Robbed in Daylight. Bandits robbed the southbound Rock Island passenger train and all its passengers at 11 o'clock yesterday forenoon at Minco, in the Indian territory. The railroad and express officers have feared a hold-up in that section for several weeks, and armed guards have been put abroad all trains at El Reno and carried through to Chickasaw. It had not been thought that the outlaws were bold enough to attack a train in midday. This morning the trainmen were completely surprised and they were not prepared to offer any resistance when five masked men came upon them at the lonely siding.

The few women passengers were not compelled to give up their valuables, and Rev. Mr. Roe, one of the passengers who was sick, was not asked to leave the coach.

Jim Wright of Minco showed a disposition to resist when the bandits ordered hands up. They shot one of his ears off to prove to his satisfaction that his bravery was ill-advised. His hands immediately went up. No one else was injured.

Those who believe chronic diarrhoea to be incurable should read what Mr. P. E. Grisham, of Gan's Mills, La., has to say on the subject, viz: "I have been a sufferer from chronic diarrhoea ever since the war and have tried all kinds of medicines for it. At last I found a remedy that effected a cure and that was Chamberlain's Colic, Cholera and Diarrhoea Remedy. I bought a bottle of it and used it and in a few days I was cured. I have since recommended this excellent remedy to anyone afflicted with a cough or cold in any form. The Chamberlain Liberty, Liberty town, N. Y., has the 25 and 50 cent sizes for sale by all druggists.
