perature was 76 degrees.

Must Either Rob or Starve.

Santiago, March 10 .- The results of the policy inaugurated at Havana of discontinuing public works in this province and throwing men out of employment are beginning to show. Yesterday six bandits were captured

in the neighborhood of Concepcion, ail of whom were former workers in the road gang. They say they have no money and must either rob or starve. They have been lodged in the city jail. Considerable sympathy is displayed in their behalf by the populace. Much the same sort of thing is happening in the district of Holguin, where a brush occurred between bandits and gendarmes and which re-

suited in the killing of one of the former. Nevertheless it is not expected of rats for food purposes as follows: these trouble will take a serious turn, "What carrot is to a horse's coat a rat but pneumonia cannot follow the use owing to the probability that work is to the human hair.
