The Woman's club held the first regular meeting of the season last evening at the home of Mrs. James Herold, where artistic decorations and a hearty welcome greeted every member. Each lady present told how she had spent her vacation and the books she had read. Some had been to the mountains, some to other cities and some to the country, while one stayed at home, cooked her husband's dinners, darned his socks and spanked his children. A number of good books had been read, and many of the ladies had informed themselves on the financial issues of the day.

THE FLOAT CONVENTION. Stephen W. Orton, of Weeping Water Named By Republican. The republican float convention convened at McKinley headquarters last evening, says the Nebraska City Press. Wm. Bischof called the meeting to order and on motion Henry Boeck of Plattsmouth was elected temporary chairman and E. A. Brown secretary.

On motion of Mr. Pool the delegates present were allowed to cast the full vote of the convention. The temporary organization was permanent and nominations being in order, Sheldon of Cass in a neat speech named S. W. Orton of Cass. C. W. Hoge of Otoe in an eloquent little speech named H. H. Fass. H. C. Freeman seconded the nomination of Mr. Fass, and Pool of Cass seconded that of Mr. Orton.

After some discussion on the manner of voting the roll was called and Cass county gave 26 votes for Orton while Otoe cast 21 for Fass. On motion of Mr. Fass the nomination of Mr. Fass the nomination of Mr. Orton was declared unanimous. Mr. Orton being called for thanked the convention for the honor and promised to work faithfully for the interests of Cass and Otoe counties.

As Sized Up By Palmer. St. Louis, Oct. 3.—Senator John M. Palmer, national democratic candidate for president, was at east St. Louis Friday for an hour. He arrived from the east with his wife and son, and waited for the train to Springfield, his home. When asked about the outlook, he said: "Illinois will declare for sound money and law and order by a good majority."

"Do you expect that the Palmer-Buckner ticket will carry Illinois?" "No, I did not say that. McKinley will carry Illinois, and the true democracy will be in the saddle in 1900."

"How about Cook county, where both the McKinley and Bryan managers claim a plurality of 50,000?" "I think the figures are too high. An estimate of about 30,000 for McKinley in Cook county would be about right."

"How about Altgeld?" "Forman is making a vigorous fight for governor, and his work is telling. I expect that Forman and his sound money democratic state ticket will poll more votes in Illinois than the ticket I head votes for president."

"You predict, then, the defeat of Altgeld and the entire silver ticket in Illinois?" "Most certainly I do."

A Matrimonial Room. The following licenses to wed were issued by Judge Spurlock today: Henry Wessol and Mary P. Baier, Nehawka; Wm. Bennett and Miss Anna Laura, Anna Crouse, Missouri; George W. Anderson and Cora Belle Dimmitt, Elmwood.

Time to Loosen the Purse Strings. And get ready for the fall buying. This store has not arrived at its present stage of usefulness by chance. There's no luck or speculation about this business; it isn't the result of fortunate circumstances, but downright honest, hard work—work wherein your interests as consumers have been carefully studied at every corner and turn. Our business friends today number into the thousands. They know us, and they have confidence in our merchandise and methods of doing business. If you don't believe all this, visit the store during the coming week. We're going to officially open the DRESS GOODS, KID GLOVE and CLOAK DEPARTMENTS. Note the throngs of satisfied buyers in each section, and you'll believe that there's friendship in business, for we look upon every customer who leaves a dime or a dollar in this store as a business friend.

The Dress Goods Opening Week in Garment Room.

Rods, racks, tables, shelves piled high with the cream of Cloakdom. The result of careful selection. Never let your cloak wander from this store, for we're equipped to serve you to your utmost satisfaction. Cheap? Yes, but it's price cheapness only. Everything else about our garments is top notch—style, fit, materials, make, finish, all of the very best. Slop-shop rubbish finds no abiding place in this progressive department.

Time to buy Blankets.

We jump the jobber here; save you his profit. Straight from mill agents come these great masses of fleecy warmth and comfort. No better time to buy than now. Special—500 pair 10x14 Cotton Blankets at 50c a pair, worth 75c.

Shoe Department.

In our shoe department you will find the largest stock of shoes in Cass county, exclusive shoe stores not excepted, and we sell more than any two stores in the county put together. Why? The reason is self evident, it is merely because we sell them the cheapest. There are shoes and shoes, there are shoes you want and there are shoes you don't want. When you want shoes, our shoes are the shoes you want. When you get ready to buy Arctics, Felts or Rubbers we are ready to serve you better than any place in the vicinity, as we bought our Rubber goods early and secured an "inside" price below the rubber trusts combination price.

A great many people are prone to quote Omaha prices, but we will state to the people of Cass county that we stand ready to meet any legitimate, bona fide prices that Omaha dealers may offer, and you will find on your entire bill, we will save you money as we do not cut on one item and try to make back on another, as that is not any way of doing business. Customers who have been dealing with us for the past twenty or thirty years will testify to this fact.

the whole oil You look at cod-liver oil. It is so much oil or fat. But the chemists come along and tell us that in that oil are united, in almost invisible form, most valuable medicinal agents, and that the fat of cod-liver oil is only one of its merits, and that no process of medical skill or chemical science can unite these peculiar properties with oil as they exist in nature. This is why there can be no substitute for cod-liver oil. When you get Scott's Emulsion you get the whole oil divided into tiny little particles, digested, and ready to be taken up into the system. The hypophosphites which are combined with it are valuable tonics, increasing the appetite, strengthening the nerves, and restoring vitality in the weakened system. When you ask for Scott's Emulsion and your druggist gives you a salmon-colored package with the picture of a man and fish on it—you can trust that man with your prescriptions! 50 cents and \$1.00 SCOTT & BOWNE, Chemists, New York.
