Seventy-eight people went out on the moonlight excursion on the John R. Hugo last night and were out on the river over three hours. The government has accorded us all the privilege of the grounds and building, and have established a free writing room in the throne room of ex-Queen Lili, and I have been fortunate enough to capture her throne and desk and have been using it all afternoon. This letter was written on her desk and you want to preserve it for that reason. The government refuses to allow us to pay any postage, electing to do that themselves. They also furnish us a stationery. They put up tables in the palace grounds, and put on a large force of waiters, and we eat everything and anything we want.

In the town we have anything we want, even the Chinese refusing to accept money for goods.—Nebraska City News.

### Kent K. Hayden.

Lincoln, July 12.—Kent K. Hayden, receiver for the Capital National bank and German National bank of this city, died tonight from the effects of an overdose of chloroform. He carried some life insurance, but how much is not known.

Alpheus Cleundenin and Miss Edith L. Simpson Married Last Evening.

A pretty wedding occurred last evening at the home of Mr. and Mrs. John Simpson, 122 Lincoln street, at which their daughter, Edith Luejla, became the bride of Alpheus Cleundenin. The affair was a quiet one, only relatives and the most intimate friends being present. Rev. Smith, of Princeton, Ill., uncle of the groom, officiated.

Numerous presents were bestowed upon the young people, among them being a beautiful piano for the bride. A dainty luncheon was served, after which the couple left for Chicago where they will begin housekeeping at once on Vernon avenue.

The groom is a Joliet boy and The News is proud that he was once one of its carriers. He has a wide circle of friends in this city and is a young man of ability and exemplary character. The bride is also well known here and is esteemed by all her friends for her amiable qualities.

Mr. Cleundenin is engaged in the real estate and insurance business in Chicago.—Joliet Daily News, June 30.

### \$100 Reward \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

There are women who are comely, there are women who are homely, though be careful how the latter thing you say. There are women who are wealthy, there are women who are healthy, there are women who will always have their way. There are women who are truthful, there are women who are youthful—there ever any woman who was old? There are women who are sainted, there are women who are painted, there are women who are worth their weight in gold. There are women who are tender, there are women who are slender, there are women who are large and fat and red. There are women who are married, there are women who have tarried, there are women who are talkative—but they are dead.—Ex.
