

Articles Had Been Secreted Under the Sidewalk.

An Employe of the Light Plant Makes terday. the Discovery While Fizing Some Gas Pipes at Fanger's Department Storefleven N. w Members Initiated By the Fraternal Union of America.

Last evening while Superintendent Boyer of the light plant was fixing some gas pipes at M. Fanger's department store, he had occasion to tear some boards loose, which permitted him to get a good view of the surroundings under the walk in front of the He noticed a number of boxes Council Bluffs this afternoon to look ing. As has been previously anand values down there, and upon ex- after some legal matters. store. amination found that they contained toilet soap. A number of window fixtures were also found. Mr. Boyer no- him on account of his recent accident. tified Mr. Fanger of his find, and the latter immediately proceeded to bring the articles upstairs for a closer inepection, and, incidently, under the gratulated. impression that they rightly belonged to him.

It was evident that the goods were secreted there by Mr. Tourtelot, who formerly operated a department store in that building, and when D. O. Dwyer, the trustee for the creditors of Tourtelot, heard of the flad this morning, he demanded the goods, and they were turned over to him. They were accordingly taken to his office, and will be kept there for the present.

While some of the soap is worthless. Miss Olive Gass, principal of the settle the matter at that time. and will have to be thrown away, a Piattsmouth Higa school, visited the large part of it is in fairly good condition, and will easily bring \$10. The session of the teachers' association window fixtures are also worth about here Saturday .- Glenwood Opinion. that sum. The valises in which part Call on Attorney T S Becker for inof the soap had been stored were found surance in old line companies. Collecto be useless, having rotted during their long stay in the cellar.
