They Cannot Be Retired. "Under this bill the greenbacks cannot be retired. I want to say that the extensi n. retirement of the greenbacks or any other part of our money should never be attempted without the most careful scrutiny and the wisest consideralison said that the greenbacks, under the provisions of the pending bill, practically would be a gold certificate. and he added, "It is so now."

Definition of a Silver Dollar. "Is the silver dollar a dollar, or is it a promise to pay a gold dollar?" asked

"It is a dollar," replied Allison, "The senator and I agree about that.' "But how will a silver dollar be kept at par with gold unless you will redeem it in gold?"

shine tomorrow?" replied Allison. "One of the reasons is because it shone yesterday. We will keep silver at par because we have so kept it for twentyone years. But in addition we will strengthen the situation. France and Germany keep a great mass of silver in circulation, but it is not redeemable to gold The United States is the only country that redeems fractional silver."

IN DEFENSE OF SENATOR CLARK. Interesting Testimony Given by a Man

Who Worked for the Senator.

committee on privileges and elections yesterday concluded its hearing of Neill in the Clark investigation and also heard William McDermott, another of the close friends and staunch supporters of Senator Clark in his contest for the senate before the Montana legislature last winter. Probably the most interesting testimony of the day was a statement made by McDermott to the effect that Clark had made him a present of \$5,000 after his election to the senate to pay McDermott for his the remedies prescribed by the doctors services in the contest. He also testified that he had expended about \$22,-000 in the legislative and senatorial ing the joints to swell and stiffen, elections. The major portion of this money had been received from Clark's son, but the witness contended that it | for twenty years-even the worst cases was all spent for legitimate purposes, Giving a list of men to whom he had paid money in Helena McDermott mentioned a man namer Johnson, who was, he said, an expert in keeping a check busy for a time watching you [speaking to Campbell and Mr. Whiteside. thought there were 300 or 400 men in Helena working for Clark during the senatorial contest. Their principal business was to protect members of the legislature from intimidation by the Daly people. All of them were not, however, under pay.'

"Who were these terrible intimida tors that you have told us about? asked Campbell

"I don't know but that you were one of them. " responded McDermott. Speaking of the election in Butte, McDermott said that he had secured 300 affidavits from persons registered from vacant lots and forty from one room. Yet he had torn them up and had made no complaint before a justice of the peace because there was no
