A CRITICAL TIME

During the Battle of Santiago.

SICK OR WELL, A RUSH NIGHT AND DAY.

THE packers at the Battle of Santiago de Cuba were all heroes—their heroic efforts in getting ammunition and rations to the front saved the day.

P. E. Butler, of pack-train No. 3, writing from Santiago de Cuba, on July 23, says: "We all had diarrhoea in more or less violent form, and when we landed we had no time to see a doctor, for it was a case of rush and rush night and day to keep the troops supplied with ammunition and rations, but thanks to Chamberlain's Colic, Cholera and Diarrhoea Remedy, we were able to keep at work and keep our health; in fact, I sincerely believe that at one critical time this medicine was the indirect savior of our army, for if the packers had been unable to work there would have been no way of getting supplies to the front. There were no roads that a wagon train could use. My comrade and myself had the good fortune to lay in a supply of this medicine for our pack-train before we left Tampa, and I knew in four cases it absolutely saved life."

THE above letter was written to the manufacturers of this medicine, the Chamberlain Medicine Co., Des Moines, Iowa. For sale by all druggists.

RED Spectacles for Seasickness. Bright red spectacles, accompanied by internal doses of calomel, form a new German specific against seasickness. It is deduced from Epstein's investigations on the influence of color on the blood vessels in the brain. Seasickness is due to lack of blood in the brain, while red sends blood to the brain with a rush. By looking at the red glasses, the patient is cured radically.

HAPPY is the man or woman who can eat a good hearty meal without suffering afterward. If you cannot do it, take Kodol Dyspepsia Cure. It digests what you eat, and cures all forms of dyspepsia and indigestion.

THE new planet, DQ, as astronomers now call it, which at times comes so near the earth, made one of the closest possible approaches in 1894; it is "hard luck," and just a little surprising that it was not discovered then, for it will not be again so favorably placed until 1924, when for some days it will be less than 14,000,000 miles distant from the earth. In December, 1900, it will come within about 6,000,000 miles, and in 1917 a little closer. One of our American astronomers suggests for it the name of Pluto, in honor of the discoverer, who, according to accepted astronomical usage, has the right to name it, will accept the suggestion remains to be seen.

LONGING for La Grippe Cough Cured. Mr. G. Vacher, 157 Osgood St., Chicago, says: "My wife had a severe case of La Grippe three years ago and it left her with a very bad cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. One bottle cured her cough entirely. Now we are never without a bottle of this wonderful Cough Medicine in the house." 25c and 50c. F. G. Fricke & Co.

CONGRATULATION in the West. This is how the Salt Lake City Tribune congratulates a railway officer upon his recent marriage: "A thousand congratulations to Superintendent Welby on his happy change of domestic state. May his car of life a ways be a palace, safe over on the guide rail, smooth as though roses were the ballast, and happy as if there were no such things in the world as competitive rates. He now has a monopoly; may he never lose his high appreciation of that blessed privilege."

THE Appetite of a Goat is envied by all poor dyspeptics whose stomach and liver are out of order. All such should know that Dr. King's New Life Pills, the wonderful stomach and liver remedy, gives a splendid appetite, sound digestion and a regular bodily habit that insures perfect health and great energy. Only 25c, at F. G. Fricke & Co.'s drug store.

THE new shades for electric lights is a novelty in shades for electric lights turns out to be a big cluster of silk rhododendrons, in crimson, deep pink and ruby red. According to the New York Commercial Advertiser, such a cluster hides the bulb completely and is made safe from combustion by a fireproof lining. Roses, hydrangeas and hawthorn are utilized for the same purpose. Ornamental bronze figures are made to hold branches, vines and reeds, specially mounted for electric lights, each light having a floral shade.

TABLET's Buckeye Pile Ointment is no panacea, but is recommended for piles only. These it will cure. Price 50 cents in bottles; tubes, 75 cents. F. G. Fricke & Co.

STRANGE Funeral Customs. In an interesting history of his past life, the Rev. James Murray of Kilmalcolm, Renfrewshire, mentions that "amid the enjoyments of the people we must not fail to notice funerals," and he calls attention to a curious custom which was prevalent in connection with them. It appears a sieve containing clay pipes, filled with tobacco, was handed round just before the cortege started. Then the mourners smoked, and when the kirkyard was reached, as the grave was being filled, each stepped solemnly forward and cast his pipe "among the mourners."—Notes and Queries.

B. Presson, Preonsville, Kans., writes Jan. 25, 1899: "Ship order at once, only have one bottle left." "Nothing like Foley's Honey and Tar" is the universal verdict of all who have used. Especially has this been true of coughs accompanying and succeeding La Grippe. Not a single bottle failed to give almost immediate relief. Everybody recommends it. F. G. Fricke & Co.
