

SHORT TALK ON GOLD

Mint Director Roberts Thinks Stock Is Overestimated.

WHERE MISTAKES HAVE BEEN MADE

Over-estimate Probably Between \$50,000,000 and \$100,000,000—Estimating the Stock.

Washington, Aug. 4.—Roberts, the director of the mint, in speaking yesterday of the probable modification of the present estimate of the stock of gold in the country, said: "Some modification of the present estimate doubtless will be made as the result of an extended inquiry that is being made by this bureau and by Mr. Muhleman of the New York sub-treasury, but the reduction will be small as compared with the stock. The original basis of the treasury estimate is a computation made by Dr. Linderman, director of the mint in 1873. Gold was then at a premium and not in general circulation. He took the amount in the treasury and in national banks and added \$20,000,000 for circulation on the Pacific coast and \$10,000,000 for the holdings in the banks and hoards, in all, \$125,000,000.

"How the Current Estimate is Made. "To this has been added each year the coinage and the imports of domestic coin, and subtracted the re-coinage, the exports and an estimated sum for consumption in the arts. The result is the current estimate. The gold in the treasury and in the national banks comprises the only part of the stock that can be actually counted. At the date of the last reported statement by the national banks—April 26, 1900—their holdings were \$195,769,872. The treasury holdings were \$429,989,371. The two items aggregating \$625,759,243. The estimate for May 1 was \$1,042,525,117, which left \$420,000,000 to be accounted for as held by state and private banks, in circulation and in safes, pockets and hoards. This is the sum subject to modification.

Gold Carried Away by Travelers. "No account has been taken in the past of gold carried out of the country on persons of travelers. This year the bureau has made a systematic effort to learn what this movement amounted to by inquiries addressed to the steamship lines, money changers at the principal ports, and our consuls abroad. The tourist agency of Cook & Sons receives from travelers from \$100.00 to \$150,000 per year and turns it into the Bank of England. An additional \$75,000 per annum is melted at Geneva, and in all a net loss of \$300,000 to \$500,000 is indicated. At the latter rate in twenty-five years the total would be \$7,500,000, a sum that should be taken account of.

COIN USED IN BUSINESS.

Melted by Manufacturers, Jewelers and Dentists and Other People.

"An effort has been made to arrive at the present consumption of coin by manufacturers, jewelers, dentists and others in the industrial arts. Inquiries have been addressed to about 45,000 firms and individuals and replies have been received from 70 per cent of them. The returns indicate a total consumption of about \$5,500,000 in coin per year. Prior to 1893 the bureau's estimate was never less than this amount, but from 1893 it has been placed at \$1,500,000. The reduction seems to have been an error. An additional allowance of \$2,000,000 per year for seven years would require correction of \$14,000,000.

"Mr. Muhleman, of the New York sub-treasury, has been a diligent student of the subject for years, and is of the opinion that owing chiefly to errors made prior to 1885 the estimate has been too large by perhaps \$100,000,000. He attacks the Linderman estimate and argues that it was \$29,000,000 too high, and he has recently made an exhaustive investigation of imports and exports of coin and bullion since 1873. By checking these from other sources of information he is led to believe that at times bullion and foreign coin have been reported as domestic coin which would carry error into the estimate in the wrong direction. He thinks these errors in reported exports and imports may have increased the estimates by as much as \$45,000,000.

"Mr. Muhleman's tables are very elaborate, and will require considerable time for review. Some of his corrections doubtless will be accepted, and the amount finally deducted from the previous estimate, as the result of this revision, probably will be between \$50,000,000 and \$100,000,000. In my opinion there should be a much more extended inquiry before the figures are finally fixed upon, as the result of this investigation will be the basis of calculations for a long time to come.

"These changes spread over the estimates for twenty-five years, and chiefly prior to 1885, signify nothing as to the available resources of the country. They alter the calculations as to the hidden hoards, but they are not a part of the active stock and are not even available in time of need. The hoards increase instead of diminish at such a time. Reductions do not alter the figures for the great increase in our stock in recent years, but they do enlarge it, for the additions are made larger in proportion of the total stock. The estimates for the stock on Aug. 1 was \$1,043,518,892, and if the entire \$100,000,000 were deducted, the stock would remain 60 per cent. above what it was four years ago."

Rev. J. M. Yingling, pastor of the Bedford Street Methodist church at Cumberland, Md., says: "It affords me much pleasure to recommend Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have used it and know others who have done so. I have never known it to fail. It is a sure cure when taken in time." For sale by all druggists.

Perfect Plans.

The executive committee of the Cass County Log Rolling association met in this city this afternoon and perfected the plans for their meeting August 18. Every indication is that it will be one of the largest gatherings ever held in the county. Plattsmouth will do her best to see that the visiting Woodmen and their friends have a first class time.

Where the digestion is good, and the general powers of the system in a healthy state, worms can find no habitation in the human body. White's Cream Vermifuge not only destroys every worm, but corrects all derangements of the digestive organs. Price 25 cts. F. G. Fricke & Co.

POOR MAN BECOMES RICH

Former Cass County Citizen Has Good Luck at Cape Nome.

THE NEWS is indebted to Willard Wilco of Denver for a lengthy and interesting clipping from the Kansas City Star, which gives an account of how George Dean, an old time Plattsmouth citizen, has struck it rich at Cape Nome, Alaska. In 1880 Mr. Dean worked for a farmer named Russell, near Plattsmouth, then drifted further west and several years later got the gold fever and went to Alaska in search of a fortune. The story of his early struggles with poverty, as related to a Star correspondent, is very interesting. Three years ago he was a poor man—today he has investments valued at \$250,000 in the Yukon River Steam Transportation company stocks; \$10,000 in an established salmon packing concern at Victoria, B. C., and he has mortgages on Yukon river steam craft to the value of \$50,000 or \$75,000. Besides he owns three placer gold mines, for each of which he has at different times declined \$70,000 and he also owns some lots at Nome City which have advanced fabulously in value since he bought them for a few dollars last year. Speaking of Mr. Dean, Mayor Kilmer of Nome City said to the Star correspondent: "George Dean is one of the five richest men in the Cape Nome gold fields. He has literally jumped from the life of a plodding, man-with-his-own-dust-dreams into riches beyond his wildest dreams. I believe Dean is worth now about \$300,000. If his mine pan out well several years longer and Nome City booms and grows like Dawson in 1898, he will be worth \$400,000 in a few years more—that is, if he keeps his senses and doesn't get foolish, as I have known a lot of miners to do after they have struck it very rich."

Winter Wheat For Nebraska. In the fall of 1896 thirty-seven varieties of winter wheat were sown on the station farm. Of these, all but three varieties killed out so badly that it was not considered worth while to harvest them. The three varieties that lived through were Turkey Red, Big Frame and Currell. In the fall of 1898 there were sown more than a hundred varieties, and only five came through the winter in good condition. Those just mentioned were three of the five. Last fall forty-two varieties were sown, of which seven did not germinate and nineteen winterkilled. The same three varieties were among the best, but the yields have not yet been ascertained.

In order to test the relative merits of the seed thus selected and that of the same varieties from some other sections of the country, seed of the Turkey Red variety was sown from the Ohio and Iowa experiment stations and of the turkey from Kansas. The latter is very similar to the Turkey Red grown here. Seed of the Currell variety was also obtained from the Maryland experiment station. None of these did so well as the Nebraska grown varieties, with the possible exception of the Kansas Turkey. Contrary to expectations this wheat matured earlier than the Nebraska Turkey Red. It did not lodge and was not badly infected with rust. In these respects it was as good as the Nebraska grown wheat. Both the Ohio and Iowa Turkey Red lodged and rusted badly and matured later than the Nebraska Turkey Red. The Currell from Maryland made a ranker growth than the Nebraska Currell, but lodged and rusted badly.

It is the aim of the experiment station to extend the area of winter wheat culture over as large a portion of the state as possible. To this end a very large number of varieties of winter wheat have been tested by the station during a period of several years. Those strains of Turkey Red and Big Frame varieties that have been grown on the station farm for several years have proven themselves very hardy. Seed wheat of either one of these varieties will be sent out on application, free of cost except transportation charges, as long as the supply lasts, to parties living north of the Platte river and also to those west of the 100th meridian.

T. L. LYON, Nebraska Experiment Station.

Do Your Feet Ache and Burn? Shake into your shoes Allen's Foot-Ease, a powder for the feet. It cools the feet and makes tight or new shoes feel easy. Cures corns, bunions swollen, smarting, hot, callous, sore and sweating feet. Allen's Foot-Ease relieves all pain and gives rest and comfort. We have over 20,000 testimonials. It cures while you walk. Try it today. All druggists and shoe stores sell it, 25c. Sample sent Free. Address Allen S. O. Msted, Le Roy, N. Y.

For Sale—At a bargain. Store room and implement house, combined, at Mynard. Owner desires to sell on account of ill health. Inquire of J. H. Thrasher.

WASHINGTON, D. C. Genesee Pure Food Co., Le Roy, N. Y. Gentlemen:—Our family realize so much from the use of GRAIN-O that I feel I must say a word to induce others to use it. If people are interested in their health and the welfare of their children they will use no other beverage. I have used them all, but GRAIN-O I have found superior to any, for the reason that it is solid grain. Yours for health, C. F. Myers.

Milwaukee Is Growing. Washington, Aug. 4.—The population of Milwaukee according to the count just completed at the census office is 285,315. In 1890 the population was 204,468. The increase is 39.54 per cent.

A free and easy expectation is produced by a few doses of Ballard's Horehound Syrup, in all cases of hoarseness, sore throat or difficulty of breathing. Price 25 and 50 cts. F. G. Fricke & Co.

RURAL MAIL DELIVERY

Petition Circulated For Establishment of Routes.

O. M. Streight is Getting the Necessary Number of Signers For Securing This Service—Will Be a Good Thing For Many Cass County Farmers—Other Local Happenings.

From Saturday's Daily. O. M. Streight was circulating a petition today for the establishment of two rural free mail delivery routes in Cass county. In order to secure this service it is necessary for Mr. Streight to get the signatures of one hundred property owners who reside on or near the proposed routes, and has already secured nearly the desired number of signers. One of the routes proposed is from Plattsmouth west, past the poor farm, on the Cedar Creek road, for a distance of ten miles, thence south to the Louisville road and thence back to Plattsmouth. The other route which Mr. Streight suggests is south from Plattsmouth to Rock Bluffs, thence west to Eight Mile Grove, thence north to Mynard road, thence east and north to Plattsmouth.

After the necessary number of signatures has been secured the petition will be sent to the first assistant postmaster general at Washington. This service will undoubtedly be greatly appreciated by the farmers, who will then be able to get their mail every day, instead of once a week, or whenever they have time to drive to town.

New Bridge for Louisville. Sheely, the county bridge contractor, is here this week putting in a new iron bridge across Mill creek on Third street. The great amount of travel over this bridge made a larger and stronger structure absolutely necessary for the safety of the public. The new bridge is to be of the latest design and provided with a four foot sidewalk independent of the passage way for teams. Mammoth steel and concrete piers have been put down and when completed will be the neatest structure of the kind in this part of the country.

As soon as this bridge is completed work will begin on the Platte river bridge which is to be put in good repair. The Courier is desirous of giving credit to whom credit is due at all times without regard to politics or religion, and for the repairs to be made on the Platte river bridge Louisville people may thank the two democratic commissioners, Messrs. Falter and Cox, Mr. Zink being on record as voting against the project. The repair of this bridge means much for Louisville as it insures us a continuation of trade from Sarpy county which by right of distance were entitled to.—Louisville Courier.

Entertained the Murray Crowd.

From Saturday's Daily. Miss Florence White very pleasantly entertained, at her home on North Sixth street last evening, the crowd of young people who went to Murray about a week ago to attend the gold medal contest. They had such a good time on that occasion that they were glad to take advantage of the first opportunity offered to duplicate it.

The early part of the evening was spent on the lawn, which had been made ready for the pleasure and comfort of the guests by making use of chairs, hammocks, large pieces of carpet, numerous rugs and sofa pillows. Various games were indulged in until about 10:30, when ice cream and cake were served, following which the company was invited in the house to listen to music—vocal and instrumental—there being no lack of musical talent. Those present were Mrs. T. H. Ewing, Mrs. M. W. Twitchell; Misses Antonia Kessler, Clara Street, Lillian Knudle, Olga Hajek, Margaret Farley, Dora Swearingen, Edna Marshall and Mollie, M. W. Twitchell, B. A. McElwain, H. E. Weidman, J. G. Koch, F. A. White, F. R. Ballance, H. F. Goss, Earle Clark and George L. Farley.

Miss Ella Clark Elected. The many friends of Miss Ella Clark will be pleased to know that she has been elected by the state normal board to teach vocal and instrumental music in that institution.

Miss Clark has expended a great deal of time and money in securing a thorough musical education, taking lessons of the best musicians in Omaha, and the people of Plattsmouth will be pleased to learn of her success in securing this important position and rewarded thus for the hard work she has done in securing a musical education. The News joins her friends in wishing her unbounded success in her new field of labor.

Splendid Social Events. A party of friends and neighbors of the family called at the home of A. B. Taylor, in the Third ward, Friday evening and enjoyed a splendid social time. Fine vocal and instrumental selections were rendered and elegant refreshments were served.

Those present were Judge Sullivan and wife, Mr. and Mrs. C. M. Butler, Mrs. Emery of Lincoln; Mrs. Lucy P. Arnold of Connecticut; P. P. Gass and Misses Blanche and Alice Sullivan and Bernice Newell.

It will surprise you to experience the benefit obtained by using the dainty and famous Little Pills known as Dr. Witt's Little Pills. F. G. Fricke & Co.

While Contractor Stoddard's men were doing some blasting down in the big cut Saturday afternoon, the steam shovel was knocked off the track by the force of the explosion and the mass of dirt which rolled down upon it. Fortunately, no one was injured.

Ice cold soda—Atwood's drug store.

CITY AND COUNTY

SATURDAY.

Lincoln Cox of Mynard was in town today.

Charley Richey came in from Louisville this morning. R. A. Whiteman, T. W. Fleming and J. H. Ingwersen were in town today from Nebraska.

John Peaseley and P. J. Becker were in Omaha today looking after some business matters. George Ballance and wife and daughter of Havelock, who have been visiting in this city for several days, returned home this morning.

L. H. Young, a prominent farmer from the vicinity of Nebraska, was a county seat visitor today. While in town he made THE NEWS a pleasant call.

Ed Fitzgerald, the liveryman, was in Omaha yesterday, and while there purchased a fine new hack. Mr. Fitzgerald now has three vehicles of this kind. He expects to send one of the old ones to Omaha in a few days to have it thoroughly overhauled.

The Burlington has issued a report showing the financial condition of the road, including controlled lines, for the fiscal year ending June 30, as follows: Gross earnings, \$47,585,420; increase, \$4,149,995; operating expenses, \$29,816,588; increase, \$3,271,208; net earnings, \$7,688,581; increase, \$910,282.

Arrangements have already been made with the Burlington officials for running a special train from Greenwood to this city on August 18 on account of the meeting of the Woodmen Log Rolling association. A large crowd from that part of the county is expected to be here on that day.

C. C. Parmele returned last night from his trip to the Black Hills. He was in hopes of finding the atmosphere a little cooler out in that part of the country, but in this respect he was disappointed—the thermometer registering 110 in the shade. Mrs. Parmele and children remained for a more extended visit.

George I. Lloyd, from near Nebraska, was in town today and made THE NEWS a call. He said he thought the republicans would win a great victory this fall; that many democrats, especially among the farmers, were going to vote with the republicans this year, and that they were going to let good enough alone.

MONDAY.

A. B. Dickson was in town today from Elmwood.

Attorney William Dolles Dornier of Elmwood was in town today.

Henry Schlutz went to Council Bluffs this morning for a short visit with his mother.

Miss Anna Fry has returned from her visit out at the farm of Martin Ruby, near Murray.

A marriage license was issued today to Henry F. Shirk of Ramona, Kan., and Miss Bertha Isaphene Ryan of Alvo.

Mrs. L. M. Skinner and children of Lincoln came in Saturday evening for a few days' visit with relatives in this city.

Frank Doud, who has been located at Bloomington for a number of years, is in the city for a short visit with relatives.

Misses Grace and Mabelle Dickson of Elmwood spent the day at the home of F. M. Richey. They expect to leave this evening for Chicago.

Professor J. G. McHugh returned this morning from his trip to Minneapolis and other points in Minnesota. He reports having enjoyed the trip very much.

Joseph Fetzer was a visitor in Omaha this afternoon. Mr. Fetzer expects to take a pleasure trip to Minnesota in the near future, and he went to engage a shoemaker to work for him during his absence.

A MATRIMONIAL SCHEME.

Nebraska City Woman Arrested by the United States Authorities.

Using the United States mail for fraudulent purposes has been the means of getting many people within the clutches of Uncle Sam's servants, and many violators of that law have received severe punishment therefor, imposed by the United States courts, says the Nebraska City Press. Nebraska City has in the past had two or three of its citizens brought before the courts indicted for such crimes, and being found guilty received the punishment they deserved. Notwithstanding the experience of others who undoubtedly believed "there were riches in the undertaking," with little or no labor, this city has furnished another example who will have to appear before the United States court at Omaha and answer thereto. Recently Lottie B. Cooper of this city was indicted by the United States grand jury for using the mails for fraudulent purposes. Yesterday Postoffice Inspector Swift, accompanied by Deputy Marshal Walling, arrived from Omaha, arrested the woman under that charge and took her to Omaha on the afternoon train.

It is reported that she has been using some matrimonial journal under pretense of finding a husband, and many suckers throughout the land bit at the bait, and as usual caught nothing. Demands were always made by the would-be bride for money, jewelry or anything else in the shape of value upon the infatuated members of the male sex, and, as understood, they responded quite liberally to their Juliet, who always had some pretext for not complying with the wishes of her multitudinous admirers. It is a game that has been frequently worked, and it is perfectly apparent that "there is no fool like an old fool," who seems to chance to be relieved of property by paying attention to the enticing and alluring advertisement of a female who is matrimonially inclined in a fashion.

Lottie will have the grand opportunity of explaining her motives for violating the law at the next term of the United States court.

The soothing and healing properties of Chamberlain's Cough Remedy, its pleasant taste and prompt and permanent cures, have made it a great favorite with the people everywhere. For sale by all druggists.

CALL FOR COUNTY CONVENTION.

The republican electors of Cass county are hereby called to meet in convention at Weeping Water, Neb., on Saturday, August 25, 1900, at 10:30 o'clock a. m. for the purpose of placing in nomination candidates for the following offices, viz: County attorney, one senator, two members for the legislature, one member of board of county commissioners from First district, and for the transaction of such other business as may properly come before the convention.

The committee recommends that there be no proxies allowed but that the delegates present from each precinct or ward cast the full vote. The primaries to select delegates to said convention will be held on Saturday, August 11. Representation is based upon vote cast for governor in 1898, being one delegate for each twelve votes or major fraction thereof and one delegate at large for each precinct or ward.

Following is given the time and place for holding primaries and number of delegates to which each ward or precinct is entitled:

Precinct	Voting Place	Time	Del.
Avoca	Avoca	8	3
Center	Manley S. H.	8	3
Clarksburg	Clarksburg S. H.	8	3
Eight Mile Grove	Hell's S. H.	8	3
Greenwood	Greenwood S. H.	8	3
Lincoln	Lincoln S. H.	8	3
Louisville	Louisville	8	12
M. Pleasant	Pleasant View S. H.	8	11
Nebraska	Nebraska S. H.	8	8
Plattsmouth 1st ward	Plattsmouth S. H.	8	9
Plattsmouth 2d ward	Plattsmouth S. H.	8	9
Plattsmouth 3d ward	Plattsmouth S. H.	8	9
Plattsmouth 4th ward	Richey's office	8	10
Plattsmouth 5th ward	Plattsmouth S. H.	8	9
Rock Bluffs 1st dist.	Rock Bluffs	8	5
Rock Bluffs 2d dist.	Rock Bluffs	8	5
Salt Creek	Lennon's hall	8	10
Shelton	Shelton S. H.	8	6
Weeping Water 1st ward	Weeping Water S. H.	8	9
Weeping Water 2d ward	Weeping Water S. H.	8	9
Weeping Water 3d ward	Powell's hall	8	5

GEORGE L. FARLEY, Chairman.
GEORGE A. HAY, Secretary.

Work Progressing Rapidly.

From Saturday's Daily. It is expected that the roof on the auditorium of the new opera house will be completed next week, and then the lathing and plastering work will be begun.

The doors and casing for the new library building are being made by Contractor Osborn, and the brick work on the foundation of the building will be commenced as soon as Mr. Peterson finishes the foundation on the new Methodist church.

Catarrh Cannot Be Cured

With LOCAL APPLICATIONS, as they cannot reach the seat of disease, Catarrh is a blood or surface disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrh. Send for testimonials, free.

F. J. CHENEY & Co., Props., Toledo, O. Sold by Druggists, price 75c. Hall's Family Pills are the best.

Low Rates to Colorado. One fare plus \$2 for the round trip to Denver, Colorado Springs, Pueblo, Glenwood Springs, Salt Lake City and Ogden on Thursday, August 2, over the Burlington. Return limit—October 31.

See the local ticket agent of the Burlington route. Beautifully illustrated book descriptive of Colorado mailed on receipt of 6 cents in stamps.

Blotches and excrescences, which so often annoy people, are simply efforts of nature to throw off impediments to the proper performance of her duties. Herbine will aid and assist nature in her work, and ensure a skin clear and beautiful, entirely free from all imperfections. Price 50 cts. F. G. Fricke & Co.

The Burlington's Denver-Chicago train was over two hours late this morning. The Lincoln papers were consequently also delayed in reaching Plattsmouth.

A Mother Tells How She Saved Her Little Daughter's Life.

I am the mother of eight children and have had a great deal of experience with medicines. Last summer my little daughter had the dysentery in its worst form. We thought she would die. I tried everything I could think of, but nothing seemed to do her any good. I saw by an advertisement in our paper that Chamberlain's Colic, Cholera and Diarrhoea Remedy was highly recommended and sent for a bottle at once. It proved to be one of the very best medicines we ever had in the house. It saved my little daughter's life. I am anxious for every mother to know what an excellent medicine it is. Had I known it that it would have saved me a great deal of anxiety and my little daughter much suffering.—Yours truly, Mrs. Geo. F. Burdick, Liberty, R. I. For sale by All Druggists.

Union Sunday School Picnic. A Union Sunday school picnic has been arranged by the Christian and United Presbyterian Sabbath schools of Murray and will be held in A. R. Catkin's grove, two and one half miles north-west of Murray on August 14. All other Sabbath schools in the community are invited to attend. The program will be published next week.

To Search for Andrea. Capt. W. Bade Di Wismar, the well known explorer, is organizing an expedition to start soon for Franz Josef Land, to seek traces of Andrea and to obtain intelligence of the Duke of Abruzzi, Cornelio Manzi, the Italian writer and traveler, will accompany the party.

During the civil war, as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor of Winer Ridge, Greene Co., Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy and says he never found anything that would give him such quick relief. It is for sale by all druggists.

Minister Was on that Invitation. Although Wu Ting Fang, the Chinese minister, declined the invitation to participate in Philadelphia's Fourth of July exercises, he said that his decision was not due to any opposition that may have been stirred up on account of the fact that he and the Boxers alike are Chinamen.

The quicker you stop a cough or cold the less danger there will be of fatal lung trouble. One Minute Cough Cure is the only harmless remedy that gives immediate results. You will like it. F. G. Fricke & Co.

New Japanese Minister Presented. Washington, Aug. 4.—The new Japanese minister, Kogoro Takahira, laid his credentials before the president yesterday. He went to the state department in full diplomatic dress just before 11 a. m., accompanied by Nabeshima, the charge, and secretary of legation. Secretary Hay escorted them to the White House, where they were received by the president in the Blue Room. The speeches on this occasion did not contain any references to the present condition in China.

In India, the land of famine, thousands die because they cannot obtain food. In America, the land of plenty many suffer and die because they cannot digest the food they eat. Kodol Dyspepsia Cure digests what you eat. It instantly relieves and radically cures all stomach troubles. F. G. Fricke & Co.

SORES AND ULCERS.

Sores and Ulcers never become chronic unless the blood is in poor condition—is sluggish, weak and unable to throw off the poisons that accumulate in it. The system must be relieved of the unhealthy matter through the sores, and great danger to life would follow should it heal before the blood has been made pure and healthy and all impurities eliminated from the system. S. S. S. begins the cure by first cleansing and invigorating the blood, building up the general health and removing from the system **A CONSTANT DRAIN UPON THE SYSTEM.**

When this has been accomplished the discharge gradually ceases, and the sore or ulcer heals. It is the tendency of these old, indolent sores to grow worse and worse, and eventually to destroy the bones. Local applications, while soothing and to some extent alleviate pain, cannot reach the seat of the trouble. S. S. S. does, and no matter how apparently hopeless your condition, even though your constitution has broken down, it will bring relief when nothing else can. It supplies the rich, pure blood necessary to heal the sore and nourish the system.

SSS—This is the only purely vegetable blood purifier known—contains no poisonous minerals to ruin the digestion and add to, rather than relieve your sufferings. If your flesh does not heal readily when scratched, bruised or cut, your blood is in bad condition, and any ordinary sore is apt to become chronic.

Send for our booklet and write our physicians about your case. We make no charge for this service.

LEGAL ADVERTISEMENTS

Legal Notice.

In the district court of Cass county, Nebraska. Dennis O. Dwyer, as Trustee in Bankruptcy of the estate of George Tourtelot, vs. The Western & Southern Mercantile Association, et al. You are hereby notified that the undersigned, as trustee in bankruptcy, has filed his petition in the district court of Cass county, Nebraska, against you and The Western & Southern Mercantile Association, et al., to liquidate the title to the stock of goods formerly owned and operated by you in the city of Plattsmouth, Nebraska, and which were sold to William W
