GRADUATES GIVEN A RECEPTION.

Mr. and Mrs. Dovey Prove Themselves Excellent Entertainers.
The members of the graduating class who took part in the "Scrap of Paper" entertainment given a few weeks since, were last night entertained in a most delightful manner by Mr. and Mrs. George E. Dovey. The guests present are unanimous in the declaration that it was the most elegant reception and banquet ever given to the members of a graduating class from our city schools. Mrs. Dovey assisted the class in their preparation of the play, and gave this reception in recognition of the courtesy and expressions of gratitude extended to her by the class.
Elegant refreshments were served, and the Misses Elizabeth and Ella Margaret Dovey presided at the punch bowl. Souvenirs of the play in the form of kodak pictures of the players in costume and in positions assumed in different scenes of the play, artistically mounted, were presented to each guest, and afforded no end of amusement. The players vote Mrs. Dovey a member of the class, and pronounce last night's meeting the most pleasurable of their high school experience. The class color—red—prevailed in the house decorations, and was also present in red roses, red neckties and red ribbons.
Members of the class present were Misses Myrtle Keefer, Mabel Unruh, Gertha Kennedy, Myrtle Levings, Gertrude Foxwell, Louise Smith and Messrs. Charles Newman, Roy Dodge, John Boswell, Myron Elson, Albert Fricke and Bill Westcott. The guests were Miss Allie Whenton, Miss Beulah Elson, Miss Antonia Kessler and George Spurlock.
Another Burglary.
The residence of Samuel Parker, living south of town on the Rock Bluffs road, was entered by burglars the latter part of last week and a number of things stolen, among them being a lady's gold watch and chain, a gentleman's open face watch, a coat and vest, a pair of pants, two white shirts, one fine bosom shirt, four collars, and a square leather pocket book containing three five-dollar bills, twenty two-cent stamps and three cents in change. A thirty-two calibre revolver was also among the articles taken.
The authorities have been at work on the case, but as yet have obtained no clue to the thieves. It was evidently the work of professional crooks.
Opelita at Sheridan, Wyoming.
The following, from the Sheridan, (Wyo.) Post will interest Plattsmouth people:
Tuesday evening several of our townsmen and their ladies partook of the first meal given at the Hotel Towns. While Mr. Opelita made no special effort as he did not expect many, there was quite a crowd who enjoyed the supper and had nothing but praise to offer in behalf of the manager and the service in general. Mr. Eugene Opelita is acting as clerk, and by the way, he is well adapted to the position and has filled the same place recently at the Windsor hotel at Lincoln. Several of our business men have already engaged rooms and it looks as if the hotel would do a thriving business, and we hope it will.

A prompt use of this medicine has often abated long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, Constipation, Dizziness, yield to Electric Bitters. 50c and \$1 per bottle at F. G. Fricke's drug store.
