#### THE OLD AND THE NEW.

##### Mayor Gutsche Moves Out and Mayor Richey Moves In.

The council met last night in regular session. It was the going out of the old and the coming in of the new officials. The old board cleaned up its business pretty well before retiring. Mayor Gutsche was in the chair and all members were present.

Judiciary committee asked for extension of time in the matter of water rental.

Same committee reported in regard to complaint of Mrs. Carroll, of the blockading of street adjoining her property that there was no cause for complaint and the matter was dismissed.

Sattler reported that the sewers in the E. & M. district were in bad condition and company ordered to fix same.

The fire and water committee reported that the new hose had been tested and proved that the aluminum couplings were not satisfactory—that they would not stand more than 150 or 200 pounds pressure. It was decided that if the manufacturers would make couplings good the city would be willing to accept the hose and pay for it.

Report of city marshal and police judge read and on motion placed on file.

A motion prevailed that the superintendent of the light plant be notified to save all cinders as the city would need them for various purposes.

R B Wiedman of the park commission stated that money was needed to complete the improvements under way and beautify the park as the commission had planned and asked an appropriation of \$200 or \$250 for this purpose. On motion \$250 was appropriated to the commission for the purposes stated.

It was reported that the alley on Sixth street, between Courtland and Day needed some work and also a culvert in the Fifth ward. Necessary repairs ordered.

It was also reported that some street work was needed on Lincoln avenue, near Bach's store and it was decided to ask the county to join with the city and make the repairs. It will be necessary to put in some piling at the place specified.

The bonds of the city officers elect were then called up and read as follows:

F. M. Richey, mayor, \$5,000—Chas. C. Parmele and E. R. Todd, as sureties.  
E. W. Cook, city treasurer, \$50,000—D. Hawksworth, Chas. C. Parmele, Geo. E. Duvoy, J. M. Patterson, V. V. Leonard, W. H. Newell, Henry Beck, C. E. Wescott, F. E. White, P. G. Fricke, as sureties.

B. G. Kerr, city clerk, \$1,000—H. N. Duvoy, Jas. Fetzer, J. Pennerberg, as sureties.

M. Archer, police judge, \$1,000—Henry R. Gering and F. J. Morgan as sureties.

The bonds of the councilmen-elect were also approved and the new officials took their seats.

After the new officers had taken the oath Mayor Gutsche stepped down and out. His last act was to thank the councilmen in a very few well chosen words for their kindness and courtesy during his two year's term of office, and then he stepped down and out.

Mayor Richey took the place vacated by Mr. Gutsche and without any formalities or long winded speech, asked the new council what was their pleasure, not, however, before administering the oath of office to City Clerk Kerr.

On call of the roll all the newly elected officers were found to be present.

Election of president of the council was the first business in order as the mayor stated. Some of the members did not want to show their colors on this matter and consequently a motion prevailed that a secret ballot be taken.

Mr. Sattler and Mr. White were placed in nomination for this position. The first and second ballot each resulted in a tie, but on the third ballot Sattler received six votes and Mr. White four, and Sattler was declared president.

Mayor Richey then announced the following standing committees:

Finance—White, Ed Lutz, Herold, Ed Lutz, Hinshaw.

Judiciary—Hinshaw, John Lutz, White.

Fire and water—John Lutz, Dove, Sattler.

Claims—Herold, Whelan, Robal.

License—Robal, Herold, John Lutz.

Streets, Alleys and Bridges, Sattler, Ed Lutz, Hinshaw.

Police—Ed Lutz, Robal, Messersmith.

Gas and Electric Light—Whelan, Messersmith, Hinshaw.

Hospital—Dove, Whelan, White.

Cemetery—Messersmith, Sattler, Robal.

Petitions for saloon license and druggists' permits with the required bonds were then read and on motion, referred to license committee, said committee to report at a special meeting of the council to be held Thursday night.

A petition was presented from P. I. Hanson, signed by the police judge and several members of the council, asking that Hanson be retained on the police force. The mayor deferred action until some future time.

The mayor then named Mike Morrissey to be chief of police. The council refused to confirm this nomination by a vote of six for and four against Morrissey. He then gave them another dose on the chief question by naming Dave Miller for that position, but he was distasteful to the council by a vote of seven to three. It was plain the powers could not agree and the mayor concluded to let the police matter rest until next meeting.

Election of city attorney was next order of business. He gave them C. A. Rawls to struggle over or take in and they took him in like the early bird takes in the worm. He was captured at the first ballot by a vote of eight to two.

This was the extent of the business to be transacted and the members then went home.

George Holmes has returned from his trip to the Klondike country. He was in company with Mark White and Fred Stadlemann and got as far as Chilcoot pass when they were overtaken by a snow slide. The other boys went to the gold fields, but George concluded to return to Plattsmouth. On the ship on which he sailed from Juneau to Seattle, there were 243 passengers who had been in the snow slide, of whom 240 were more or less injured. George is no longer a gold hunter.

## Raising Boys

Is a growing industry. It's been getting bigger every year since its infancy. New subjects come to light every little while and there seems to be great chance for development along this line. Years ago when a body raised a boy they raised his clothes, too. Now, it's different; it pays best to pay special attention to raising your boy right and then raise a little money and buy his clothes of a house that pays special attention to having Boys' Clothes that are right. We help a good many mothers to raise their boys; we sell Boys' Suits that they don't have to worry about. Our Spring lines of Boys' Long Pant and Short Pant Suits are ready. They're handsome and serviceable, made to wear, with all the threads twisted in for keeps, and dyed in plain, trustworthy colors that will last. Long Pant Suits as low as \$3.50 and \$5.00; Short Pant Suits \$1.50 to \$5.00.

Keep the boy dressed rightly; it gives him self-confidence and fires his ambition, and helps him learn his geography lesson.
