Scott's Emulsion makes cod-liver oil taking next thing to a pleasure You hardly taste it. The stomach knows nothing about it-it does not trouble you there. You feel it first in the strength that it brings: it shows in the color of the cheek, the rounding of the angles, the smoothing of the wrinkles.

It is cod-liver oil digested for you, slipping as easily into the blood and losing itself there as rain-drops lose themselves in the ocean.

What a satisfactory thing this is-to hide the odious taste of cod-liver oil, evade the tax on the stomach, take health by surprise.

There is no secret of what it is made of-the fish-fat
