### CITY AND COUNTY.

THURSDAY.

Dr. Ha't departed today on a business trip to Texas. He will be gone a few weeks.

Con Sears came in today from Cedar Creek on business, and made THE NEWS a pleasant call.

Mrs. O. J. Smith received the sad news yesterday of the death of her oldest brother, M. A. Paugh, of California.

Henry John Behms of Avera, aged twenty-seven, and Elizabeth Meyer of Weeping Water, aged nineteen, took out a license today to wed.

Robert Theodore Frane of Rushville, Mo., aged twenty-three, and Miss Maude Emily Roberts of Union, aged nineteen, were married by Judge Spurlock today.

Robert Gilliam, residing on Chicago avenue, has three children who are reported ill with diphtheria. The attending physician, however, informed us this morning that they were all better.

A marriage license was granted today to Frederick William Nolting, aged twenty-eight, and Miss Wilhelmina Steppat, aged nineteen, both are from this city. Miss Steppat is a daughter of Martin Steppat.

After a practical test at the Perkins House made at great expense, it has been learned that Charles Nivot, Johnny Phillip and Marshall Fitzpatrick are poor hands to send after lemons, as they are liable to bring something not down on the bill of fare.

No musical entertainment ever given in this city pleased the public quite so well as that of the Ottumwa quartette. In response to many inquiries, Professor Farley has finally secured a date here with the quartette and the evening of April 4 they will beat the Presbyrian church.

The doll carnival under the auspices of St. Mary's Guild of the Episcopal church will be the event of next week. There will be novel entertainments, such as guessing on the scripture cake, fortune at the Christmas tree, and the mysterious grab bag that will yield up a wealth of nice things to the lucky one who tries his depths. Further particulars will be given later.

WEDNESDAY.

The Burlington fast mail, which is rarely late, was reported two hours behind schedule time today.

If you want to know where to go to get bargains in holiday presents scan the columns of THE NEWS.

Superintendent Hawksworth, of the motive power department of the B. & M., made a business trip to Havoclock yesterday.

Read Lehnhoff Bros' ad, and when you call and see their splendid assortment and low prices, you can't help purchasing.

John W. Reusser of South Bend precinct was attending to business before Judge Spurlock today, and made THE NEWS a pleasant visit.

J. H. Kleiser and Marve Bushnell, two rustling young farmers from South Bend precinct, were in town today paying their taxes, and took occasion to say THE NEWS a pleasant visit.

A. Jacob Beeson is home from Creston and will probably remain here. Creston is a good town, but a young man to get a foot hold there in the law practice would have to enjoy the patience of Job.

Charles Hay, brother of our register of deeds, has been recommended by Congressman Stride or postmaster at Weeping Water. The appointment will be made as soon as the president returns from Canton. He also recommended a new postmaster for Douglas in Otoe county.

It has recently leaked out that the party which drove to Greenwood with a four-horse team a few weeks ago from this city to attend a Christian church convention were taken for a Wizard Oil troupe when they arrived in town, and were given quite an ovation by the small boys who followed them around some time before the mistake was discovered.

### Rheumatism Cured in a Day.

A few weeks ago the editor was taken with a very severe cold that caused him to be in a most miserable condition. It was undoubtedly a bad case of la grippe, and recognizing it as dangerous he took immediate steps to bring about a speedy cure. From the advertisement of Chamberlain's Cough Remedy and the many good recommendations included therein, we concluded to make a first trial of the medicine. To say that it was satisfactory in its results is to put it very mildly, indeed. It acted like magic and the result was a speedy and permanent cure. We have no hesitancy in recommending this excellent Cough Remedy to anyone afflicted with a cough or cold in any form. The Banner of Liberty, Libertytown, Maryland. The 25 and 50 cent sizes for sale by all druggists.

### How to Prevent Pneumonia.

At this time of the year a cold is very easily contracted, and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfactions.—Oziah, Ind. Ter. Chief.

This is the only remedy that is known to be a certain preventive of pneumonia. Among the many thousands who have used it for colds and la grippe, we have never yet learned of a single case having resulted in pneumonia. Persons who have weak lungs or have reason to fear an attack of pneumonia, should keep the remedy at hand. The 25 and 50 cent sizes for sale by all druggists.

### Popocatecalt Wit.

"A republican paper thinks that Kansas will go o. p. next time if the grasshoppers do not fuse with the popocatecalt. If it is the grasshoppers that our republican friend fears," remarks the Falls City News, "then he can rest assured that Kansas is all right, as under the gold standard silver produce has become so cheap that a grasshopper would not condescend to eat it. In proof we cite the fact that in 1873-6, when it became known that silver had been demonetized the grasshoppers took wing and have not been heard of since."

### Delays are Dangerous.

Many of your friends, or people whom you know of have contracted consumption, pneumonia or other fatal diseases by neglect of a simple cold or cough. Foley's Honey and Tar—a safe, sure and pleasant cough medicine—would have saved them. It is guaranteed. Smith & Parmele.

### IN PLATTSMOUTH'S SOCIETY CIRCLES.

Presbyterian Aid Society Entertained By Their Pastor.

Our Theatre Goers Spend an Enjoyable Evening at White's Opera House, Where They Are Entertained by a Company of Clever Artists—Other Happenings of the Day.

From Thursday Daily.

The ladies of the Presbyterian Aid were entertained most delightfully at the home of their pastor, Rev. J. E. Baird, yesterday afternoon. The ladies worked busily from 2 until 4 o'clock. After a short business meeting, coffee, cake and fruit was served. This departure from the usual routine being something of a surprise, was much enjoyed and will make this particular sewing society a pleasant memory. A large proportion of the members and a number of guests were present.

The Aid society will meet next week with Mrs. Agnew, something novel in the way of entertainment will be provided, of which further notice will be given.

Greeted By a Large Audience.

White's opera house was comfortably filled last evening, and all were pleased with the entertainment. The Kirk company has a staff of fine artists, all of whom are deserving of much praise. "Midnight Watch" was the best last evening.

Tonight the company appears in the great three-act farce comedy, entitled "Dark Shadow." As this is the best popular piece show company which has visited this city for many days, it is safe to predict that the opera house tonight will be even more thronged than during the two previous evenings. The specialties alone are worth the price of admission.

Looking Over the Treasurer's Books.

E. P. Hovey, an expert accountant of Lincoln, is in the city and will spend a few days looking over the books of the county treasurer. Mr. Hovey will begin his investigation of the records from the time W. H. Cushing held the office. It is considered by many as a move on the part of the county commissioners in securing the services of an expert, not only to avoid a possible error, but it will prove the efficiency and competency of the present incumbent.

Death of Amelia Wurl.

Miss Amelia Wurl died this morning after an illness of one year. She was stricken with paralysis last Christmas day and never recovered therefrom. She died at the home of her sister, Mrs. Henry Marten, in this city. Miss Wurl was past fifty years of age, and she leaves to mourn her death two brothers, B. Wurl of this city, and Richard Wurl of Bloomington, Ill., and two half brothers, at Stanton, Neb. Miss Wurl was well known here where she had hosts of friends.

Notice of the funeral will be given tomorrow.

A Queer (?) Medicine.

There is a medicine whose proprietors do not claim to have discovered some hitherto unknown ingredient, or that it is a cure-all. This honest medicine only claims to cure certain diseases, and that its ingredients are recognized by the most skilled physicians as being the best for Kidney and Bladder diseases. It is Foley's Kidney Cure. Smith & Parmele.

Take Off the Horns.

The undersigned is now ready with a good portable chute and tools, to remove the weapons of horned cattle at 10 cents per head for a herd of cattle, 25 cents for a single animal. It never gets cold to dehorn cattle. Any time after fly-time, until the first week in April is the right time. After that it is too late. If those who wish to have such work done will address me at Rock Bluffs, Neb., they will be promptly answered.

S. L. FURLONG.

Harris Taken to the Pen.

Sheriff Holloway, who is bringing to a close his two years' term as sheriff of this county, took Harris, the colored burglar, to the penitentiary yesterday, which makes the fourteenth man sent up since the beginning of his term, a record that has never before been equaled. If McComb could be found he would probably round out the number to fifteen.

Is your liver tired? Does it fail to do duty? If so, don't neglect its call for help. A few doses of Horbine will save you a spell of sickness. Horbine is the only perfect liver medicine. It cures Chills and Fever. 75c.

### IN THE COURTS.

District Court.

In the case of First National Bank vs. Meyer Bannerman & Co., suit in replevin, tried to a jury yesterday, a verdict was rendered for plaintiff to whom right of property was given and damages were assessed at one cent. The special findings of the jury, however were of such a nature as to almost guarantee a reversal in the supreme court.

McCormick & Bets. vs. Jas. W. Cary has been on trial all day. This is a suit to recover several hundred dollars on notes given way back in 1873. A judgment was obtained against defendant over twenty years ago and this suit is an effort to revive the judgment.

The two-year-old child of Charles Houser of Dubois got hold of a can of lye and drank a portion of it, badly burning his mouth and throat. For a time his life was despaired of, but by prompt attention the effects of the lye were overcome and the little one is getting along nicely.

Mr. C. M. Dixon, a well known merchant of Pleasant Ridge, Fulton Co., Pa., has a little girl who is frequently threatened with croup, but when the first symptoms appear, his wife gives her Chamberlain's Cough Remedy, which always affords prompt relief. The 25 and 50 cent sizes for sale by all druggists.

### LITERARY NOTES.

Mark Twain's new humorous story, which he is now writing in Vienna, is to go to the Ladies' Home Journal, which magazine has also secured F. Marion Crawford's new story, which is a tale of the unreal, with the striking uncanny title of "The Death Smile."

Clara Morris, the emotional actress, is writing a series of short stories based upon incidents of her own life. The first of these, called "John Hickey, Coachman," is to be published in the January Ladies' Home Journal, and shows all the marks of an experienced story-writer. Yet it is the actress' first story.

After hearing some friends continue all praising Chamberlain's Colic, Cholera and Diarrhoea Remedy, Curtis Fleck of Anaheim, California, purchased a bottle of it for his own use and is now an enthusiastic over its wonderful work as anyone can be. The 25 and 50 cent sizes for sale by all druggists.
