Essays on MILK are Good, but CREAM is better ...

We give you the CREAM of the SHOE subject, from the most reliable manufacturers in the United States, where nothing but skilled labor is employed and where doubtful Shoes are refused by an expert, and not permitted to pass to the trade.

.... We did NOT receive a palty consignment of Twenty Cases of STUFF that looks like Shoes, and then swell up and advertise "the Largest Stock" of shoes, to induce you to our place of business, and then compel you to look with chagrig and disgust on the small assortment and make shift with something you did not want. We never have to resort to such misleading statements, for we have . 回

Replenished Our Stock to the Extent of \$4,000,

So, if you cannot be suited in two or three articles, you don't have to stand and scratch your head and wonder what to do, for we have an UNLIMITED RESERVE, and we can spring something this springduring the beautiful Springtime-that will spring you to your feet and make you say: "Fil take those."
