The speaking will occur in White's hall next Wednesday at 2 o'clock, after which the post and W. R. C. will march to the cemetery and decorate the graves of their dead com-

QUITE an effort is going to be made to prevent the renomination of Governor Poynter, but his opponents will hardly succeed in defeating him for a second term. While he may be a weak candidate, to oust him at this time would divide the fusion to that extent that some one else would have very little chance to win.

THUS far there seems to be no disposition on the part of the administration to whitewash the frauds perpetrated by officials in the postal department at Havana. Examples should be made of the guilty parties. Director Rathbone has been suspended and will not be allowed to leave the island pending the investigation of affairs.

THE Omaha World-Herald asks: "Do you want a change?" Let us see, you asked us that question along in 1892, did you not? and the people concluded that they did. But, if we recollect correctly, they did not know what to do with it when they got it. No, thanks, we are not particularly anxious for a change this time. - Ashland Gazette.

The democracy of the middle west are erument was borrowing money, and corn fed steers. All these bear down hard on the boy orator of the Platte-North Platte Telegraph.

Both Tay- companied by another man unknown The bill was introduced by Mr. Burkett after this offer was made public \$13,300 lor and Finley spent a quiet morning to witness, bought a man's diamond before Allen was appointed senator. It was subscribed voluntarily by nine or yesterday. Governor Taylor was down ring in the store of Wright, Kay & was reported to the house at \$40 under ten theatrical people who heard of the stairs for a few minutes at noon, but the store of wright, Kay & he spent the rest of the day in his tion witness said he could not tell

Why a Requisition Was Refused, leaving for Fort Wayne last night that Sutton bought the ring. Governor Mount authorized me to say Finley to Kentucky was based on his deliberate conviction that owing to the inflamed state of public opinion in that state, especially among the professional politicians, who are vehemently like a pig to the pole.

Had Been No Prearrangement. "As to other requisitions that may tucky refugees now in Indiana Governor Mount declined to give an opinion. The governor stated emphatically that there had been no prearrangement with reference to his action concerning the Finley extradition proceed-

From a Kentucky Point of View. Louisville, May 23 .- W. S. Taylor has fled from Kentucky to escape arhe will be safe, so long as Governor Mount refuses to recognize the requisition of Governor Beckham. Taylor left Louisville Monday afternoon shortly after the decision of the supreme court became known. He knew that as soon as Judge Cantrill could convene court sued, and it was to escape the seris certain that Governor Beckham will issue a requisition for him.

PRESIDENTS' MESSAGES.

Washington, May 23.-The committee on printing made a report of its investigation of the compilation Papers of the Presidents," The com- men, went out on a strike yesterday mittee finds that Representative Rich. for higher wages. ardson devoted four years to compiling and indexing the papers. It also is stated that he expended \$3,600 of his own funds in securing assistance in the ence to the claim of copyright the committee says that Richardson does not claim that it operates against the government, but only as against all other publishers-that it protects the form of the publication, the ilustrations and the original matter, though none of the documents themselves.

On this point the committee expresses the opinion that "the prohibition in the printing act was intended to cover every publication authorized by congress in all possible forms, to prevent what has happened—the copyrighting of this particular book." The committee says the donation of the plates of the work to Richardson was a mistake and placed congress in a son's contract with Publisher Barkus unobjectionable, but criticise Barkus' methods as questionable.
