"I think DeWitt's Witch Hazel Salve is the finest preparation on the market for ails." So writes John C. Dunn, of Wheeling, Va. Try it and you will think the same. It also cures eczema and all skin diseases. F. G. Fricke.

It is, or should be, the highest aim of every merchant to please his customers; and that the wide-awake drug firm of Meyers & Esleman, Sterling, Ill., is doing so, is proven by the following, from Mr. Esleman: "In my sixteen years' experience in the drug business I have never seen or sold or tried a medicine that gave as good satisfaction as Chamberlain's Colic, Cholera and Diarrhoea Remedy." Sold by all druggists.

INFORMATION AND OPINIONS.

It would be just like the irrepressible Yankees to fix up the Christobal Colon and send her over to drop a few shells into the Cadiz navy yard. The sight of Christopher Columbus bombarding Spain would be dramatic.—Ex.

The Third regiment will not allow Colonel Bryan to usurp all the honors, as company B will come in for its full share, having among its members a Wm. McKinley, a Hobson, and a Sampson. Company B, ought to distinguish itself, and we believe it will.

It costs ten cents more to get married now than it did a month ago, as the war tax on a marriage certificate is ten cents, though really the preacher ought to foot the bill, as he gets big pay for very little work.

In twelve years the city of Santiago de Cuba will celebrate the 500th anniversary of its founding, and if the people treat Shafter and his army right the old city will be in good condition for a first class celebration.—Ex.

The nights now are of a quality which evokes the highest commendation of the best judges. The sun may pour down in copious quantities during the day in his superheated rays, but when the shade of night falls there is a gentle breeze that is as cool as if it issued from some grotto. It has the tired toiler and woee him into a sleep that knits up the ravelled sieve of care, banishes blues, restores the wasted energy of the body and makes life worth living. Lie down for Nebraska!—Fremont Tribune.

Holt county, which has been the head and front of populism and foment in Nebraska, seems to have undergone a change of heart. The populist county convention held there Saturday contained only thirty delegates out of 106 provided under the call, being the smallest on record. Besides this the convention appeared to be in the hands of the iconoclasts, for they shattered two poperaotic idols—Congressmen G. C. and Governor Holcomb, declaring against both of them. Here is a torpedo boat destroyer of which the fusion gurbats at Lincoln will be compelled to take note.—Ex.

Mayor Nelson of Nebraska City was married the first of the week to a Miss Hershey, a prominent young lady of that city.

The city of Lincoln is not yet bankrupt, as is evidenced by the fact that \$400,000 of the new government loan was taken in that city.

IMPORTANT IF TRUE.

Judge M. L. Hayward is not a candidate for any office, but he has broken the silence by informing friends that he will not allow the use of his name in the congressional convention. This ought to settle that question. It is also cheerful news to those who maintain that Judge Hayward is the logical candidate for governor and that he can have the nomination from the republican state convention if he desires it. Judge Hayward attended the national republican league meeting at Omaha and while there he was besieged by republicans to consent to become a candidate for governor. He was told by prominent members of the party that he was choice of a majority of the party and that if nominated he could be elected.

A delegate who talked with Judge Hayward said that Hayward would undoubtedly accept the nomination for governor. In justice to others who might aspire to the office Judge Hayward was told that he ought to make his position known. In reply he said he was once an aspirant for the nomination when a nomination was considered as good as an election, but that he would not decline the honor at this time when it meant a hard fight.

This statement, together with the word of Judge Hayward that he does not intend to go before the congressional convention is cheering to those who want to place a strong man at the head of the republican state ticket.

JUST LIKE SPANIARDS.
"My men fought like true Spaniards," says Captain Ekins of the Victoria. This seems to be a perfect correct statement. First they tried to run away, then, finding it impossible, they fired like "crazy men," doing no damage, and then they surrendered, which gave us the ship. After doing this they ran her aground in order to wreck the ship they had surrendered. Very like Spaniards.—New York World.

We are carrying over a thousand accounts on our books, many of them small but in the aggregate it amounts to a neat sum which would help us out if paid in. If you can't pay all you owe send us a dollar and we will send receipt by return mail with a card of thanks thrown in.

The Salem Chautauqua.
The Salem Chautauqua opens in about one week, (Saturday July 30) and many of our people are arranging to attend. There is no better place in the west to spend an outing, presenting as it does a most charming combination of beautiful grounds, splendid program and courteous treatment to all its patrons. Reduced rates on railroads to all wishing to attend. At this particular season of the year a most delightful outing may be cheaply arranged by camping at the Salem Chautauqua where a jolly crowd and good entertainment awaits all visitors. It opens July 30 and closes August 7. See bills and program.

E. B. Banks, of Lewisville, Texas, writes that one box of DeWitt's Witch Hazel Salve was worth \$50,000 to him. It cured his piles of ten years standing. He advises others to try it. It also cures eczema, skin diseases and obstinate sores. F. G. Fricke.

Maybe the reason why Mrs. Colby has enlisted in the newspaper corps of war correspondents might be found in the fact that she wants to keep an eye on the general and see if he is really as brave as he talked around the houses.—Lincoln News.

In New Quarters.
Having removed to the Merges' building, next to Lehnhoff's, I will continue to keep a selected stock of tropical fruits, and will serve ice cream and lemonade as formerly.

There's no better flour made than Heisel's "Planifter," manufactured in this city. Ask your grocer for it, and thereby get the best and support a home industry at the same time, which builds up the town.

THORNS TO SIT UPON.
Many people gather the thorns by failing to heed the warning sent out by diseased kidneys—swollen tongue—parched skin—feverish—sharp aching pain—general feeling of weakness—is sure evidence of kidney and bladder trouble. Take Utah Kidney Beans at once—they have cured thousands of others.

THE TURNERS OF PHILADELPHIA make Utah Kidney Beans.
E. B. Samuel, County Clerk of Hickman County, Clinton, Kentucky, testifies, that he suffered for years with horrible pains in the back, kidneys and bladder—was treated by many physicians—they gave him no relief—he got so that he could hardly stand alone—Utah Kidney Beans, he says completely cured him. He gladly recommends them to all sufferers.

REPAIRING. ROB'T SHERWOOD FOOT MILLINER

I desire to attest to the merits of Chamberlain's Cough Remedy as one of the most valuable and efficient preparations on the market. It broke an exceedingly dangerous cough for me in 24 hours, and in gratitude therefore, I desire to inform you that I will never be without it and you should feel proud of the high esteem in which your Remedies are held by people in general. It is the one remedy among ten thousand. Success to it.—O. R. DOWNEY, Editor Democrat, Albion, Ind. For sale by all druggists.

Win your battles against disease by acting promptly. One Minute Cough Cure produces immediate result; when taken early it prevents consumption. And in later stages it furnishes prompt relief. F. G. Fricke.

On the morning of Feb. 20, 1895, I was sick with rheumatism, and lay in bed until May 21st, when I got a bottle of Chamberlain's Pain Balm. The first application of it relieved me almost entirely from the pain and the second afforded complete relief. In a short time I was able to be up and about again.—A. T. MOREAUX, Luverne, Minn. Sold by all druggists.

A man stands no chance of being elected to the mayorship of a city unless he enjoys the confidence and esteem of his neighbors. Geo. W. Humphrey is the popular mayor of Swanton, Ohio, and under an act of Jan. 17, 1896, he writes as follows: "It is a pleasure to me to see your appreciation of Chamberlain's Cough Remedy. My family and neighbors have tested it, and we know it is an excellent remedy for coughs and colds.—GEORGE W. HUMPHREY." Sold by all druggists.
