WASHINGTON, Sept. 22 -A plan is under consideration at the war department to create an army division of the old. Philippines and divide the division into departments on a basis similar to that in Cuba. The idea is to create four departments in the Philippines. at least three of them to be commanded by major generals. The Philippines heretofore have been known as the department of the Pa-

It is expected that one department sist of General MacArthur's command north of Manila, another will be Gen-

A fourth department will probably consist of troops in the islands south of Manils, which include the commands now at Iloilo, Cebu and other

The scheme has not yet taken such definite form as to determine the comions. There is little doubt, however, that Lawton and MacArthur will remain where they now are and probably the command in the islands south will be under a brigadier general. Anhall at 1647 Bowery last evening, the other officer will have to be selected receipts of which are to go toward for the department in the far northern building a monument to the memory part of the island at the terminus of

The plan is to give each department sufficient garrisons for all points Habana O'Donoghue made quite a hit taken.
