

REV. O'NEAL'S LECTURE.

THE FRENCH REVOLUTION ABLY DISCUSSED BY THE LECTURER.

Largest Audience Ever Assembled in the Methodist Church Listened to His Interesting Remarks.

Dr. O'Neal delighted a crowd at the M. E. church last evening with what may fairly be considered the best lecture ever delivered in this city. Mr. O'Neal is a scholarly gentleman of pleasing address and his ideas about Napoleon and his time were clothed in charming language that never failed to interest the splendid audience that had assembled to hear him.

It may be worth something to know that the very best medicine for restoring the tired out nervous system to a healthy vigor is Electric Bitters. This medicine is purely vegetable, acts by giving tone to the nerve centers in the stomach, gently stimulates the Liver and Kidneys, and aids these organs in throwing off impurities in the blood.

CAREER OF A PRINTING PRESS

History of the Press Used in the Old Herald Office for Many Years.

J. W. Cox, Hank Hubbard and L. C. Todd were last week called upon to pay a \$500 note, which they had guaranteed in payment for the printing press, bought several years ago, by H. G. Race, at the time editor and publisher of the Eagle.

There was never any payments made on the note, and when the Eagle suspended publication Mr. Todd took possession of the press and sold it to Ed Greenfield, who printed the Regulator on it during its life of a few months. The press was then moved to Plattsmouth and sold to G. F. S. Burton, publisher of the Tribune, but like Greenfield and Race, Burton made no payment on the old "Fair Haven."

Nothing Like It Was Ever Seen in Plattsmouth Before.

Dr. Potter and staff of the medical institutes of Philadelphia and Crawfordsville, Ind., lectured to a large audience last night.

The doctors are graceful and forcible speakers and held the large audience in close attention while they explained the theory and usefulness of their wonderful discoveries.

The doctors then called for cripples on crutches. O. Guthmann, who had walked on crutches and canes for six years, had a broken leg, after the leg healed, that giant disease, RHEUMATISM, set in, was unable to walk except on canes and with pain and stiffness, went forward. He was operated on for twenty minutes with medicines and walked off home free from pain and stiffness.

To say that the vast audience was astonished and wild would be putting it mildly. The doctors were warmly congratulated. It seems like a dream but it is real. Ministers and doctors were in the audience and seemed as much pleased as any.

They treat successfully the following diseases: Big Neck, Bladder and Kidney diseases, Bowel complaint, Dropsy, Debility, Heart, Liver and Nerve diseases, Rheumatism, Scrofula, Loss of Manly Vigor, all Female diseases, Sore Legs, all Eye and Ear diseases, all Throat and Lung diseases, and all kinds of Chronic diseases.

Piles and Cancers cured without use of knife. Office at Hotel Riley from 9 a. m. to 9 p. m., this and next week daily. Consultation free. The treatment is medicine and skill. Will not visit any other town in the county. All wishing treatment must come to Plattsmouth.

January 22 positively the last day in Plattsmouth.

Four years ago I contracted a severe case of catarrh. Several physicians tried to cure me. Dr. Shipman cured me with pleasant remedies, and there has been no return of the disease.

Talk About Diamonds Their brilliant glitter scarce outrivals the polish you can put on a Murziloff shoe. Good leather, well-tanned leather,—that's the reason. It does more than shine— it wears, it fits, it "feels good" whether you walk across the street or across the continent. It's a shiner, a stayer, a soother. Costs money? Of course—not as much as you'd think, though. Put one on and give its tongue a chance to talk. You'll do the talking after you've worn a pair and we'll sell a lot more.
