RELIEVES VOLUNTEERS

Regulars Will Go to Manila for That Purpose

Six Regiments Designated to Journey to Our Eastern Possessions—Twenty-Second Infantry From Fort Crook Is One of Them—Troops to Go By Way of Suez Canal—First Nebraska to Return.

WASHINGTON, Dec. 12.—Four thousand of Uncle Sam's own are to make the trip from the east to Manila through the Suez canal, two of the largest troopships in the service, the Mohawk and Mohican, having been decided on to transport regulars to relieve as many volunteers now in the Philippines, the First Nebraska being included in the volunteers to come home. The Mohawk and Mohican have been ordered to prepare for sea at once.

WASHINGTON, Dec. 12.—The war department has begun in earnest the relief of the volunteer troops now stationed at Manila by regulars. This afternoon Secretary Alger signed an order designating for this purpose six regiments of United States infantry out of eight held in reserve for service in sub-tropical countries.

The regiments are the Twentieth, at Fort Leavenworth, Kan.; the Third, at Fort Snelling, Minn.; the Twelfth, at Jefferson Barracks, Mo., and Fort Riley, Kan.; the Seventeenth, at Columbus Barracks, O.; the Fourth, at Fort Sheridan, and the Twenty-second, at Fort Crook, Neb.

They will go forward to Manila as soon as transportation can be provided. It may be that the two regiments still held in reserve, the Twenty-fourth and Twenty-sixth infantry, will be joined to the others by the time of sailing. The regiments were selected in the adverse ratio to the loss sustained by them in the Cuban campaign. The volunteers in Manila will be retired in the order in which they reached that city.

Want Mormonism Repealed.
CLEVELAND, O., Dec. 12.—At the union ministers' meeting held here today resolutions were adopted denouncing the election of Brigham H. Roberts as a member of the house of representatives from Utah, because he belongs to the Mormon faith.

The resolutions, which will be transmitted to the house of representatives, claim that Roberts is a tool of the Mormon priesthood and urges that body to refuse to recognize him as a member; that the most stinging rebuke possible should be administered to Mormonism, which threatens church, state and home. If Mr. Roberts is seated it is claimed that it will be taken by Mormonism as a great victory over congress and a notice that Mormon political methods are safe from interference by congress.

Unconscious and Frozen.
Frank Christian, a young man who lives on the old Ed Platner farm, three miles southwest of town, had an exceedingly narrow escape from death and it is doubtful if he recovers Saturday night he had been in the city on business and started home on horseback about 12 o'clock and when near the race track his horse threw him, Christian striking on his head rendering him unconscious. He laid in the road until about 4:30 o'clock when he crawled on his hands and knees to the home of Mr. Herman Myerhoff, where he succeeded in awakening the family by tapping on a window. He was taken in and made as comfortable as possible and was afterwards conveyed to his home Dr. Whitten was called and found that Christian had a bad bruise on the back of his head and that both his feet were badly frozen. He was in a stupor all day yesterday and could give no account as to how the accident happened. Today he was reported as resting easy. Christian has been a resident here for some time, is a hard working young man and is held in high regard by all who know him.

The horse was found in the stable Sunday morning, it having returned home alone.—Nebraska City News.

Will Give a Dance and Banquet.
At the meeting of the Tuxedo Dancing club last evening it was decided to give a grand New Year's ball Friday evening, December 30, at Waterman's hall and a banquet in connection at the Hotel Riley. The proper committees were appointed and from the present outlook this will be the swell event of the season.

Have Your Money Ready.
THE NEWS has a considerable amount of money standing out on subscription. In order to bring the paper up to the high standard which the publishers desire, it will be necessary to collect the out-standing accounts and the management respectfully asks those who are delinquent to have the money ready for the carrier boy when he calls for it.

Who Can Guess It?
A. Clark, the grocer, has a jar of beans in his show window and the person guessing nearest the number of beans contained in the jar will receive as a prize a fine lamp. The contest will close January 1, 1899.

The person who disturbed the congregation last Sunday by coughing, is requested to call on F. G. Fricke & Co. and get a bottle of Foley's Honey and Tar, which always gives relief.

Reorganization of the Army.

WASHINGTON, Dec. 9.—The house committee on military affairs began consideration today of the important measures for the reorganization and increase of the army to meet the conditions arising out of the war. Such progress was made that Chairman Hull said at the close of the meeting he not only expected to report the bill to the house before the holidays, but also to pass it by that time. In order to expedite the work daily committee meetings will be held, beginning next Monday. General Miles and General Schofield, the present and the late commanding officers of the army, will be invited to be present on Monday to offer suggestions and recommendations. Following them, the various heads of staff bureaus, the adjutant general, commissary general, quartermaster general, etc., will be heard.

More than usual interest attached to the meeting today in view of the effect of this legislation on the future status of the army. The bill under consideration was the Hull bill, introduced by Chairman Hull and having the approval of Secretary Alger. The other army bill, drawn by General Miles was not before the committee, so that no comparison of them was attempted. The Miles bill probably will be introduced in the house Monday and referred to the military committee so as to be taken up when General Miles is heard. For today, however, the committee confined its attention to going over the various provisions of the Hull bill.

Mr. Hull explained the plan of the measure in so shaping the arms of the service, as to bring the total effective force to 100,000 and this lead to general discussion. No conclusions were reached and no votes taken on any features of the bill, the whole subject going over.
