of a contract, affecting title to a good farm adjoining W. J. Hesser. The Chinese maidens whom Judge Scott's court at Omaha has been looking after for several days, were on yesterday turned over to Mrs. Wykoff, a missionary, who will find homes for them. Uncle James Hall returned Tuesday morning from his visit in Indiana and Missouri. He has many wonderful stories to tell of the sights in and around Elberado Springs, Mo.—Elmwood Echo. The Robinson divorce case heard the fourth at Lincoln all day yesterday, and last evening Billy Stitzer, who used to reside here, appeared as the star witness who knew much that was deemed unfit for publication. Jim P. Linn, of company B, was detailed today to go out after some delinquents who had not come in. He brought in three of the boys who did not know they were wanted, and got two new recruits. Dick Curran came in this morning with the balance of the Elmwood delegation, so that they are now nearly all in. A lively civil suit is on in Judge Archer's court this afternoon. Judge Sullivan brought suit against Smith Hines on a \$100 note, given him about four years ago. Hines said the note was fully paid and Sullivan told him it had been torn up, and now after four years time suit is brought upon the paper, and Hines is hotter than a nest of hornets. MONDAY. Lawrence Stahl is taking in the exposition today. Rev. Ratz and wife rejoice over the arrival of a new heir to their house. Capt. Sheehan spent Sunday at home and joined his company here this morning. James Barker returned home Saturday, and will go to work again at the shops in a few days. Chas. L. Graves, the poet editor and legal philosopher of Union, was in town today looking after legal business. The U. P. folks are buying lots near their present depot, and say they will soon begin the erection of the finest passenger station in the west, at Omaha. Commissioner Hayes, who came down from Lincoln this morning, says Col. Bryan, with three carloads of recruits came down on the train for Fort Omaha. Fred James of Elmwood, who failed to pass the examination for company B, went to Omaha today and will visit the exposition for a few days before returning home. Under the new postal law, cards the size of a postal card may be sent by mail, by affixing a one cent stamp. The postal cards will, however, continue to be issued. Wm. Benfer and wife, and John Benfer and wife, visited friends and relatives in Louisville, yesterday, enjoying a pleasant drive across the country. They were accompanied on their return by Miss Joan Locke, a sister to Mrs. John Benfer, who will make her home in this city. There is much dissatisfaction over the fact that Sam Chapman is to make the presentation of the flag tomorrow evening. In the first place he can't make a speech, and in the second place, he is not satisfactory to those who donated the money for the flag. J. W. Johnson is the man who ought to make the presentation. It would please everybody, and he could on such an occasion make a speech that would be worth hearing. TUESDAY. Herman Bestor will meet his Illinois friends at the exposition today. Mrs. Emily Kellogg of Greenwood, and Seabury L. Sours, the Ashland capitalist, are here in court today. Clem Stevenson of Greenwood precinct, and John Mefford of Salt Creek precinct, have announced themselves as candidates for the chair of Commissioner Hayes. Barney Miller got a telegram from Ed Threlkeld today, announcing the death of Ed's wife. They were residing at Onawa, Iowa, and were former residents of Plattsmouth. Ex Commissioner A. C. Leder of Greenwood is in the hands of three physicians, and his recovery is not at all certain. He was no better this morning, and a physician from Omaha and one from Lincoln were waiting on him. Household Gods. The ancient Greeks believed that the Penates were the gods who attended to the welfare and prosperity of the family. They were worshipped as household gods. The household god of today is Dr. King's New Discovery. For consumption, coughs, colds and for all affections of throat, chest and lungs, it is invaluable. It has been tried for a quarter of a century and is guaranteed to cure or money returned. No household should be without this good angel. It is plain to take and a safe and sure remedy for old and young. Free trial bottles at F. G. Frick & Co's. Regular size 50c and \$1. Conductor Bushnell who has been a sufferer from a cancer for a long time, had the dangerous tumor cut out, which necessitated the removal of all the flesh from his right temple, leaving an ugly wound. His many friends hope the cancerous growth is now disposed of. He expects to go to work for the company again in a few days. TO CURE A COLD IN ONE DAY. Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. 25c. The genuine has L. B. Q. on each tablet.

Another Victim Tramp. From Friday's Daily. Last evening, as the twelve-year old daughter of Charles Frisch was passing the stand pipe, about dark, a tramp caught her by the dress, and she got away only by bearing her dress. The police were at once notified and a search was made for the brute, and the man that was with him, but they could not be found. This morning John Fitzpatrick found two men that looked like the description given, and took them up before the girl, but she said they were not the right parties. Today a telephone message from the chief of police at South Omaha was received saying two men had been arrested those who appeared from the description to be the ones wanted in regard to the officers will group after them. The tramp nuisance is getting serious and if the people who feed them were arrested, too, the tramp business would not be so prevalent and the men might have to perform an honest day's work occasionally. OFF FOR DENVER. The following is a list of those from Plattsmouth who left for Denver Monday on the Western club special car that will be attached to the regular west-bound B. & M. train: Mrs. Stoutenborough and daughter Grace, Mrs. Byron Clark, Mrs. D. S. Guild and son, Mrs. Thomas Kempster, Mrs. Twitchell, Mrs. S. H. Atwood, Mrs. Agnew and daughter Katie, Mrs. W. B. Newell and Mrs. J. G. Richey. The Nebraska grand lodge of Free Masons closed its forty-first annual communication last Friday at Omaha. The new officers of the grand lodge were installed by Past Grand Master George W. Linniger, one of the veteran Masons of this community. The meeting next year will be at Lincoln. The newly elected officers of the grand lodge are as follows: Grand master, Frank H. Young; Brethren Bowditch; grand master, W. W. Kayser, Omaha; grand senior warden, A. W. Coffey; Children; grand junior warden, Frank E. White; Plattsmouth grand treasurer, Christian Hartman, Omaha; grand secretary, W. R. Bowen, Omaha. Lightning played a queer freak up near Louisville last Friday. Five head of a title were under a tree during the rain storm, when a bolt of lightning came down and killed one of them as dead as a mackerel without touching the tree or injuring the other cattle. The only mark found was a slight burn at the root of one of its horns. A careful examination of the animal's feet would probably have disclosed where the deadly current went out to enter the earth. A. L. Timblin says a select few were having barrels of fun over at Weeping Water this morning. It seems that Uncle Zue Cuyler, an old resident of that town has grown a luxuriant gray beard for years. He had it shaved off and no one knew him. Finally a joker went around and introduced him as a horse bayer, who also wanted to invest in real estate. Harry Rice had seen him every day for ten years but he hit at the bait and hitched up to his buggy, and was showing Uncle Zue the town in good style. Others were displaying their horse flesh, and when the truth leaks out, someone is liable to get hurt. Electric Bitters. Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and freeing the system from the malarial poison. Headache, indigestion, Constipation, Dizziness, yield to Electric Bitters. Fifty cents and \$1 bottles at F. G. Frick's drug store. Burglars Abroad. The Gering residence was entered by burglars Saturday night at fifteen minutes past two o'clock, through a window on the east side. The light from their dark lantern shown through a transom into the room occupied by Mrs. Wagner, and she gave the alarm. The burglars got away quickly and secured no booty. When You Take Your Vacation. The most necessary article to have with you (after your pocket book) is a bottle of Foley's Kidney Cure. It is an absolute prevention or cure of all dangerous ailments of the bowels caused by a change of water. You are likely to meet B. Fourth of July. Henry Goring is chairman of the Fourth of July finance committee, and as Henry never fails in anything he undertakes, it may be set down right now that Plattsmouth will have an all-night 4th of July celebration. Backer's Arterio Sative. The best salve in the world for cuts, burns, sores, ulcers, skin rheum, fever sores, tetter, chapped hands, chilblains, corns, and all skin eruptions, and positively cures piles, or no pay required. Yocum, Cameron, Pa., says "I was a sufferer for ten years, trying all kinds of pile remedies, but without success. DeWitt's Which Hazel Salve was recommended to me. I used one box. It has effected a permanent cure." A permanent cure for piles DeWitt's Which Hazel Salve has no equal. F. G. Frick & Co. Write to J. Francis, General Passenger Agent, Burlington Route, Omaha, for handsome thirty-two page pamphlet, descriptive of the Trans-Mississippi exposition. Free.

EFFECTED A SETTLEMENT. The Cushing bondsmen Released on Payment of \$1,100. From Tuesday's Daily. The five bondsmen of ex-Treasurer W. H. Cushing and ex-deputy Fred Herman were in session with the commissioners several hours today. The amount of the shortage is \$1,300, but some of the proof for a part of the loss in shape of vouchers are missing. So settlement was finally effected by the payment of \$1,100 in cash to the county, and the bondsmen were then released. District Court Proceedings. Peter Nord vs. James W. Thomas, settled and dismissed. George E. Dovey vs. Thomas J. Thomas, order of review granted. Omaha Loan and Trust Co. vs. M. Ervin, decree of foreclosure \$885.00. Harry A. Clark vs. Carrie E. Willis et al, decree of foreclosure granted, and \$536.63 found due plaintiff, and \$1,502.68 due Louis Pultz, cross petitioner. J. C. Hayes. We hear voters from every neighborhood in the district who are urging Commissioner Hayes to run for a third term. Mr. Hayes has justly earned the title of the "watch dog of the treasury" and the desire of the tax payers to keep him in the position that he has so carefully filled is not surprising, they know that the county never had more faithful guardian and they likewise know that in making a change some risk will be run in finding one so capable as Mr. Hayes.—Weeping Water Republican. People in this part of the county heartily endorse the above, and only wish they were allowed a vote to help him along. Try Allen's Foot-Ease. A powder to be shaken into the shoes. The close vote of fifty-one to fifty-four, by which Butler and the fusion wing of the populist national committee bounced Paul Vandervoort shows clearly the relative strength of the two elements. The middle-of-the-road members of the committee have withdrawn, and will organize a true populist national and state campaign. The fusionists, who are only democrats in disguise anyway, might as well get into their party, as the time is just when they can lead any number of true populists astray. It is, or should be, the highest aim of every merchant to please his customer, and that is the wise-sawing firm of Meyers & Eschelman, Starbuhr. It is doing so, is proven by the following, from Mr. Eschelman: "At my sixteen years' experience in the drug business I have never seen or sold or tried a medicine that gave as good satisfaction as Chamberlain's Colic, Cholera and Diarrhoea Remedy." Sold by all druggists. Announcement is out of the dates and program for the great Epworth League assembly to be held at Lincoln August 3d to 10th. The program is sufficient to draw a immense crowd. A Beautiful Flag. From Monday's Daily. A committee composed of J. W. Johnson, A. B. Todd, F. J. Morgan and David Miller, started out Thursday last to secure a silk flag for company B. They telephoned to Omaha and learned the flag desired would cost \$70. From a Cincinnati catalogue they learned the same flag could be obtained there for \$33.00. They wired at once for the flag and it arrived today, and is by the handsomest flag ever seen here. It is made of heavy silk and the stars are worked in by hand. The border is of gold fringe, and the chords and tassels are made of three colors. It is beautifully mounted and will be fully worthy of the care of the gallant boys of company B. The committee secured the funds by public contributions in small amounts from the citizens of Plattsmouth. The program of presentation will be noted in another column. Sick headache, biliousness, constipation and all liver and stomach troubles can be quickly cured by using those famous little pills known as DeWitt's Little Early Risers. They are pleasant to take and never gripe. F. G. Frick. LEGAL ADVERTISEMENTS. Probate Notice. In county court, Cass county, Nebraska. In the matter of the estate of Albert VanCleave, deceased.
