## Catteson's Enemies Display Murderous Intent.

Attempt Made to Shoot Through a Window—Neighbors Becoming Tired of These Midnight Disturbances and Hope the Officers Will Put a Stop to Them.

Mr. and Mrs. Catteson, who will be remembered as having taken an active part in the skirmishes which recently occurred at the former's shoe repairing establishment, on Fourth street, between Pearl and Main, were quite badly frightened about 2 o'clock this morning by the loud report of a pistol, discharged near the rear window. It was afterwards ascertained that it must have been the intention of the party—whichever it may have been—to shoot through the window, as the bullet was found lodged in a board above the sill.

Mrs. Catteson had left the window only a few moments before, and she is positive the shot was intended for her.

There is no doubt but what it was a piece of spite work on the part of their enemies, as they have been repeatedly threatened, and it is sincerely hoped by the residents in that part of the city that the officers will be successful in their efforts to nab the guilty party, or parties, and thus put an end to these disgraceful midnight occurrences. The disturbances of these rival factions are a decided nuisance, and if some of them were locked up in jail for a couple of months it would undoubtedly have a good result.

### Furnish Splendid Music.

The first of the series of band concerts to be given on Main street during the summer was listened to by a large crowd of music-loving people at Sixth and Main streets last evening. The band has not only improved in every way over last year, under the direction of Ed Schulhof, but their facilities for giving street concerts have also been greatly improved by a movable platform and chairs, upon which the boys are seated and are thus enabled to do much better work.

Shortly before the concert the boys gave a drilling exhibition on Lower Main street, and their abilities in this respect speak well for J. I. Sanders, the drum major.

The concert next Thursday evening is to be held at Garfield park, while on the following Thursday evening the band will appear on Fifth and Main streets.

### Find Pearls on Fishing Trip.

A dispatch from Sioux City, Ia., in today's Bee says: "People at Hinton, Ia., twelve miles north of here, who have been thinking of going to the Klondike, are looking for pearls in the Floyd river, which runs through this city. A young barber of LeMars and two friends put in a week at Hinton on a fishing outing. They did not capture enough fish to make mention of, but they bagged more than 300 pearls. Sixteen of these are large, flawless, beautifully shaped and worth as high as \$150 a piece. The collection, which is on exhibition at a Sioux City jewelry store, contains handsome pink pearls, as well as flawless and lustrous pear-shaped and perfectly round ones. Occasionally pearls have been brought in from the Floyd for a number of years, but this is by all odds the largest haul ever made in this section. It is said that during the last week nearly every man, woman and child at Hinton and has been digging clam on the Floyd."

### Entertained at "Sunnyside."

Some twelve or fifteen people enjoyed a rare musical treat last evening at the home of the Wescott's. Mr. Dave Livingston, partner and traveling salesman for the firm of Hefter, Livingston & Co., wholesale clothiers of Chicago, entertained the company for about two hours on the piano, in a manner most pleasing to his listeners. Mr. Livingston enjoys the reputation of being one of the finest amateur pianists in Chicago, and it was a great privilege to hear him. It was an impromptu affair, and altogether informal, but was none the less enjoyable.

### Marriage of C. S. Polk and Miss Elizabeth Eikenbary.

Prominent Couple from Elmwood Married at the Residence of Rev. Asa Sleeth—William O. Carr, a Former Plattsmouth Boy, Married to Miss Maud Lancaster at Omaha.

From Thursday's Daily. Dame Nature donned her brightest array and smiled her prettiest yesterday afternoon to do honor to the nuptials of two of Plattsmouth's best loved young people, Mr. C. S. Polk and Miss Elizabeth Eikenbary. The Methodist church, where the ceremony took place, was thronged with relatives and friends and looked extremely pretty with its altar decorations of potted plants, palms and rubber trees, the chancel rail being wreathed with pink and white roses—the organ also presenting a gay appearance, being nearly hidden with artistically arranged greenery, brightened with pink blossoms.

Seats were reserved for relatives and intimate friends, with rose-bedecked white ribbons reaching from pew to pew. The Sunday school classes of Mr. Polk and Miss Eikenbary attended in a body and were seated together.

The ushers were Messrs. Farley, Ralph White, T. F. Wiles and Cliff Wescott. Hilt Wescott played beautifully, selections appropriate to the occasion.

The bride looked exceedingly pretty in her going-away dress of rich grey material, with hat to match, and carrying an immense shower bouquet of cream roses.

The happy couple were attended to the depot after the impressive ceremony—performed by Rev. Sleeth—by numerous friends, whose good wishes will follow them on their honeymoon trip to Lake Minnetonka and remain with them through their years of wedded life.

Many beautiful and costly gifts were given, testifying the love and esteem of friends and acquaintances.
