

### PLEASING MUSICAL ENTERTAINMENT.

#### Second Anniversary Exercises of the L. M. L. A.

A Large Audience in Attendance At the Hall. And Every Number on the Program Received With Hearty Applause—Ice Cream And Cake Served After the Conclusion of the Program.

The members of the Loyal Mystic Legion of America maintained their reputation as entertainers last evening at their second anniversary exercises in White's hall, which was comfortably filled with an appreciative audience.

The impromptu song by Mr. Eigenbrodt, extolling the beauties of the order, was received with storms of applause. There is more good material to the square inch in Mr. Eigenbrodt than he ever before received credit for.

Rev. W. J. Howard of Glenwood, Ia., delivered a short address for the good of the order, he being district deputy for the order in the western part of Iowa.

Ida Pearman sang a vocal solo very sweetly, and was enthusiastically applauded.

The song, "Mary of Argyre," was well-rendered by Mrs. H. W. Pitt of Omaha. A single performance is sufficient to demonstrate the fact that she has studied because of love for the art. Her ease in sustaining tones is noteworthy, and freedom from ostentation very commendable. She gracefully responded to an encore.

The recitation of "The Brave Cabin Boy" by Miss Nettie Waybright called forth the applause it merited, while Dr. Humphrey also found himself under a pressing request for a second solo on the flute.

Edna and May Peterson sang "In the Starlight." These little girls have sweet voices, and show careful training and great taste for music, and with Charlie Peterson, played a trio on the piano which pleased the audience very much.

The duet, "Larboard Watch," sung by Messrs. Ebinger and Lutz, was rendered with great taste, and later Mr. Ebinger sang "The Idol of My Heart," which was well received.

Prof. Beck rendered a violin solo in his usual pleasing manner, and his string orchestra deserves high praise both for the taste displayed by the various members and the manner in which they played their parts.

Ice cream and cake was served to all in the C. A. R. hall adjoining, which was enjoyed for its special delicacy.

The committee desires to express their sincere thanks to those who were instrumental in making their entertainment a success, and particularly to the High school band, who played several pieces to a delighted audience.

#### Wedded Forty-Two Years.

Forty-two years ago yesterday in the Buckeye state, Allen Beeson and Miss Eliza F. McDonald were married.

They afterwards moved to Iowa, and seventeen years ago they moved to this county, where Mr. Beeson has built up an enviable reputation as a lawyer. Last evening several of the neighbors and friends of Mr. and Mrs. Beeson called at their cozy home in the north-west part of the city and enjoyed a most pleasant social evening. Mr. Beeson related happenings of the early days replete with interest and of course told a few stories as he sometimes does. Nice refreshments were served and a delightful evening was spent. THE NEWS, in common with their multitude of friends, wishes Mr. and Mrs. Beeson many more happy anniversaries of their wedding day.

#### Doing a Grand Work.

Rev. Fred Warren, formerly of this city, is now doing evangelical work in Thayer county, and in speaking of him and his work, the Hebron Journal says:

"We have been having revival meetings at Liberty for the past two weeks. Elder Warren of Nuckolls county, as evangelist, who is a very fluent and interesting speaker, has been doing a grand work for the Lord. Last Sunday Elder Warren baptized twenty converts, and Wednesday are something marvelous. People attend them from distant points in the county, and so interesting are they that the young men leave both business and pleasure to attend."

In a letter to relatives in this city Fred states that when he completes his meeting at that place he has called to conduct three more meetings in different parts of the county.

### PROSPERITY RETURNING.

#### A Million Dollar Packing House to Be Erected at South Omaha at Once.

While several of the great packers have houses in South Omaha, one of the largest and wealthiest firms in the United States has heretofore confined his operations to Chicago and Kansas City, that of P. D. Armour & Co. Armour is called king of the packers. He purchased nineteen acres of ground, and it is said will build a plant at once at a cost of one million dollars, which will furnish employment to 2,000 men. The bringing of so much capital to Nebraska is a great event for western people.

The location of this plant, however, will be of greatest good on account of the improvement it will make on the market, with the increased demand for Nebraska hogs and cattle.

Preliminary work has already begun, and ere long the McKinley wave of prosperity will be so strong that the voice of the croaker and malcontent will be hushed.

The sugar factory, to cost with machinery, a full half million dollars, is also an assured fact for South Omaha, which seems just now to be at the head of the procession.

#### An Excellent Song Recital.

A large number of friends of the Plattsmouth members of Miss Lillian Terry's class in vocal music went to Omaha yesterday to attend the recital given in St. Mary's Avenue Congregational church. Everyone in attendance was highly pleased with the entertainment, and especially with the progress the Plattsmouth members had made, the rendition of their parts being the equal of any on the program.

The members of the class from this city are: Miss Clara Street, Miss Ella Clark, Miss Dora Swearingen and Mrs. T. P. Livingston. Mrs. J. K. Keithley of Weeping Water is also a member and performed her part in a creditable manner last night. There were twenty-eight numbers on the program, the whole being listened to with the utmost interest.
