THE COLD WAVE FREEZES IT UP. A Few Items of Minor Importance—Death of Little Miss Geisler—Snyder & Co. Receive a New Safe.

The sudden and decided change in the weather last night put a quietus on business today and made news gathering a laborious task. Yesterday the weather was warm and spring like, but about 8 o'clock last night the wind suddenly veered to the northwest and the mercury crawled down forty degrees in that many minutes.

Plattsmouth is noted for its good concerts, and the one to be given on next Tuesday evening will doubtless be no exception to the rule. The concert is to be given by Mr. Carl Tucker, a new singer here who has become quite popular considering the short time he has been located here.

Helen Margara, the little daughter of Mr. and Mrs. Robinson Geisler, who have been residing in Omaha of late, died early this morning of stomach trouble after a brief illness. She was one year old, a bright sweet child dearly beloved by its parents.

INFORMATION AND OPINIONS.

Montana and the Dakotas have conducted themselves with strict regard to the proprieties all winter, never having hatched a blizzard of any size. Our good opinion, however, has been shattered by the present spell of weather which is awful for the time of year.

A man was killed at McPaul Saturday night by jumping from a moving train. He alighted on his head and crushed his skull. He wanted to get off, but the train did not stop so jumped.

The lake covering 120 acres near Memphis, which was made by Armour of South Omaha for securing ice, is said to afford the best duck shooting to be found in this part of the state. Records at the state house show that the legislative investigating committee has drawn all of the \$10,000 at its disposal except \$199.79, but in fact the committee has spent nearly \$400 more than the legislature authorized. This was covered up by having several salary claims of committee employees paid from another fund, the one set aside by the legislature for prosecution of civil and criminal cases by the attorney general.—Lincoln News.

John C. Watson of Nebraska City has instituted suit for \$25,000 against Wm. Hawke, son of the late Robert Hawke, J. H. Catron, Logan Engart, Geo. W. Hawke, E. K. Bradley and M. E. Catron, all of that city. The plaintiff sets out in his petition that he has a contract with Wm. Hawke whereby he is to have one half of all monies received from the estate of the late Robert Hawke by setting aside his will. He avers further that Hawke has refused to pay him any money for his services and that the other defendants are aiding Hawke to secrete the monies received and defraud the plaintiff. It will be a hard fought case.

Report is Delivered. Key West, Fla., March 21.—Judge Advocate Marix of the court of inquiry came ashore this afternoon, accompanied by an armed orderly, from the Iowa, who carried a bulky package of official documents which he handed to Admiral Seward. It is believed the documents are the full findings of the court of inquiry. Lieutenant-Commander Marix refused either to deny or confirm, but an officer from the Iowa said the documents were the long-expected report on the Maine disaster. The papers were immediately examined by the admiral. It is presumed if these documents are the report they will be taken to Washington tomorrow by Lieutenant-Commander Marix.
