The Verb to "Jew."

The earlier editions of Webster's Dictionary contained a verb, "to jew," and defined it "to cheat," "to play A. Zibel went to Colorado this weik with," etc. At the request of a nurrber eliminated from the book. As a matter of fact, however, the word had no connection with or reference to the followers of the Mosaic faith. It was derived from the French "jen," and John M. Leis is bullding another "jouir," which means "to play with," arge dwelling, which will be occupied "to cheat," etc., but its orthography had become corrupted to "jew." It did
