Get Off the Earth.

Just as well be out of the world as to be out of fashion is an old and trite saying. It applies aptly in many things but in nothing quite so apt as regards one's clothing. One cannot appear well, feel comfortable and look dresy with a suit of clothes on which fits very much like a gunny sack over a fence post. A suit or trousers made by a tailor is a thing of beauty and exceeding joy. While they cost a trifle more than a good hand-me-down or eastern so-called custom made (in sweat shops) the fit is so much more satisfactory and the service so much better that you will always get better value for your money. We carry a large assortment of suiting and pantings. Cleaning and repairing neatly done. J. C. PEAR, Merchant Tailor, Bank of Cass County Block.

Doveys' Prices.

Doveys have been in business here for more than a quarter of a century and never have they sold shoddy or inferior goods in all these years. It will pay you to read their ad and inspect their goods.
