

A COUPLE MADE HAPPY.

Wedding of Mr. L. D. Critchfield and Miss Allie Philpot

Key Dungan Pronounces the Words Which Make Them Man and Wife—Last Performance of "Retribution" Witnessed by a Very Large and Appreciative Audience.

From Saturday's Daily.
At the home of Mr. and Mrs. Steve Buzzell, at 3 o'clock this afternoon, occurred the marriage of Mr. L. D. Critchfield and Miss Allie Philpot, both of Weeping Water. Rev. Dungan, of the Christian church, performed the ceremony which united the happy young couple, after which a dainty little wedding lunch was served by Mrs. Buzzell, a sister of the groom. The newly wedded pair will in the future reside on the groom's farm near Weeping Water. Tomorrow the young couple will be tendered a reception at the home of the groom's mother.

THE NEWS extends best wishes for the future prosperity and happiness of Mr. and Mrs. Critchfield.

Second Performance.

White's opera house was again comfortably filled last evening, and the second production of "Retribution" was pronounced even better than that on the previous night. All the participants played their parts in a very commendable way, and should the piece ever again be reproduced in Plattsmouth it is safe to say the theatergoers will not fail to turn out in large numbers to witness it.

G. F. S. Burton is the author of "Retribution," and his abilities in the play-writing line are commented upon very favorably.

Supreme Court Decisions.

The supreme court yesterday disposed of three Cass county cases by affirming two and reversing one. Following is the syllabus of each case:

First National Bank Greenwood vs. Railsback, Affirmed. Error from Cass county. Opinion by Commissioner Ryan.

Proof by the drawer of a check that such check was presented to the drawer had with the drawer subject to check a sufficient deposit wherewith to pay such check and that, subsequently, the drawer was compelled to pay the amount to the holder thereof because the drawer unwarrantedly refused payment thereof, is sufficient proof to amount of the payment so made by the drawer and such other damages as are alleged and proved.

Myers vs. Keefe. Reversed. Error from Cass county. Opinion by Judge Norval.

A mortgage of chattels upon which an order of attachment has been levied cannot question the existence of the grounds for the issuance of the writ. To the attaching debtor alone belongs that right.

State ex rel Pankonin vs. Cass county. Affirmed. Error from Cass county. Opinion by Commissioner Ryan.

1. The adjudication in Dutton vs. State, 42 Nebraska, 804 held to determine this case.

2. Ordinarily, where a stream of water constitutes the boundary line between two political subdivisions, each subdivision holds to the middle of the stream and accordingly is liable for bridge repairs as laid down in Dutton vs. State, 42 Nebraska, 804, irrespective of the volume of flowage being nearer one bank than the other.

This last case is one of interest to every taxpayer in the county as it relieves this county from the liability of keeping in repair the north half of the Platte river bridge at Louisville.

A. J. Graves was attorney for the county in this case and is to be congratulated upon his success. The supreme court upholds the findings of Judge Ramsey who heard the case in the lower court.

Death of a Former Cass County Man.

The following in today's Lincoln Journal refers to an old citizen of this county:

"Elijah Jenkins of Grove Park addition, died at 7 o'clock Thursday evening, aged sixty-one years. Mr. Jenkins was a soldier in the civil war. He had removed to Lincoln from Louisville, Neb., some time ago. His remains will be shipped to Louisville Monday on the 10 o'clock train."

Mr. Jenkins was an early settler in this county, being one of its pioneers. He resided on a farm near Louisville for years and afterwards engaged in business in that village. He leaves a wife and five grown children. Deceased was an uncle of William Jenkins of this city.

DISTRICT COURT NOTES.

The jury for the March term of district court was called this afternoon and the case of State vs. Watson was the first called and was being argued as THE NEWS went to press.

R. S. Wilkinson of Weeping Water, David Kunz of Elmwood and E. D. Lehnhoff of this city were excused from the jury. J. N. Wise, Charles McEntee and D. M. Jones were chosen to fill the vacancies.

Hotel Riley Sold.

R. B. Windham, as agent, today sold the Hotel Riley building to George Nichols of Ionia, Mich., the consideration being \$50,000. The management of the hotel will remain the same for the present.

Its Services Appreciated.

To the Editor of THE NEWS:
I desire to convey to you the grateful appreciation of the members of the "Retribution" company and myself for the generous criticism of the performance on the first night, and to express our gratitude for the many courtesies extended and kindly notices given prior to the production of the play. The disinterested assistance of the press contributed in no small degree to the financial success of the play, and the M. W. A. band united with us in thanking THE NEWS for the assistance rendered. Yours faithfully,

PLAN OF ATTACK FAILS

Insurgents Find It More Comfortable to Stay in Trenches.

No Apprehension of an Outbreak in Manila, the City Being Well Policed, But the Presence of Women, However, Discouraged—Active Service for the Twenty-second.

MANILA, March 13—10:25 p. m.—General Wheaton's newly formed divisional brigade advanced at 7 a. m. from San Pedro Macati for the purpose of corralling the enemy. It is now moving on Pasig, meeting with but slight resistance.

The rebels are in full retreat. A gunboat is clearing the jungle along the river banks, which have been carried as far as Guadalupe. The purpose of the move is to clear the country to Laguna del Bay.

MANILA, March 12—5:50 p. m.—The Filipinos apparently had planned an attack upon the lines of General Oida and General Hale this morning, but their courage seemed to fall them, though they fired signals and afterwards kept up the fusillade along the American front for an hour. Our troops, in obedience to orders, refrained from shooting, with the exception of two companies of newly arrived men, which replied until they had suppressed a regiment of Aguinaldo's Red brigade. This body of rebels seemed under better order than the others. A white man was seen among the officers, endeavoring to lead them to the attack, but apparently all efforts to induce them to leave the trenches were futile.

The American authorities in Manila say the city is now so effectively policed that a serious outbreak is impossible. They believe that the natives are cowed.

The presence of the families of officers is discouraged and many are leaving on board the United States transports, some going to Japan for temporary residence. General Otis has remarked: "Manila is no place for women. This is a war, not a picnic."

The British cruiser Narcissus was sailed for various ports in the island of Luzon on a cruise to take on British subjects who desire protection.

Twenty-second on the March.

This afternoon the Twentieth and Twenty-second infantry and several companies of the Oregon volunteers marched to San Pedro Macati to join General Wheaton's new divisional brigade, which is to consist of the Twentieth and Twenty-second infantry, eight companies of the Washington volunteers, seven companies of the Oregon volunteers, three troops of cavalry, mounted, and a battalion of light artillery.

Although the rain which fell this morning has cooled the temperature to 82 degrees, many dropped from the ranks, overcome by the heat. Several soldiers were sunstruck by the streets of Manila this morning. Most of them were not yet acclimated.

Brigadier General Charles King has recovered from his indisposition and resumed command at the San Pedro Macati bridge. The enemy is very active north of the river, thought not doing any firing just now.

In all probability the current week will see the beginning of active campaigning on a scale hitherto unknown to the Philippines. For the last few days there has been unusual activity at headquarters and there is every indication of reorganization of the entire corps in the near future.

Changes in Organization.

Since the arrival of the American reinforcements several changes have been made, the most important being the appointment of a divisional brigade under General Wheaton, consisting of the Twentieth and Twenty-second regulars, eight companies of the Washington and seven companies of the Oregon volunteers; three mounted troops of cavalry and a battalion of light artillery. All the troops have disembarked. A battalion of the Fourth regular infantry is already on the firing line, assigned to General MacArthur's division. The others have been held in reserve and are encamped on the Luneta parade ground. A battalion of the Seventeenth regulars has been assigned to protect general duty, relieving the Oregon volunteers.

During a rainstorm, which occurred before daylight this morning, the rebels on the extreme left fired several volleys at the Americans, but without effect. Otherwise everything is quiet.

Charles Anderson Ritchey and wife are at the Dellone. Mr. Ritchey is one of the leading young business men of Louisville, Neb., and was for many years in Plattsmouth. They came to town to see the great and only Sol Smith Russell. "I think I have seen Russell every single year for twenty years," said Mr. Ritchey, "and if he lives twenty years longer and I do and he comes anywhere in my reach I mean to see him."—World-Herald.
