INFORMATION AND OPINIONS.

Bourke Cochran the orator prominent, will speak in favor of sound money at the coliseum in Omaha Monday evening next, and it is said 300 people from this city will go to hear him.

George W. Bonnell, city passenger and ticket agent of the B. & M., is working up an excursion to Canton, Ohio, for the purpose of giving the citizens of Nebraska an opportunity of calling on Major McKinley. It is said that Mr. Bonnell has been urged to take the matter in hand by a large number of Nebraskans who desire to pay their compliments to the next president by visiting at his home. It is Mr. Bonnell's desire to obtain a rate so low that everyone who desires to make the trip will be enabled to do so, and it is probable that the round trip may be made at the low figure of \$8.—Lincoln Call.

Some of the postoffice employees were threatened with convulsions yesterday upon perceiving a gentleman with buckwheat and millet seed in his whiskers tuckled the artesian well in the government square. The rustic took an immense swallow of the sparkling fluid and nearly choked to death. After spluttering around like a harpooned whale for some minutes he examined the cup, thinking that some miscreant had played a joke on him by putting salt in the receptacle. He saw nothing in the cup, but would not trust it again, so he made a bowl out of his two hands and again took a large mouthful of the water. The effect was the same as before, but the immediate result was the explosion of a large and choice collection of rural adjectives.—Lincoln News.

In a recent letter to the manufacturers Mr. W. F. Benjamin, editor of the Spectator, Rushford, N. Y., says: "It may be a pleasure to you to know the high esteem in which Chamberlain's medicines are held by the people of your own state, where they must be best known. An aunt of mine, who resides at Dexter, Iowa, was about to visit me a few years since, and before leaving home wrote me, asking if they were sold here, stating that if they were not she would bring a quantity with her, as she did not like to be without them." The medicines referred to are Chamberlain's Cough Remedy, famous for its cures of colds and croup; Chamberlain's Pain Balm for rheumatism, neuralgia, sprains, etc.; Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. These medicines have been in constant use in Iowa for almost a quarter of a century. The people have learned that they are articles of great worth and merit, and unequalled by any other. For sale here by all druggists.

Apples For Illinois.

Mr. Hadkinson, secretary of the State Horticultural society, is very desirous of having Cass county furnish some of her choice apples for the Illinois state fair. Any fruit left at this office before Friday will be promptly forwarded to him.

Eli Hill, Lumber City, Pa., writes: "I have been suffering from Pile for twenty-five years and thought my case incurable. DeWitt's Witch Hazel Salve was recommended to me as a pile cure, so I bought a box and it performed a permanent cure." This is only one of thousands of similar cases. Eczema, sores and skin diseases yield quickly when it is used.

Mr. and Mrs. E. W. Black were visitors in Omaha and Council Bluffs today.

Sour Stomach

Stomach, sometimes called waterbrash, and burning pain, distress, nausea, dyspepsia, are cured by Hood's Sarsaparilla. This it accomplishes because with its wonderful power as a blood purifier, Hood's Sarsaparilla gently tones and strengthens the stomach and digestive organs, invigorates the liver, creates an appetite, gives refreshing sleep, and raises the health tone. In cases of dyspepsia and indigestion it seems to have "a magic touch."

"For over 12 years I suffered from sour Stomach with severe pains across my shoulders, and great distress. I had violent nausea which would leave me very weak and faint, difficult to get my breath. These spells came oftener and more severe. I did not receive any lasting benefit from physicians, but found such happy effects from a trial of Hood's Sarsaparilla, that I took several bottles and mean to always keep it in the house. I am now able to do all my own work, which for six years I have been unable to do. My husband and son have also been greatly benefited by Hood's Sarsaparilla—for pains in the back, and after the grip. I gladly recommend this grand blood medicine." Mrs. FETTER BURNETT, Leominster, Mass.

Hood's Sarsaparilla is the One True Blood Purifier. All druggists \$1. Hood's Pills cure all Liver Ills and Sick Headache, 25cents.

GOLD OR SILVER.. WE TAKE EITHER

TREASURY notes, bank notes, silver certificates, all silver coins of the United States government, the gold coin of every country on the globe, from the smallest "apera comique" kingdom to the greatest nation on earth, at face value, and Mexican dollars at bullion value are all interchangeable at our store, and the buying qualities of each are inflated to the highest extreme. Each and every individual dollar buys more and brings better results than ever it did before since the dollar mark was first invented. Bring your silver, bring your gold, bring your greenbacks, bring your nickel, bring your pennies.

...A Harvest of Bargains...

Blooming like a flower garden with fresh blossoms and new buds every day. Conditions are such that never in the history of merchandising have we been able to collect such array of seasonable goods at such low prices for good value as the present season. We will turn dull days into busy ones by bringing forth the good things and telling you about them. An honest fact goes much farther than a false statement. It has always been our aim to follow an honest business policy. When you read a statement made in this or any other space you can depend upon it being the truth. We advertise only what we have and exactly as it is, unlike some Omaha dealers who fill their ads full of adjectives, all of the superlative degree, lurid with misstatements, such as "worth \$4.29 for 98c;" lying to the public about what they are going to do; fairly alive with humbugery, tommy-rot, gammon and spinach and all the rest. The man who wrote the ad says within himself, "I'm a success! it takes me to fool the people." That right, my friend, you've done it; there's no getting away from that; you've fooled them fast enough; but kindly recall to your mind these memorable words of the lamented Lincoln. "Let's see, how does it begin?" "You can fool all of the people some of the time, and"—well, you know the rest, but you should remember the old Scotch proverb. "If a man beats me once, shame on him; if he beats me a second time, shame on me."

Ladies heavy ribbed, fleeced lined shirts and drawers that generally sell at 35 cents a garment, for 19 cents each.

Children's heavy underwear at 74 cents for size 16; 10 cents for size 18; 124 cents for 20's and a 24 cent rise for the larger numbers.

INDIVIDUALITY.

Most shoes, like many people, lack individuality. They are of the ordinary type. There's nothing particularly pleasing about them; they are good enough and poor enough. It is not so with our shoes, which, in every seam and line, bare a distinctive character—a personality, as it were, of their own.

There are shoes and shoes—there are shoes you want and shoes you don't want. When you need shoes, our shoes are the shoes you want. Special sale of Children's school shoes this week.

Last Evening's Concert.

Owing to the inclement weather the audience which greeted Chas. Keefe, Miss Collins and Miss Bates at the Presbyterian church last night was far from what the merits of the entertainment warranted.

Miss Collins certainly has a lovely soprano voice and her singing would rank with that of the very best artists that have ever visited this city. Her voice showed much culture and its volume and sweetness in the higher notes was certainly phenomenal.

Miss Bates, the elocutionist, is a charming young lady of fine appearance and with much natural ability. Her selections were specially well rendered, but it seemed a pity to waste talent on some of the pieces which were given. Charles Keefe, the pianist, showed considerable improvement and is without question a splendid pianist. The trio expect to spend a few weeks in a tour of the state and we have no doubt of their success as it is fully deserved.

A Select Dancing Party. In honor of several young ladies who have been visiting friends in this city, and who were about to depart for their home—a select dance was given at Waterman's hall last evening.
