THE CANADIAN WINTER.

A Good Word For It From an American

The coming of winter in Canada is one of the easiest, most beautiful of of an evening there is a haze around ing the snow begins to fall in a cong eat waste-first in digging, fo. The school management is deeply months. In the cleared fields and hardship to tell about. I have often seen the Canadian wilderness. I have worked my way by canoe and portage in warm weather. I have jourmy firm belief, Caspar Whitney and The thoughtle so stand ind ff rence Frederic Remington to the contrary one climate in the world more enjoyable than the Canadian summer, and on the pavement of a city. You feel the cold a great deal more on Broadway, Island of Manhattan, than you do in the deep woods of northern New Brunswick .- From "The Coming of the Snow," by Frederic Ireland, in the January Scribner's. LIVING IN FRANCE.

It Does Not Come Up to Our American We exaggerate in our minds the luxury of life on the continent. No hotel tels in our great cities. The first thing town, said a New Orleans letter-car- if his rich cousins in Ame . 3 to disappoint us is the lift-what we rier to a Times-Democrat reporter. make a moderate division elaborately call the elevator. It is a When he goes on a trip he and his wife poor piece of machi- ry abroad, always stopping and always out of order, says Harper's Bazar. In the best hotel in Paris, the Continental, one gets luxary, comfort and even splendor, but never one's cards or notes. There is ber, not an individuality. The table is, however, very luxurious. It is a clean and well-ordered caravansary. As for the comfort of warmth in winter, they kinds of theories-sympathetic ink, sedo not know the meaning of the word. We are justly accused of exaggerating other nonsense for which I never disthe heat of our rooms in America; the furnace is denounced; but after freezing to death in Paris, one of the coldasking him about the blank cards, "So est of cities, very far north, cursed with an abominable winter climate, one returns willingly to the heated rooms of America. We exaggerate the excellence of the French bed, There is no such thing in France as that comfortable, broad, low thing which we call a French bed. A high, hard, narrow shelf is the apology for it. We exaggerate our comforts by having gas in our sleeping-rooms, and hot and cold water in our stationary washbowls and bathrooms. They never exaggerate comfort in France. You have as many candles as you will pay for, and no bath, unless you order it, when men laboriously bring you a tub filled with hot and cold water, and take it away after you have bathed. We exaggerate very much the supposed good living in France. To go to a hotel in Paris to live we must expect out of the season very little good food, very little that is sustaining and nourishing. It is "all sauce." There are no good joints of mutton, no good American desserts. There is an especial discomfort to the sick, who never get good toast, good custard, good taploca pudding nor

NO TWO FACES

Washington Star: "Physiologists tell us," said a New York lawyer to the myself; several people say he resembles me so closely that I must be joking when I deny the relationship. In order to ascertain how much reason there was for these statements I took last week and we both had our pictures taken together, and I wou'd defy any one to point out a single point of resemblance. My clerk, however, regards the matter as a good joke, and I half suspect he acknowledges relationally, so as to cause complications. I have shown the photograph to several people who have made the mistake, but it has no influence upon them whatever, and it is impossible to convince them against their will." THE NAME STEWART.

What Is the Correct Spelling of the

Name? At a recent meeting of the Clan Stewart Society in Glasgow, Col. John Stewart of Ardvoirlich, who presided, referring to the different ways of spelling the clan name, said that the "dif-

ferent ways of spelling the name arose either from accidental causes or other well-defined reasons. The final letter 't' was substituted for the 'd' of the original name 'Steward' for the sake of euphony. The spelling of the name Steuart was quite accidental, arising big contract on hand. The main or probably from the filegibility of the spelling of Stuart was caused by Queen Mary, on her return from France, using the French spelling of her name, to which she had been accustomed, and many clansmen perpetuated the royal ference. The outer wall is built of spelling. But in whatever way they the original stock. Nor does this end the matter, for it may be remembered by many that the Earl of Galloway reruns for its entire length a promenade spell the name "Stewart," as his lord-15 feet wide. The engineering diffi- ship himself does. He maintained that gether if stretched out in a straight In short, there was no "proper spellline, would reach from New York to ing," though Mary Queen of Scots al-Las Vegas, so that if they had been in ways wrote "Stuart," for the simple place Governor Roosevelt might have reason that she was educated in France and the French alphabet had no "w." Earlier kings of her race spelt their union without dismounting. Broken names "Steward," or "Stewart," or "Stuart," at the fancy of the moment when they held the pen. We have nearly thirty different ways on record of spelling the surname of Stewart in English, Gaelic, French, Latin, Italian, Spanish and Dutch, as follows: Steward, Stewart, Stewartt, Stuart, Stuard, Steuarde, Steuard, Steuart, Steuert, Stewort, Steort, Steubhart, Steubhartt, Stiubhart, Stevyard, Stiurt, Stowart, Sturgard, Stuyarde, Styward, Stuardus, Estuard, Estuarza, Stivard, Stivardi, It is contended that "the right etymology" is S-dew-ard-the Lord High, or the High Lord-that is, the ford next

CUTTING QUILL PENS.

to the king ir power.

It Was a Work of Skill That Everybody Could Not Do. The art of cutting a quill by adept 'quill-drivers' was dying out when I first began schooling. Steel pens had been known for some time, but were not in general use. The goose quill pen died a hard death as a commonly used writing tool. My first schoolmaster was a first-rate hand at cutting a quill, and he could use it with wonderful effects in flourishes. It was his boast that he could fill the first page of a lad's school book with name, age, date and flourishes-in which were depicted wonderful swans and other birds-in such a fashion that none but experts like himself could tell where the quill pen was taken from the paper for a fresh dip. My hast master with advantage. Quills as pens reonly writing tool up to a dozen to twenty years ago. Those who can cut a decent writing quill are now few. People used to a k for "a cuill pen," or "a quill," when they wan ed a pen, and both steel and out" were always guishing Spanish girls, but like the called "pens," buyers asking for fine nearly all ask for "hibs" when they though nearly concealed 'neath the require pens. The word "pen" has express the pen and hower combined. Persons invariably ask for a box of "nibs," appearing to loss soft of the fact that "nib" or "neb" is a point, and that the points of pers alone are in these days of much The beautiful flower wreaths worn as when they mean "pens" Calldren only
