mouth Correspondent Omaha World-

"When I graduated from the law school," said the old lawyer, with a reminiscent smile, "I took Horace Greeler's advice and went West. I located in a little town that then was on the frontier and waited with the confidence of youth for clients. Before I had fairly opened my office I was retained to defend a man for stealing a horse. This elated me very much, for I was not aware at the time that the case had been refused by all the other lawyers in town, as defending a horsethief was not a thing to be desired if a man valued his life. The case came to trial before an old judge and jury composed of bewhiskered ranchers. There was no doubt that the man was guilty, but he had a number of friends was forty miles away from the spot when the horse was stolen, and the satisfied air that I saw the jury leaving the room to prepare their verdict. They were back in five minutes, and the old judge asked them if they had he shifted the gun he carried on his hip. 'We find the defendant not guilty, an' recommend the defendant's lawyer, owin' to his youth an' innocence, to
