IS ED. HOWARD A FRAUD?

Edgar Howard makes an appeal to the fusion forces wherever dispersed to come forward in this critical and trying moment with donations of cash for the several state committees to use in paying railroad fare and hotel bills for the reform candidates who must go out and put up a spirited campaign or go down in ignominious defeat. Colonel Howard knows well enough that his scheme is impracticable and would prove a useless waste of money. The candidates would use the passes they have on hand and "sell" the mileage as Edmiston has done in the discharge of his duties as oil inspector. Politicians who are willing to barter party principles for office are "out for the stuff," and have shown by accepting benefits from corporations against which they assumed to be making war that their assumptions were dishonest and merely a bait thrown out to catch suckers. Instead of putting up money as a gratuity to fat salaried officers and clerks the people should turn out on election day and rebuke hypocrisy and sham by voting the republican ticket.—Sixty.

The worst free pass brigade that ever held forth in the state house has been renominated by the pop state convention. One of the state officers before assessing the railways, took his wife and family up to the Black Hills in a special car as the guest of the B. & M. road, and when the assessment was made of course the great Burlington route was taken care of. "This is the sort of an outfit which the pop press calls "leaders of the reform forces."

It is reported that Uncle Sam at an expense of \$15,000,000, will pay off the Cuban soldiers. Cuba is not to be annexed we should like to know what reason for such action can be found. To pay these insurgents such a princely sum of our money looks little short of an outrage and we don't believe the president will ever do it.

INFORMATION AND OPINIONS.

A review of the situation, now that hostilities are at an end, warrants the conclusion that the Spanish idea of "satisfying honor" is to have the other fellow jump on you good and hard and then pay him liberally for his exertions.—Chicago Chronicle.

A cyclone struck some frame houses near Gary, North Dakota, yesterday, and eight people were killed outright and several were fatally wounded. One man's house was picked up and driven through his barn. Stock of all kinds was killed, and great damage to other property ensued.

The Mexican National band has made a hit from his first appearance at the exposition. The Transmississippi and International Exposition is assuming a more international character every week that it progresses.—Ioe.

Hobson is said to be engaged to a pretty girl in Georgia. He will get blown up again when she hears of that kissing episode.

A religious paper is authority for the statement that the devil can not use a man to advantage who attends to his own business.

Guns for Other Wars.
Krupp is building five-centimeter (two inch) paper field guns for the German infantry. They are so light that a single soldier can easily carry one, while the resistance of the paper is greater than that of steel of the same caliber. War is getting so civilized that the enemy will hereafter be killed, as the politicians are, by the papers.—Minneapolis Journal.

Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and sluggish and the need of a tonic and alterative is felt. A prompt use of this medicine has often abated long and perhaps fatal bilious fevers. No medicine will act more surely in counteracting and purifying the system from the malarial poison. Headache, indigestion, Constipation, Dizziness, yield to Electric Bitters. Fifty cents and \$1 bottles at F. G. Fricke's drug store.

Rates to Omaha.

On account of the Florist convention, the B. & M. will sell round trip tickets to Omaha August 16 for one fare for the round trip, for trains only arriving in Omaha on the morning of the above date. W. L. PICKETT, Agent.

Relief in Six Hours.

Distressing kidney and bladder disease relieved in six hours by "THE GREAT SOUTH AMERICAN KIDNEY CURE." If you want quick relief and cure, this is the remedy. Sold by Goring & Co., Druggist, Plattsmouth, Neb.

If you would like a photograph of Company B, Third regiment, Neb. U. S. volunteers, or of Col. W. J. Bryan and staff, see Mr. Geo. J. Buck at Perkins house. They are sixty cents each. These photographs were originally made for the Omaha World-Herald.

Dangerous Drinking Water.

Death lurks in impure water. It breeds diseases often in epidemic form. The first symptom is looseness of the bowels. These diseases are checked by taking Foley's Colic Cure, Fricke & Co.

War! War! War!

A war social will be given at the Christian church, Murray, Saturday evening August 29. Entertainment free. Everybody invited.

E. B. Banks, of Lewisville, Texas, writes that one box of DeWitt's Which Hazel Salve was worth \$50.00 to him. It cured his piles of ten years standing. He advises others to try it. It also cures eczema, skin diseases and obstinate sores. E. G. Fricke.

Take the Missouri Pacific train if you wish to go to the exposition, as they have the only depot on the grounds. You can save street car fare and avoid the crowded thoroughfares.
