HOUSE RENT SI was governor two terms, but he will not be supreme judge any part of one term.

JOHN SATTLER could not serve as deputy treasurer and coroner both, so Plattsmouth what is the use of talking about it.

> vere appreciated by their friends at THE political pot is beginning to

It is pretty certain that the Ne-

poil a little bit and the first thing that s known some of the fusionists will et scalded. THE people got quite enough of

Iolcomb while he was governor and he will be excused from sitting on the large sum to the defeated nation in Among the numerous candidates for

county judge on the republican ticket T. Frank Wiles of Platt-mouth precinct seems to be the leader so far as this part of the county is concerned. THE democrats are booming James

Herold for county treasurer. Jimmie is a tiptop fellow and it looks wicked to kill him off while he is so young. But such is politics - anyhow popoeratic politics.

W. J. BRYAN, the free silver lunatic, it is expected has promised to speak in Plattsmouth on the 27th of September and the fanatics of his persuasion are in high feather over the announcement.

THE early closing rule which went into effect in Omaha sometime ago has been broken. A number of the leading merchants have announced that had to elect any part of their ticket they will keep open beginning with This is not a good year for the roarnext Saturday evening.

MR. JOHNSON'S - many friends will regret his decision not to become a candidate for sheriff. He could cerainly have been elected, and many democrats wanted an opportunity to attest their approc at on of his merit.

THE Ohio democratic convention at Zanesville yesterday nominated John promptly remitted. Highest market R. McLean of the Cincinnati Enquirer for governor on the first ballot by a majority of a half of one vote. The platform endorses the Chicago free silver deliverance of 1896 and denounces trusts and combines. The candidates will probably butt their were for the first three months of 1898, surveyor, one member of board of

brains out fighting Hanna. THE NEWS, in anticipation of a big run of business, has just received a shipment of two tons of paper. The subscription list to THE DAILY and SEMI-WEEKLY NEWS is growing rapidly, which is evidence that the people appreciate a clean, fair paper that gives the news and does not seek to besmirch anybody and one that is not the personal organ of a few old

"WE know what American victory neans. It means not to oppress, not to tread on the necks of the fallen. It means to lift them up, to place them upon their feet, and to do all that is in our power to extend comfort, civilization, happiness and prosperity to all attack upon the British and Amerimankind. This war has brought un- can marines by the followers of Mader the dominion and protectorate of taafa. Monaghan was well liked in the stars and stripes many millions of Spokane, where he lived, and \$2,000 our Catholic people, far removed, some has already been subscribed toward of them, from the American continent, but we predict for them unhesitatingly that they will make American citizens as loyal, as sturdy and as true as those that are here today."-Father Lavelle in speech introducing President Mc-Kinley, at Catholic Summer School Grounds, Champlain, N. Y., August 15.

THE free-traders who were in such high feather over the slightly increased importations of the fiscal year from the ground, so that access to it is 1899 have lost interest in that subject impossible. since it is discovered that this increase was almost entirely in articles required by manufacturers whose busi- yards in regard to the recent adness had been increased by the protect vances in the price of beef brought tive tariff. The imports of raw silk out the statement that never before in for manufacturing were in the fiscal the history of the American cattle year 1899 \$31,876,342, against \$17,558, market has there been such a demand of raw fibers for use in manufacturing time. The demand for export cattle the imports of 1899 were \$20,290,727, is enormous. The statement is made against \$13,446,186 in 1898, and \$12,336,- that the prices of all cattle will be 418 in the last year of the Wilson law; higher next year than they are now. of crude India rubber the imports for use in manufacturing were in 1890 \$31,-876,342, against \$25,545,391 in 1898, and \$17,5 8,163 in the last year of the ing two bonnets from cornhusks, one the district court in said district, and Wilson law; while the imports of tip for use in manufacturing tin-plate It artificially digests the food and aids | were, in 1899, \$11,843,357, against \$8,-778,151 in 1898, and \$6,533,352 in the gans. It is the latest discovered digest- last year of the Wilson law. The only ant and tonic. No other preparation can approach it in efficiency. It instantly relieves and permanently cures the imports in the last year of the
