the bride's brother, James Price, down on the "Island." The groom is a prosperous farmer on the Iowa side of the river, where the happy couple will begin housekeeping.

John Denson was in Glenwood Sunday and reports that John Goodin, who committed a brutal assault upon old man Stearns, from the effects of which he died, and who is now in jail with a charge of murder hanging over him, is going insane. By those who are best acquainted with Goodin it is thought he is feigning insanity.

A Housing Meeting.

J. L. Root, Jake Beeson, Pete Evland and Chas. Bobbitt drove down to Union Saturday evening, where a rousing republican rally was held. Prominent speakers from Nebraska City were present and entertained the large audience present with an able discussion of the issues of the campaign. J. L. Root made a strong argument in favor of republicanism and a sound currency. John Davies being present in the audience was called upon and made a brief speech. A McKinley club with a large membership was organized.

Another Man Found Guilty

Hajekiah Elliott, tried in district court Saturday on the charge of adultery was found guilty by the jury and Judge Ramsey sentenced him to pay a fine of \$20, with costs of prosecution, amounting to \$120, and 30 days in jail. As he has no money or friends he will have to lay it out in jail, requiring about 90 days. He has been in jail six months, awaiting trial, which will make his penalty severe, rather than light.

oxygen starvation

You can starve the body in more ways than one; you can give it food and not feed it. It needs oxygen. The oxygen you get from the air is carried to all parts of the body by the red corpuscles of the blood. One drop of blood contains millions of these. When these are deficient in blood, we call it poor blood, and it shows itself in general weakness, lack of appetite, and loss of weight. What you want is something which will make more red corpuscles.

Scott's Emulsion

of cod-liver oil, with hypophosphites, is something more than an oil. Its peculiar action depends on a number of substances—active principles—which will increase the red corpuscles of the blood.

Beatty's Organs and Pianos.
Hon. Daniel F. Beatty, of Washington, New Jersey, the great Organ and Piano manufacturer, is building and shipping more organs and pianos than ever. In 1870 Mr. Beatty left home a penniless plow boy, and by his indomitable will he has worked his way up so as to sell so far, nearly 100,000 of Beatty's Organs and Pianos since 1870. Nothing seems to dishearten him; obstacles laid in his way, that would have wrecked an ordinary man forever, he turns to an advertisement and comes out of it brighter than ever. His instruments, as is well known, are very popular and are to be found in all parts of the world. We are informed that during the next ten years he intends to sell 200,000 more of his make; that means a business of \$20,000,000, if we average them at \$100.00 each. It is already the largest business of the kind in existence. Write or call upon Daniel F. Beatty, Washington, New Jersey, for catalogue.
