The NEWS is always pleased to publish church and society notes, parties etc. free of cost, but would ask our friends to bring them in as early in the morning as possible. It is often very inconvenient to insert notices brought in late in the day. There is certainly no reason why these notices could not be gotten in early and thus accommodate the printer. Please bear this in mind. The Christian Sunday school and C. E. society held a very pleasant social at the residence of Mr. Peter Bates on Washington avenue and Seventh street last night. There was a large attendance of members and friends everyone was highly entertained without money and without price. B. F. Goodman superintendent was master

We are told that Mr. Hunter said he was never in better health in his life. Dovey's Prices. Doveys have been in business here for more than a quarter of a century and never have they sold shoddy or inferior goods in all these years. The prices they quote in the big ad in this paper may seem like they are too low for the class of goods they carry, but they are the result of close buying and a determination to sell more goods at closer margins. It will pay you to read their ad and inspect their goods. W. R. C. Attention! There will be a call meeting of the corps Saturday at the usual hour for the transaction of important business. By order of the president. Special Meeting D. of H. No. 4. Special meeting of Star Lodge No. 4 D. of H., is called for Saturday afternoon at 3 o'clock, at their hall for important business.
