THE populists are pushing J. Clem cessful. Deaver for the gubernational nomination and since most of the democratic leaders concede that if there is to be fusion on the state ticket next fall, the populists are entitled to the governor's place, it makes Mr. Deaver a very prominent candidate. He would certainly be a much stronger man than Holcomb, and his nomination would not give the republicans a walkaway like that of Edmisten, Holcomb or some of the other candidates.

JERRY SIMPSON took up valuable time yesterday to state in congress that Chairman Dingley wore a hat made in London. Dingley denied and said his hat was made in New York. If the tariff champion wants to wear a foreign-made hat and line. will pay a big tariff to the government for the privilege, we have no objection. Its the fellow who wants foreign goods to come in free so he can buy them cheaper than the home product that we object to.
