

Great July Clearance Sale of CLOTHING..

As a general thing July is the dullest month in the year, but we are going to change the program this year. While our sales have been good this spring, our collections have been very bad. Money has been hard to get hold of and the time has come when we must have it. Our stock is in good shape, but we intend to "trade dollars," as it were, by giving you Clothing, during July, at cost, or below for

CASH AND CASH ONLY.

We cannot afford to sell Clothing at such prices and charge it on the book. Therefore, when you come, come with the CASH. This sale not only includes our Childrens, Boys' and Men's Clothing, but our entire line of Furnishing Goods.

Children's all wool suits at \$1.50, \$2 and \$2.50; Boys' all wool suits at \$3, \$3.50, \$4 and \$5; Men's all wool suits at \$5, \$6.50, \$8 and \$10. You can hardly appreciate these prices until you have examined the goods. No cotton field material in these suits. The wool is from "woolen sheep." Remember, this sale lasts just one month.

EAST PLATTSMOUTH NOTES.

Andy Graham is harvesting his wheat. His crop is excellent, probably the best in this part of the county.

A young man from Plattsmouth with a good-sized jar on his head was making this place hedious with his howls on Sunday evening. It is a pity we have no protection of the law here.

T. R. Birdsall continues to remain very poorly. Mrs. Geo. Walker, of Greenwood, Neb., is attending his bedside. Mr. Birdsall is so badly paralyzed that he is helpless and cannot survive long.

Wm. Brown met with quite a painful accident last week. He and Mr. Fields were moving an old stable when in some manner a scantling struck him on the hand, cutting an ugly gash. At last accounts he was slowly improving.

The house of W. H. Benscoter of this place was burned Wednesday night. Mr. Benscoter was moving to Whiting, Ia., and had just taken part of his household goods with him. What was left, consisting of a sewing machine, bureau, a set of chairs and other articles were consumed with the house. The loss will be keenly felt by Mr. Benscoter as he is a poor man.

It is generally thought to be the work of an incendiary as this is the third fire that has been on the same ground in the past eight years.

Young Good had called to take Miss Marrow to a social and just as he was getting into the buggy, the girl's father opened fire with the above result. The murderer then shot at his daughter, but his aim was bad and she escaped unhurt. Dr. Johnson was summoned and as he appeared, Marrow shot at him without effect. He then took a dose of poison and is not expected to live.

Weekly Practice. The Plattsmouth Gun club holds a weekly tournament every Thursday evening on the river bottom near the depot, when each member's skill is tested by the saucer shaped objects of clay, which are sent whirling into the air by a trap, and the sportsmen shoot them as they dart up and away with a bird-like motion. Considerable skill is required to hit them, but some good scores are made at each meeting. The following is the official score for last evening:

THAT OLD FUR GARMENT Is worth almost as much today as the day you bought it; but you don't know it. As long as the hair is on the skin it is GOOD. Moth eaten or worn spots can be taken out without even showing a seam.

The only question is what can be done with it. Its out of style and worn. Maybe it needs new lining, or should be stylishly trimmed. The old coat would make a beautiful full sweep cape, and capes are just the thing this season. There's that old fur garment you haven't worn for years, because it is all "fagged out." Why, that will make a beautiful collar; just the thing for fall and spring wear. Then just look at that garment. It is entirely "gone up." The hair stands the wrong way on it and it is worn and matted. "Is no earthly use." Well, it does look bad, but by the process of glazing the fur is brought out and cleaned and then, when remodeled, it is like new.

During July and August of this year, we will make a specialty of ALTERATIONS and REPAIRS. Our system of measurement is such we can fit you as well by mail as by personal measurement. We make NEW FUR and PLUSH GARMENTS to YOUR ORDER. ALL WORK GUARANTEED. Write to us.
