panies remained on the track with the artillery. The insurgents were found well intrenched in front of the town, the trenches having been dug within the Celestial empire by the use of softthe Filipinos opened fire.

Their force was estimated by Colonel Smith at 1,500, although the resi-

figures by 1,000. The enemy seut heavy volleys against the whole American line. Most of their shooting, as

usual, was high, but they concentrated their heaviest fire down the track on the artillery. Colonel Smith kept the whole line moving rapidly with frequent rushes. The insurgents attempted to flank Captain Evans and, therefore, two companies were sent to the right and drove them back.

Abandon the Trenches.

Unable to stand our continuous volleys the Filipinos abandoned the trenches and retreated through the be made of paper. Old letters, or any town northward.
