CITY AND COUNTY.

SATURDAY. District court has adjourned to next Saturday.

Will Gillespie the Myard grain buyer took in 104 loads of corn Thursday.

Thomas Walling and Miss Margaret O'Rourke will be married September 24, according to the bans of the church published last Sunday.

H. C. McMaken has gone to Alliance on a duck hunt. We will have roast duck when he returns or there will be an ice famine next summer.

Mrs. L. J. Mayfield and the little Mayfields drove to Plattsmouth Thursday afternoon and are visiting with J. M. Grace and family.—Louisville Courier.

Cochran, the gas and electric light superintendent, had his horse fall on him yesterday, from which he received painful though not serious injuries.

Will Peterson, continues to be possessed of a wrong sort of mascot. After laying off nursing injuries, he went to work again at the shops, and before night he mashed the end nearly off one of his toes.

George Guild leaves this evening for Lexington, Mo., where he will enter the Wentworth military academy, one

of the best of military colleges for mental and physical training. George is a studious boy and we shall expect to hear good reports of him.

Will White and sons, Eddie and George, departed yesterday afternoon on a two week's visit at Mr. White's old home at Ann Arbor and Detroit, Mich. Will deserves recreation and we trust he may find the trip a pleasant one.

Mrs. John Weborg had a novelty today in the shape of a night blooming cereus in full bloom, a phenomenon we never heard of before. The plant invariably blooms from 10 to 12 o'clock at night. The plant has four more buds which will bloom tonight.

The supreme court yesterday reversed Judge Chapman's decision in the case of the Livingston Loan and Building association vs. W. W. Drummond, holding that there was no usury in the claim, the full amount of which becomes a lien upon the property.

The vandal who entered the law office of D. T. Havelock, unlocked his safe and mutilated his books the other night should be hunted down and punished. A more cowardly, despicable act can scarcely be imagined than the wanton destruction of books or property of that kind of special value only to the owner.

Hi Upton of Union was attending to business in the city today.

Judge B. S. Ramsey departed for Nebraska City this morning, where he opened the Ouse term of court.

Chief Westcott visited this morning for Lincoln, where he will take up his studies at the state university.

Mr. and Mrs. John Thompson are rejoicing over the arrival of a baby boy which came to their home yesterday morning.

Mary Kreck of South Omaha returned to her home this evening after a week's visit in this city with friends and relatives.

Rev. D. A. Youtzy departed this morning for Bloomfield, Neb., where he expects to conduct a series of revival meetings.

J. D. Graves, of Albin, Tex., who was formerly engaged in the lumber business in this city, is here for a visit with his brothers, A. J. and C. L. and Charles at Union.

It is reported in the city today that

baby bones

are soft, so soft they scarce can be called bones in the earlier years; gradually they harden, and furnish the frame which supports the growing body. The hardening comes from what chemists term "the mineral substances."

When these are absent we have "Rickets"—a lack of bone-tissue, which shows itself in delayed teething, profuse head-sweats, and later, if not arrested, malformations and deformities.

Such a baby needs lime for its weak bones and cod-liver oil for its fat-starved body. Scott's Emulsion of Cod-liver Oil with Hypophosphites of lime and soda will give its little body the needed fat in an easy form.

Be sure you get Scott's Emulsion when you want it and not a cheap substitute. Scott & Bowne, New York. All Druggists. 50c. and \$1.

F. A. Campbell of Elmwood has been appointed by the Methodist conference in session at Hastings to the pastorate of the Methodist church in this city.

Charles S. Sherman has accepted a position as compositor on the Lead City, S. D., Tribune and departed this evening for his new field of duty. His friends in this city wish him success.

Ed Schulhof came down from Havelock Saturday to visit with relatives over Sunday. Ed has been transferred from the Havelock shops to Denver and will enter upon his new duties this week.

Mrs. M. S. Briggs and Mrs. A. H. Tomlinson returned yesterday morning from a three week's visit at their former home near Salem, Ia., at which place they witnessed the marriage of their two sisters. Mrs. Briggs visited several points in Iowa during her absence. Mr. Briggs, father of M. S. returned home with them.

He Was An Early Riser. Uncle Jake Vallery came to town early this morning in search of a young man who had been in his employ for some time in the capacity of cook and who arose this morning before anyone else and taken a leave of absence without going through the formality of tendering his resignation. When Mr. Vallery arose he discovered that he was minus a pocket book containing \$30. He described the young man as being tall and slim and about twenty-two years of age, but did not know his name. He did not get any trace of him.

Taken Up. A black male hog with white points, at my farm 34 miles north of Murray. The owner can have same by proving property and paying costs.
