

# NO RATIFY THE TREATY

### Agassia to Convene Cortes for That Purpose.

uban Laborers Allege the Storekeepers Take Too Large a Discount on Spanish Gold and a Strike Is the Result—Andrew Carnegie Wants to Buy the Philippines—Other News.

MADRID, Jan. 13.—Senor Sagasta, the premier, will convene the Cortes on January 25 or 30 and will immediately demand a ratification of the peace treaty. The debate which is expected will last a week.

Spain has again reminded the Washington government of the undertaking on the part of the United States peace commissioners with regard to Spanish prisons in the hands of the Filipinos and has asked a prompt reply.

The newspapers allege that the Americans have requested the Spaniards not to withdraw the Spanish troops from Mindanao pending the arrival of the Americans to prevent an insurrection breaking out.

According to dispatches received here American domination in the Philippines is limited in Manila bay. All other points except Mindanao, are in the hands of the insurgents. One dispatch says the American volunteers are disheartened by the climate and had food and are anxious to return home.

The government has received the following official dispatch from Manila: "The American troops ordered to Iloilo mutinied and refused to start. General Miller had been ordered to abandon Iloilo and return to Manila. All of the American troops have been ordered to concentrate here, the situation being of a very grave character."

### Laborers in Cuba Strike.

SANTIAGO DE CUBA, Jan. 13.—The laborers on some of the sugar estates in the Guantanamo district have gone on a strike and the trouble is likely to spread. The cause assigned by the strikers is that the storekeepers take too large a discount on Spanish gold. The men say they receive the same amount now as under the old regime, but are compelled to pay 9 per cent on their purchases.

Governor General Brooke, replying to a number of questions addressed to him as to currency rates and values, says government collections and disbursements in the department must be made on the basis of American gold.

### Carnegie Will Buy Them.

CHICAGO, Jan. 13.—The Record's Washington special says: "Andrew Carnegie has authorized two friends in the United States senate to offer the president \$20,000,000 for the Philippine islands. He says that the offer is made in good faith and that the money will be forthcoming within thirty days after the formal acceptance of his proposition; or he will assume the responsibility of paying the indemnity to Spain, thus making an appropriation by congress unnecessary. Mr. Carnegie says his only purpose in buying the islands is to set them free."

### All Officers Re-elected.

From Saturday's Daily. The annual meeting of the stockholders of the Platte Mutual Insurance company was held at the office of Secretary T. Frank Wiles today. The old officers were re-elected throughout, and the business for the first year of the company's existence was found to be entirely satisfactory. The losses for the year were only \$51.17.

From the last of April to December 31, \$111,350 insurance was written. During the same period \$5,600 of that amount was cancelled, leaving \$105,750 in force at the end of the year. Since the 1st of January the company has written policies to the amount of \$5,000, making the total amount now in force \$110,750.

### Trouble at Union.

From Saturday's Daily. Sheriff Wheeler was notified by telephone today of a supposed shooting down at Union this morning. A clerk in Petering & Schuster's store, by the name of Kinney claims that Charles Ingalls shot at him, but the latter stated that the discharge of the revolver was accidental. A complaint was filed against Ingalls for carrying concealed weapons, and he will have a hearing at Union and will be bound over to the district court. He will probably give bail, but if he does not he will be lodged in the county jail to await trial. It is said that there is ill-feeling between the men, which accounts for the presence of the firearm.

### Progressive Whist Party.

From Saturday's Daily. Miss Nettie Morgan entertained a few of her friends at the home of D. C. Morgan last evening in honor of Miss Nell Woolson of Windom, Minn., sister of Mrs. A. E. Reinhaeck. Nice refreshments were served during the evening. Progressive whist was indulged in, Miss Florence White winning the ladies' king prize and H. E. Weidman capturing the gent's prize. Among those present were Misses Anna Sullivan, Claire Green, Florence White, Tony Kessler, Nell Woolson, Nettie Morgan and Messrs Dr. Elster, Lee Atwood, F. R. Ballance, H. B. Groves, H. E. Weidman, H. F. Goos, F. A. White, E. Eaton, Ralph White, Mr. and Mrs. F. J. Morgan and Mrs. Gus Reinhaeck.

## GEOPNER GOES UP ONE YEAR.

Omaha Parties Furnish in With a Certificate of Good Character.

SCHENECTADY, N. Y., Jan. 13.—Ray H. Geopner spent the night of last morning indignantly dressed and wearing an expression of injured innocence. His counsel led letters from W. S. Shoemaker, C. M. Koster and Ernest Stult of Omaha, testifying to Roy's honesty and general worth, and blaming the Omaha police for the affair of November 14. He was charged with assault in the second degree, but was allowed by the court to plead guilty to assault in the third degree and at 2:30 p. m. was sentenced to one year in the Albany county penitentiary. People here generally are indignant at the result. Had he been acquitted papers were on hand from Omaha for his arrest.

### Woman's Club Meeting.

From Saturday's Daily. The attendance at the Woman's club last evening was not as large as the very excellent program prepared by Mrs. Davis, leader of Parliamentary drill, should have called out. Those who were present, however, were much interested in the subject, and took an active part in the discussions. Mrs. Snyder was called upon during the preliminary exercises to recommend some plan of presenting and hanging the pictures recently presented by the club to the city schools, so that the occasion might be remembered and appreciated by the pupils. It was decided that the club members should attend the presentation ceremonies, but the "picture committee" will confer with the superintendent and formulate the manner of presentation.

Prof. Tucker being present, was called upon to speak on the subject which was before the club at the last meeting. Three classical concerts to be given in the near future in which the best talent that can be procured will be used and in addition, a chorus class of boys and girls which will train in voice culture, a thing that the average boy and girl stands great in need of. Both concerts are to be given under the auspices of the Platte Mutual Woman's club. Prof. Tucker's proposition was accepted, and Mrs. Clark, Mrs. Wise and Mrs. Agnew appointed a committee to represent the club and lend assistance if needed.

Miss Mayme Sullivan represented herself willing with the club's assistance to present a parlor drama, a Shakespeare travesty, which, it is hoped, will add something to the club's exchequer. This play will be put in preparation at once.

Miss Nina Herold played a mandolin solo in a manner most creditable to so young a lady, and the duet by Elton Windham and Margaret Mauzy, accompanied by Prof. Tucker, a "Bob-o-link Song" was charming. Miss Hallie Atwood's recitation, "Mummy's Little Boy," followed, and was exceedingly good.

The Parliamentary drill, in charge of Mrs. Davis, with Mrs. Snyder in the chair, was most amusing, and most of the club showed themselves well posted on the subject "motions."

Mrs. Fellows closed the program by reading James Whitcomb Riley's poem, "How Old Glory Was Named," and the club adjourned to meet in one week, when Dr. Freda Lankton of Omaha will give a parlor talk.

### A Vote of Thanks Was Given by the Woman's Club Last Evening to Prof. Farley for a Fine Parliamentary Drill Chart, given by him to the club.

## RAILROAD NOTES AND PERSONALS.

From Saturday's Daily. Elmer Cole was down from Omaha today, visiting his parents, Mr. and Mrs. William Cole. He is now running an engine in the Burlington yards at Omaha.

Will Messersmith of the Havelock shops, formerly of this city, was married to a Havelock maid yesterday, but her name could not be learned.

Engineer Green Coffman, of train No. 5, going west on Thursday afternoon of last week, met with a very peculiar and painful accident that probably cost him the sight of one of his eyes. As he stepped upon the steps to the tender to the engine, with a large oil can in his hand he stumbled and fell, the spout of the oil can penetrating his eye and being forced clear past the ball. A physician was among the passengers on the train and he attended the wound, making the patient as comfortable as possible. He found that the eye ball was not broken, but was of the opinion that the optic nerve was so injured that the sight was lost. The patient was taken to Lincoln and placed under the care of Dr. Dayton, the eye specialist.—Ashland Gazette.

## DESIRES AN ANSWER.

### Agoncillo Gives Reasons Why Filipinos Should Be Recognized.

Asks That a Time Be Set When He Can Be Heard by President McKinley—Miss Schley of Baltimore, Cousin to Rear Admiral Schley, Commits Suicide By Shooting.

WASHINGTON, Jan. 15.—Senor Felipe Agoncillo, the representative of General Aguinaldo in Washington, has filed with the State department a memorandum setting forth at length the reasons for his claim that the Philippine government should be recognized by the United States.

Accompanying the memorandum is a letter in which Senor Agoncillo states that he has received no reply to his communication of January 8, in which he asks that a suitable time be arranged when he could be presented to the president and heard upon his claims. In view of the position in which the representatives of the American government and the representatives of the Philippine government find themselves upon the islands at this time he urges that the matter be given immediate attention. The letter and the memorandum have been listed as official documents in the State department and, although the officials have themselves refused to make them public, they have nevertheless expressed a willingness for Senor Agoncillo to do so if he desired. The papers are now in the hands of Secretary Hay. The memorandum is along the same lines as statements heretofore made public by the Filipino representative.

Senor Agoncillo asserts the Philippines established and for seven months have maintained a form of government resembling the Americans, in that it is based upon the right of the people to rule; that Spain having at the time of the signing of peace possession of only one part and the remainder of the Philippines except Manila, being in possession of the Philippine republic, Spain could give no title to the United States for the islands, and that, having no title to give, its claim cannot be rendered better by the ratification of the treaty of peace.

### Miss Schley Kills Herself.

BALTIMORE, Jan. 15.—Miss Anna May Hoake Schley, 25 years old, daughter of the late Colonel William Louis Schley, poet, lawyer and veteran of two wars, and second cousin of Rear Admiral Schley, committed suicide today at her home, 717 West Saratoga street.

Since the death of her father, to whom she was much attached, just a month today, Miss Schley has been unconsolable. A week ago her mental condition became alarming to her friends and attendants were almost constantly at her bedside.

This afternoon her sister, who had been chatting with her, went below stairs for a few moments and when she returned found Miss Schley lying on her bed with a bullet hole in her left breast. She had shot herself through the heart with one of her father's revolvers. Two letters which she had written to friends indicate that she labored under the hallucination that she and her family were being pursued by some phantom.
