## BAD SHOOTING AFFRAY.

One of Cedar Creek's Citizens Has An Arm Shot Off.

Joseph Winkler and Mike and In the Arm.

From Thursday's Daily

As a general thing, the little village lively. One of these lively times took J seph Winkler was brought to this city last evening and landed in the county iail for shooting Mike Broadback's right arm off with a shot-gun,

Mike and Joseph Broadback drank quite freely and during the afternoon became involved in a quarrel. Wink- with them. ler finally went home, so it is stated, to get away from the Broadbacks, but they followed him, using very threatening language. Upon reaching the home of Winkler, Mike Broadback went to the door of the former's residence, which is on the second floor of a building in the village, attempted to gain an entracce. Presently the door opened enough to allow the barrels of a shot-gun to pass through. Broadback grabbed the firearm and tried to pullit away | from Winkler, when the latter pulled arm. A few shot entered the leg of Joseph Broadback, who was standing on the side walk below.

The two brothers then went to their and Dr. Duff of Cedar Creek were heat. It was awfully hot-the worst I summoned. The arm was shattered ever experienced. badly and was only hanging by a little flesh. It was amputated above the

offered no resistance. Winkier stated that he was afraid of the Broadbacks and that was his reason for locking the doors. Winkler was brought to this city by the sheriff and landed in juil and County Attorney Root remained to investigate the case. He returned this morning convinced that Winkler acted in setf defense and after consultation with Sheriff Wheeler decided to give him

his liberty which they did after dinner. jured man before leaving Cedar Creek this morning and the latter admitted he was in the wrong and was to blame for the accident.

### A Very Serious Question.

Journal of Health. Rolls, muffins, biscuits, cake, etc., now generally made by the aid of baking powder, enter so largely into our daily food that their debasement by the introduction of injurious substances is a matter of serious concern to the public health. What baking powder shall we use to protect ourselves against the danger from alum, and to insure pure, wholesome and nutritious food, is a question of vital importance for consideration in every

It is a fact that some of the brands of baking powder sold from many grocery stores are made from poisonanngerous character.

Many have suffered from digestive alum baking powders. It is likewise believed by physicians that to the abdiseases from which people suffer.

A pure grape cream of tartar powder is the only kind that can be little more, it is better to pay the difference than to use alum powders, which may ruin your health.

The family expenses cannot be reduced in this way. Doctor's bills cost more than the little saying that can be made by purchasing the cheap, adulterated brands.

This fearful disease often first appears as a mere scratch, a pimple, or lump in the breast, too small to attract any notice, until, in many cases, the deadly disease is fully developed.

Cancer can not be cured by a surgical operation, because the disease is a virulent poison in the blood, circulating throughout the system, and although the sore or ulcer-known as the Cancer-may be cut away, the poison remains in the blood, and promptly breaks out afresh, with

The wonderful success of S. S. S. in curing obstinate, deep-seated blood diseases which were considered incurable, induced a few despairing sufferers to try it for Cancer, after exhausting the skill of the physicians without a cure. Much to their delight S. S. S. proved equal to the disease and promptly effected a cure. The glad news

spread rapidly, and it was soon demonstrated beyond doubt that a cure had at last been found for deadly Cancer. Evidence has accumulated which is incontrovertible, of which

the following is a specimen: "Cancer is hereditary in our family, my father, a sister and an aunt having died from this dreadful disease. My feelings may be imagined when the horrible disease made its appearance on my side. It was a malignant Cancer, eating inwardly in such a way as to cause great alarm. The disease seemed beyond the whatever, the Cancer growing worse all the while

skill of the doctors, for their treatment did no good Numerous remedies were used for it, but the Cancer grew steadily worse, until it seemed that I was doomed to follow the others of the family, for I know how deadly Cancer is, especially when inherited. I was advised to try Swift's Specific (S. S. S.), which, from the first day, forced out the poison. I continued its use until I had taken eighteen bottles, when I was cured sound and well, and have had no symptoms of the
