By S. S. S. entire circulation is in a depraved condition. They are a severe drain upon the system, and are constantly sapping away the vitality. In every case the poison must be eliminated fr m the blood, and no amount of external treatment can have any effect. There is no uncertainty about the merits of S. S. S.; every claim

made for it is backed up strongly by convincing testimony of those who have been cured by it

and know of its virtues by experience. Mr. L. J. Clark, of Orange Courthouse, Va., writes: ""For six years I had an obstinate, running ulcer on my ankle, which at times caused me intense suffering. I was so disabled for a long while that I was wholly unfit for business. One of the best doctors treated me constantly, but did me no good. I then tried various blood remedies, without the least benefit. S. S. S. was so highly recom-mended that I concluded to try it, and the effect was
